February 26, 1974

County Ok's Moceri Project

The Wayne County Board of Commissioners voted unanimously last Wednesday morning to recommend approval of the proposed Moceri shopping center on Joy and Sheldon Roads. This decision is only a recommendation that the shopping center be approved by the Canton Planning Commission.

Prior to the vote, Director Francis Bennett presented a brief history of the problems involved with the proposed project. In January 1973 the center had been rejected by the Wayne County Board due to such problems as: the necessity of extensively repairing and widening existing roads; fear of shopping center over-saturation (Meyer's and a K-mart store being under construction with Westland Center only six miles away); inadequate plans for buffering and screening to protect homes in the area, as well as possible danger to school children.

Mr. Bennett then went on to state that according to observations, made by the Wayne County Commission during the past year, many of these problems had been alleviated. The roads in question were now in need of much development due to population growth - shopping center or no shopping center. Moceri had also presented "adequate buffering" plans, including plans for rows of trees to separate the center from residential areas. Shopping center road access changes were also suggested (access changed from residential to commercial areas) as well as plans for a dedicated public playground.

Although Wednesday's meeting was not a "public hearing" in the legal sense, Director Bennett acknowledged both written and verbal complaints from local residents regarding the proposed center. Bennett stated that the majority of phone calls regarding the center had been "negative." The

Wayne County Board allowed local residents present at the meeting to voice their views.

Carl Rea of the Windsor Park Civic Association spoke against the proposed center. Stating that he represented approximately 800 home owners of the Windsor Park Subdivision, Mr. Rea first cited the widening of Morton Taylor Road. The road runs directly through Windsor Park and residents are irate over the possibility of the road becoming a four-lane highway. Mr. Rea stated that at a January 15 public hearing 700 people were present to protest the shopping center. Over-saturation of shopping centers was also cited by Rea. In addition, he called attention to the fact that Gallimore school children would have to cross Sheldon Road - that road being proposed as a four-lane highway.

Also present to speak against the development was Mrs. Pamela Phillips of Canton, Morton Taylor Road runs directly behind the Phillips' residence and is, at present, a two-lane service road. Mrs. Phillips stated that rather than living with a four-lane highway behind her backyard, her house would go up for sale. Mrs. Phillips stated that "more than a few [of her] neighbors felt the same way."

Speaking for the Moceri project was former property owner Ralph Birch. Mr. Birch stated that the center would be an "economic advantage" to the area. He mentioned the easing of resident property taxes as well as employment opportunities for many local residents, especially high school students.

Donald Korte, Canton Trustee, also expressed support for the development. Mr. Korte felt that other existing businesses and stores would benefit from the new center and the shoppers it would attract.

At the earliest, the Canton Township Board can consider the proposed development on March 12.

Carl Rea, of the Windsor Park Civic Association, voices objections to the proposed Moceri Shopping Center to the Wayne County Board of Commissioners.

Plymouth Commission Discusses Rezoning

At the recent Plymouth Commission meeting, rezoning ordinances were the prime topic under consideration. A major change in non-conforming uses will go into effect on March 13. The new amendment will allow improvements of a non-conforming structure up to 25 percent of its square footage and will also allow a structure to be replaced if destroyed by fire or other means, with the permission of the zoning board.

What this means is that if you own a home or structure that doesn't conform with the zoning ordinance, such as a single family unit built in a two-family zoned area, you can now make necessary repairs and modifications such as a garage or additional rooms. If your unit is destroyed, you can now replace

and improve it.

With this change, owners can now take pride in their homes and businesses and have the comfort of knowing that they can improve and rebuild rather than relocate.

A request for rezoning of Irvin Street, north of Junction from industrial to multiple-family was denied. Also denied was the request to change South Union, Roe, and Elizabeth Streets to family from industrial or business.

Other area zoning changes have taken place at N. Harvey and Adams Street, Church to Farmer; they are now single family rather than two family. On March 4, a decision will be made on the same streets extending from Farmer to Junction.

Struck

At approximately 9 a.m. Thursday, February 21, second grade Bird Elementary School student, Vance Farrell, was struck by a car at Sheldon Road and Ann Arbor Trail. The boy was attempting to cross Sheldon Road at the intersection.

The boy was taken to Wayne County General Hospital, then transferred to the University of Michigan Hospital in Ann Arbor, where he is listed in critical condition.

Public Hearing

A Public Hearing will be held Tuesday, February 26, at 7:30 p.m., at Plymouth City Hall. The hearing is in regard to railroad crossing problems in Plymouth. Representatives from the railroad company will be present to discuss problems involved with underpasses and the holding-up of traffic at crossings. All interested citizens are urged to attend.

Centennial Park Survey

Each year high schools involved in vocational programs throughout the State of Michigan are required to conduct a follow up study. The study is conducted among members of the most recent graduation class. In past years this survey was conducted only among students who had experienced vocational class offerings. This year the state office suggested the inclusion of students involved in the general curriculum and the college preparatory curriculum.

Mr. Harold Gaertner, Director of Vocational Education for the Plymouth Community School District, conducted the survey this year. Questionnaires were mailed to all vocational students of the class of 1973 and to an equal number of other students randomly selected from the roster of the class. Approximately 400 surveys were mailed; 135 were returned. Statistically, this is an above average return for a mailed survey.

In addition to the state mandated questions pertaining specifically to vocational education, the state permitted and encouraged the inclusion of questions which the school wished to ask of its graduates. Centennial Park administration availed itself of this opportunity and incorporated eight questions relative to the educational program and the counseling program. The results of these questions were quite helpful. They are summarized in the following paragraphs.

The first question was, "In comparison with your present day associates, how well do you feel Centennial Educational Park has prepared you for what you are doing?" Forty-one percent responded that they felt better prepared; forty-two percent felt they were at least as well prepared, while seventeen percent did not feel they were as well prepared.

The second question was, "What things at Centennial Educational Park do you feel help you most in your present life?" Respondents were asked to check one or more items. Their responses were: classes you took, 70 responses; your associations, 43 responses; teachers you had, 59 responses; co-curricular activities, 12 responses; other things, 30 responses.

The companion question to the above was, "If you could change things at Centennial Educational Park, what would you change?" Again there was a great variety of answers. No one response was voiced by more than ten people. Five suggestions made by approximately ten respondents were: have an open campus, English courses need more grammar in their content, improve counseling area, drop mod scheduling, place ninth and tenth graders on traditional schedule and eleventh and twelfth on mod.

Some thirty-four other suggestions were made by the graduates who responded.

The Plymouth-Northville Chapter of the American Association of Retired Persons will hold its monthly meeting at the Plymouth Presbyterian Church on Wednesday, Feb. 27. Interest or hobby groups meet at 10 a.m., followed by a potluck lunch at noon. Those attending are requested to bring a dish to share with friends, and your own table service.

There will be three distinct parts of the afternoon program. Beginning at 1:30 there will be a presentation of the official A.A.R.P. charter to the local chapter. A 30-minute film, "Medic Alert", will be shown, followed by Income Tax assistance for Seniors. These tax aid people are members of the A.A.R.P. (local chapter) who have taken Federal and State income tax training.

FOR SENIOR CITIZENS

The American Association of Retired Persons is a national organization of over five million members. One must be over 55 years of age to belong; but does not need to be retired. There are about 1600 local chapters; over 40 in Michigan.

The A.A.R.P. is dedicated to the well-being of older persons. Major interests are education, legislation, recreation and service. It is non-profit and non-political. While the A.A.R.P. does not endorse particular parties or candidates, it does back legislation deemed advantageous to older citizens. A typical slogan is: "To serve, and not to be served."

The Plymouth-Northville Chapter is relatively new - first organized in June of 1972. It has grown to around 260 members. It meets at the Plymouth

Presbyterian Church (701 Church St., Plymouth) on the fourth Wednesday of each month. There is usually a mid-month activity, such as a trip or a tour within 100 miles of the local area. In 1973 one three-day trip was made (Canadian Ogawa Canyon) and in 1974 a trip is tentatively planned for Williamsburg, Va. Many overseas trips and tours are available through the national organization.

Monthly meetings start at noon with a potluck dinner. However, many members come at 10 a.m. to participate in small craft and hobby groups, or to participate in a photography or gardening discussion. After lunch there is a short business meeting and the program of the day - a speaker, film, etc., covering a wide range of

subjects. Adjournment is about 2:30 p.m.

A.A.R.P. members never advise anyone to join their group without first visiting a regular meeting. In this way a prospective member can meet the members of the local chapter, see how the chapter operates and see if it has a program that is of interest. If one decides to join, he receives his New Member card at the Treasurer's table after the meeting and pays the \$2.00 annual dues. However, one must also belong to the National A.A.R.P. to be eligible to join a local chapter. Membership in the National Retired Teachers Association also qualifies.

As well as new members, the Plymouth-Northville A.A.R.P. welcomes visitors to all monthly meetings.

Scouts Honored

A dinner and Court of Honor was held for Scout Troop No. 885 on President's Day, to honor 15 Scouts from the Plymouth State Home. Commissioner Dick Rice gave the talk and praised Bill Baumgartner, the Scoutmaster, and the Plymouth Optimist Club for supporting this troop of retarded boys. The weekly Scout meetings have been a big factor in helping these boys gain confidence so that they may graduate to the Halfway Homes and eventually take their place in society.

Next month the Optimists are sponsoring oratorical contests for both boys and girls, with the winners receiving trophies and a chance to earn a college scholarship.

UNRA Certifies Schoolcraft

The basic course in real estate taught at Schoolcraft College has been certified by the United Northwest Realty Association (UNRA) Education Committee.

Because of this certification, students who enroll and successfully complete the course will fulfill the first college level educational requirement specified by UNRA, and they will no longer have to take the equivalency examination. It covers any who enrolled at Schoolcraft during the fall semester, 1973.

The basic course is entitled "Business 181-Real Estate Principles." It is an introductory course in real estate, and covers the Primer on Michigan Real Estate Law,

including general rules, license fees and other real estate principles.

In addition to Business 181, the College offers "Business 182-Real Estate Practices" and "Business 187-Real Estate Appraisal." Both courses extend a person's knowledge and competence in the real estate profession.

Although classes for the winter semester are closed, real estate courses will begin again in April during the spring semester. For further information call the Schoolcraft Business Education office at 591-6400, extension 465. The College is located at 18600 Haggerty Road in Livonia.

PLYMOUTH LIONS CLUB — left to right, Dr. Stuart Anderson, President Richard Schwaller, Past District Governor Donald Schmalz, and State Secretary "Bud" Goodwin.

Lions Club News

The Plymouth Lions Club held its annual Charter Anniversary Ladies' Night Party on February 21, at the Thunderbird Inn. Organized in 1948, the club has just completed its 26th year.

As a special feature for the ladies, President Dick Schwaller introduced Mrs. Sue Grogan, a member of American Airlines "Kiwi" Club for former stewardesses. Mrs. Grogan demonstrated the proper method of packing luggage for air travel, giving the ladies many

tips on what and what not to take along.

Next to be introduced was Dr. Stuart Anderson, Lions International Counselor, and State Chairman of the Lions Eye Bank Committee. Dr. Anderson gave a lighthearted talk on how to get more happiness out of life by doing simple little things for others. Other guests were Lions State Secretary "Bud" Goodwin and Mrs. Goodwin, and Past District Governor Donald Schmalz and Mrs. Schmalz.

Salem H.S. Girl Hit

Plymouth Salem High School student Vera Kingston was struck and injured last Wednesday afternoon by a motorcycle. The girl ran out in front of a

school bus near the bus pick-up area at the high school. The motorcyclist did not see the girl in time. She suffered facial bruises and a slight concussion.

Want to Be Heard?

In order to become an active member of your community, you must register to vote. Unless you register in your Township or City, you cannot legally express your opinions, as you cannot sign petitions or vote. You must be registered five Mondays before an election in order to take part.

With the Wayne County election coming up for a one mill increase in taxes, and the many petitions being circulated — make sure you are registered. For newcomers of Canton, you may register at Canton Fire Station located on the corner of Cherry Hill and Canton Center Roads.

The Plymouth Community Crier would like to begin a "Subdivision News" section of the paper. Tell us what is happening in your particular subdivision. Perhaps you'd like to elect a "chairman" — someone who would let us in on the news "scoops." Call us at 453-6900, or write 895 Ann Arbor Trail, Plymouth.

ROBERT GERRITY

Robert Gerrity to be New J.A. Chairman

Robert M. Gerrity, Plant Manager, General Products Division, Ford Motor Company - Sheldon Road Plant, has been named Chairman of Division 22 for the 1974 Junior Achievement 1974 Fund Drive. This announcement is made by J. Paul Bergmoser, Vice President of Technical Affairs, Ford Motor Company, and General Chairman of the J.A. Fund Drive.

As Division Chairman, Mr. Gerrity is responsible for coordinating a corps of fund raisers in the Plymouth area. The quota to be raised in this area is \$7500. Total quota for this year's drive is \$570,000. The drive began February 1 and concludes March 26.

Funds raised in Plymouth will be expended to maintain and expand the program at the Plymouth Center, 585 W. Ann Arbor Trail. Twelve JA companies meet in this center Monday through Thursday, with a total cumulative enrollment of 346 high school students from around Plymouth.

JA is now in its 25th year in Southeastern Michigan. The Plymouth JA Center was opened in 1953. It is one of 27 business centers in the six county area of Wayne, Oakland, Macomb, Washtenaw, Livingston and Monroe where young people learn the fundamentals of business economics through the experience of forming and running their own small corporations. Ford Motor, is one of the founding business concerns and has been identified with Junior Achievement during the 25 years of its existence.

Ford Sheldon Road Plant is currently sponsoring a member of JA companies at the Plymouth Center. A total of 31 advisors at the center include business men and women from Ford, Chevrolet Livonia Plant, Burroughs, Western Electric, Consumers Power and Ford Transmission Plant, who volunteer two hours weekly to counsel the teenage business people.

Community Fund Awards Announced

The Plymouth Community Fund recently announced new awards. A \$2,500 grant was awarded to Youth, Inc. A \$5,000 grant was awarded to the Plymouth Athletic Association.

Women's Tea

A meeting will be held at St. John's Episcopal Church on Sheldon Road in Plymouth at 12:30 p.m., March 1.

Chairman for the day, Mrs. Hugh Lafferty, will present Patricia Cuza Silea, Executive Director of the Michigan Women's Commission. Her topic will be "Some of the Critical Problems Women Face in Today's World."

The Tea Committee for the day will be: Mrs. William Baumgartner, Mrs. Keith Baughman, Mrs. Charles Catlett, Mrs. Eric Childs, Mrs. Robert Diekman, Mrs. J. D. McLaren, Mrs. Charles Newland, Mrs. Michael Perish, Mrs. Kenneth Reuther, Mrs. William Stirton and Mrs. John Young.

Good Citizens Honored

The Sarah Ann Cochrane Chapter DAR honored nine Good Citizen Award winners and their mothers at their February luncheon meeting held on February 18 at the home of Mrs. Kenneth Hulsing, Plymouth. The Luncheon Committee included Mrs. David Christensen, Mrs. Henry Breneman, Mrs. Kenneth Corey, and Mrs. Charles Garlett.

The Good Citizens Award is given annually to the senior girl outstanding in the qualities of dependability, service, leadership, and patriotism. She is chosen by her classmates and faculty. The National Association of Secondary School Principals has placed this contest on the approved list of National Contest and Activities for the 1973-74 school year. The high school senior girls who received the Good Citizens Award are:

Gay Kenyon, Plymouth Salem High School; Karen Peper, West Senior High School Garden City; Marilyn Sears, Ladywood High School Livonia; Erica Munzel (STATE WINNER), South Lyon High School; Connie Tamblin, Elkton-Pigeon - Bay Port High School; Lori Gliniecki, St. Clement High School, Center Line; Ruthe Urban, Paula K. Cousino Senior H.S., Warren; Anita Turner, Alba High School, and Diane McAllister, Peck Community Schools, Peck.

New "Y" Chairman

By a unanimous vote of the Board of Directors of the Canton, Northville, Plymouth YMCA, Mrs. Helene (Mimi) Settles became that group's Chairman. The vote was taken at the "Y" Annual Meeting held February 18th.

"Community-mindedness, an ability to lead, and a respect from her fellow board members, are the qualities which make Mimi Settles the new YMCA Board Chairman," says Mr. John Schmuhl, Executive Director of the "Y."

"Mimi is only one of a handful of women board chairman in the YMCA associations across the country, but with the increase of family oriented YMCAs, more qualified women will assume this responsibility in the future. "Board chairmen are selected on ability and not sex," concludes Mr. Schmuhl.

Also selected to serve on the Board of Directors are: Dr. James Tsoucaris, vice president; Mrs. Sally Evans, secretary; Mr. Ken Leader, treasurer; Mr. Tom Workman, member-at-large; and Mr. Bill Ackerman, Mrs. Mary Beth Hausman, Mr. George Johnson, Mr. Arthur Larson, Dr. Richard Rhinehart, and Rev. Peter Schweitzer.

Two service awards were given at the Annual Meeting. Mr. John Crago, past board chairman, was given a plaque for outstanding and dedicated service to the YMCA, and Mr. Stewart Oldford was given a plaque for giving the YMCA office space in the old Methodist Church at 670 Church St., while he was owner of that building.

Dr. James M. Carney (left) president of the Plymouth Rotary Foundation Board, presents a check to Arthur Mulligan (right), secretary of the Plymouth Community Junior Athletic Association. The check was given to the Junior Athletic Association for the support of athletics in the Plymouth community. The presentation took place at the weekly Plymouth Rotary Club luncheon Friday noon, February 22.

Elects Officers

The Kiwanis Foundation recently named new officers. The new officers are as follows: president, Harold Fischer; vice president, Norbert Batterman; secretary, Dr. A. Van Ornum; treasurer, Roland Lutz; and board members: Joseph West, Robert Taylor, John Wiltse, Chester Haynes, Robert Utter, Harper Stephens and Dunbar Davis.

BPOE No. 1780 to Sell Souvenirs

The Vivians of BPOE No. 1780 will be selling souvenirs at the Elk's bowling tournament each weekend until the tournament ends on March 24. A percentage of all collected revenue will be donated to the Handicapped Children of Michigan. Jean Eggenberger, president of the Vivians, said, "The organization has raised a considerable sum for the handicapped. For the past four years, the Vivians have been awarded first place in the state for their contributions to the Handicapped Children's Fund."

In the past the Vivians have contributed to the Plymouth Community Fund, T.B. and Health Fund, the Muscular Dystrophy Fund, March of Dimes, Easter Seals, the Cancer Foundation, and they also sponsor a Campfire Girls troop.

The Elks State Tournament is taking place at The Plymouth Bowl and Plaza Lanes, and will continue each week until March 24th.

Criers' Lite

In the past six weeks, five children have been injured by moving vehicles while on their way to and from school. Four of these accidents occurred in the morning, and one incident took place when a high school girl ran in between two school buses and was struck by a motorcycle in front of Plymouth Salem High School.

Pre-dawn darkness, daylight saving time, nicer spring weather approaching, and more kids on the streets are comments presently being used to try and justify these and other accidents. Scapegoats such as these are easily found, but are seldom justifiable. In these accidents the only answer is negligence; negligence on both the part of the motorist, and in one instance on the part of the pedestrian.

Realistically speaking, darkness, daylight saving time, and more kids on the street are all factors that make it possible for more accidents to occur, but with caution on the part of the motorists, and alertness on the part of the pedestrian, many accidents can be avoided.

With the spring weather less than four weeks away more kids will be playing in the streets. People will be thinking of what they're going to do when they arrive home, rather than thinking about getting home safely. It should be everyone's responsibility to slow down, be more alert, and help prevent an accident that might not only destroy the victim's future, but your own also.

John F. Foley III

To the Editor

To the Editor:

Recent action taken by the board of directors of the Canton Chamber of Commerce included the preparation of an information sheet "Facts to Consider Concerning the Proposed Canton Center Woods Commercial and Residential Development" in Canton Township at Sheldon and Joy Roads. Because of the concern of area residents regarding the rezoning of this site for a commercial development the Chamber has also printed a map showing the proposed layout of the development and what exists or is proposed around this site.

OBJECTIONS as voiced by area citizens:

1. Traffic patterns.
2. Proximity to schools.
3. Buffer zone between existing new homes and proposed commercial development.
4. Location.

FACTS AND COMMENTS ABOUT THE ABOVE MENTIONED OBJECTIONS:

1. TRAFFIC: Developer to dedicate right of way and to construct five lanes of pavement surrounding the commercial development. Wayne County Road Commission statement, "Priority for road improvement is based upon thru traffic needs as generated by commercial development."

2. SCHOOLS: Pedestrian overpass across Sheldon Road to be constructed by developer. High school student employment and training opportunities under supervised conditions and within walking distance far outweigh nuisance problems that might be generated.

3. BUFFERING: There are 123 acres of residential area or better than one-quarter mile

between proposed commercial area and existing new homes to the south. A landscaped berm will be provided by the developer around the perimeter of the commercial area.

4. LOCATION: The original Master Plan guidelines indicated preference to perimeter regional shopping centers located at the intersections of two major roads and with small community and neighborhood shopping areas located throughout the Township. No other developer has presented a firm site plan or request to the planning commission for a regional commercial development in Canton Township. The developer of the Canton Center Woods project owns the property, is financially sound, and experienced in commercial and residential development.

5. ECONOMIC VALUE: The property value of this development will provide much needed revenue for our school system as well as revenue for our Township in the way of return on sales tax monies. This will help ease the tax burden of all Canton Township residents.

The Canton Chamber of Commerce sincerely hopes these comments will be of value in deciding what is best for all Canton Township residents and the Plymouth School District.

P.S. Vachher, M.D., President Canton Chamber of Commerce

I have seen your first edition of the PLYMOUTH COMMUNITY CRIER and wish to say welcome and to extend best wishes for every success...

Sincerely yours,
David L. Heinzman
Director of College Relations
Schoolcraft College

PRISM

by Tom Chandler

Chet Gregory has collected antique guns for over 30 years. What started for him as a hobby, grew into a substantial investment, and has now become a way of life.

His son, Dave, grew up with his father's hobby. Dave's special concern has been with reproductions of blackpowder rifles. And recently he developed an interest in American Indian culture and artifacts.

About two-and-a-half years ago, father and son decided to commercialize their interests by opening a gun shop in Redford. Last July, they expanded their operation and moved to Plymouth, opening the Powder Keg on Main Street.

There is a curious diversity in the merchandise the Gregorys sell. Scattered throughout the shop are several painstakingly designed, hand-carved wooden statues. Along the Powder Keg's walls hang Indian curios and tapestries. In the rear of the store is a rack of historic American military clothing. In a prominent showcase is displayed a superlative collection of delicate, silver, turquoise and coral Indian jewelry.

And then there are guns. Antique guns. Reproductions of antique guns. Modern pistols and rifles. Decorative guns for mounting. Efficient guns for hunting. The Powder Keg's stock — please appreciate the pun — is large and varied.

There is a frontier flavor to

the Powder Keg. Here, one can recall how Fess Parker used to rip down Ol' Betsy from the fireplace mantle to hunt game. And to fight Indians...

It is, perhaps, futile to dwell on the relative virtues and evils of firearms in Western society. Guns were created to kill, or guns were created to hunt. Guns are used recklessly as weapons, or guns are used carefully for recreation. Guns are symbols. Guns are tools.

But there is an interesting juxtaposition at the Powder Keg, where so many guns are displayed next to clothing of men who suffered in war, next to the cultural expressions of a race nearly exterminated by Caucasian rifles. In the contrast is a reminder.

Dear Sirs:

I am most impressed with the first two issues of the Plymouth Community Crier. It has seemed to me that Plymouth is a large enough community to be deserving of its own newspaper.

I realize that you've launched on to a very demanding project. My hope is that you will have the courage and stamina to pursue it, and that we, as a community, have the good sense to support you in your venture.

Enclosed is a check for a one-year subscription.

To the Editor:

Good luck to you in your venture! To have a hometown newspaper again is certainly exciting. The Plymouth - Canton area is large enough to support its own paper and I hope our citizens come through with the necessary back-up you will need.

Perhaps the Plymouth Community Crier will be one of the first steps in getting the areas of Canton, the City of Plymouth and the Plymouth Township together to work towards a better community for all — law enforcement, government, schools, etc.

Barbara E. McIntosh

Hometowners!

Sometime in the near future please try to give a lot of consideration to the Plymouth-Salem-Canton cheerleaders for the excellent job they are doing for all the sports. They work just as hard as the sport they are sporting! I know, I have three of them.

I am not writing for my girls, I am writing for the cheerleading girls.

A Cheerleading Father

Plymouth Skaters Pass Tests

Plymouth skaters Jessica Bacsaryi, Rosalie Hackett, Barbara Thacker, Julie Collins and Norine Scott pose for The Crier. Not pictured is Barb Centers.

United States Figure Skating Association ice dance and figure tests were passed by six Plymouth skaters at the Wyandotte Figure Skating Club on Saturday, February 16th. The skaters, members of the Plymouth Figure Skating Club, are now eligible for the Tri-State competition to be held April 6-7 in Bowling Green, Ohio.

The test results were as follows: Rosalie Hackett passed all three preliminary dances; Vessica Bacsaryi passed preliminary figures and all three preliminary dances; Julie Collins passed

preliminary figures; Barbara Thacker passed preliminary figures, Fiesta Tango and Willow Waltz of the Bronze Dances; Barb Centers passed Willow Waltz and Norine Scott passed Willow Waltz and the Ten Fox completing the Bronze Dances.

The above members all started in the Parks and Recreation Skating Program which sponsors skating lessons for all ages. Professional skater Tom Caribardi instructs the group which practices Tuesdays and Thursdays from 6 a.m. till 2 p.m.

Coaches Pleased

by Dan Herriman

Can both coaches be satisfied with the outcome of an athletic contest? Livonia Churchill Coach Pat Montagano was pleased with his victory over Plymouth Canton while Canton Coach Casey Cavell was proud of the game his Chiefs played.

Churchill, now 17-1, beat a seniorless Canton team by a mere six points, 67-61, in a game described by Cavell as "the best second half we've ever played."

Livonia, who is 9-0 in Western Six competition, fell short of their last win over the Chiefs as they crushed Canton, 92-52. Plymouth Canton, now 2-15 for the season are 1-8 in the Western Six.

Canton, playing without three flu-stricken Chiefs - Ron Lack, high scorer, Kim Hammonds and Tim Cooper - completed 23 of 50 from the floor for 46 percent. The Chiefs hit 15 of 23 free throws, 65 percent. They took only 20 rebounds, 13 defensive and seven offensive.

Churchill's Ken Landini took game honors with 26 points, followed by Don Braun with 19.

Tom Close led scoring for Canton with 15 points. Other Chiefs in double figures were Dave Edwards with 11, and Brian Stemberger and Rick Thom with ten points each.

The first quarter saw Livonia's Landini and Van Wagoner with six points each. Canton finished eight points under, 18-10. Churchill's 6'7" Don Braun pumped in four from the floor in the second quarter. A halftime score of 32-18 left the Chiefs with Churchill's first quarter total.

Landini and Braun accounted for Livonia's 19 points in the third while Stemberger and Edwards dropped 11 of Canton's 15. The Chiefs were 18 points behind, 51-33.

The fourth quarter started with Churchill feeling secure, but Canton's Tom Close came out of it with seven of seven free throws and four field goals for 15 points. Don Lloyd finished with eight. The fourth ended with Braun on the charity line, popping in two for a 67-61 final.

Canton travels to Northville Friday while Churchill hosts Waterford-Mott.

Plymouth Wins Sub 8 Title

by Dennis O'Connor

The 1973-1974 Suburban-Eight League title belongs to our own Plymouth-Salem Rocks.

The clincher to the title came when the Rocks outlasted a stubborn Dearborn team, 51-46, last Friday night at the Plymouth gym.

For Plymouth, it was their 12th victory in a row and 16th overall against two setbacks. The 16 wins breaks a single season record for wins which was previously held by last year's Plymouth team who finished 15-5 in regular season play. In league competition, it was Plymouth's 9th in a row to raise their first place record to 11-1.

For the second place Pioneers from Dearborn, it was their 4th league loss versus eight victories.

With only two league games left in the season, and Plymouth holding a three game lead over the second place Pioneers, Plymouth is assured of the league championship.

"Although our offense wasn't what I would like it to be, our defense was exceptionally tough," commented Plymouth coach Fred Thomann.

The game was nip-and-tuck all the way as neither team could open up a substantial lead. The biggest margin separating both teams was a six-point lead held by Plymouth early in the 4th quarter.

Dearborn spurted into an early 14-11 lead at the end of the first stanza as they were led by their center Jim Tracz who got 11 of his game high 21 points in that first quarter.

Plymouth let its defense do all the talking in the second quarter as they outscored the Pioneers 12-6 for a slim 23-20 lead at the half. Plymouth was sparked in the 2nd quarter by Jeff Lamirand who came off the bench for Eric Agardy midway in the 1st quarter. (Agardy had committed three quick fouls in the first 4½ minutes of play.) Lamirand scored half of Plymouth's output in the 2nd quarter, and also accounted for two steals and three rebounds while he was in. Plymouth's great defense in the 2nd stanza was also led by the hustle of their guards Rick Neu and Dave Prueter who had two steals each.

In the second half Plymouth's big threg, Eric Agardy 6'9", Jim Ellinghausen 6'6", and Captain Bruce Johnson 6'5", took over by scoring 24 of the 28 second half points for Plymouth.

The Rocks took the lead for good, 32-30, with 1:30 left in the 3rd period, with a bucket by Agardy.

Plymouth held a four-point lead, 36-32, at the end of the

3rd quarter, and hung on in the 4th quarter for the five-point win.

The Rocks were led by Agardy's 13 points, 11 in the 2nd half, and Johnson's 11, 9 of which came in the 2nd half.

In double figures for Dearborn along with Tracz was Pete Askins with 11.

Although Dearborn outboarded Plymouth in the 1st half, 19-14, the Rocks did win the rebounding battle by a close 28-27 margin. Agardy led Plymouth with 11.

Plymouth shot rather mediocre from the floor hitting 20 of 51 for 39 percent. Dearborn hit 18 of 48 for 38 percent.

The Rocks finish the league and regular season schedule this week with games tonight at Redford Union and back home Friday night against Trenton. Game time for both is 8:00 p.m. Box score:

Plymouth

Canton Chiefs Swim to Victory

by Lisa Williams

Chalk up another victory for the Canton Chiefs swim team. The Chiefs won on February 14th against Walled Lake Western by the score of 94 to 77.

Canton managed to keep between a four to seventeen point lead throughout the meet, even though there weren't any great individual timings. They also lost one of their best swimmers in the 50-yard freestyle, he was disqualified for two false starts. The Chiefs coach, Jeff Longstretch attributed their win to team effort.

Canton's next swim meet will be Thursday, Feb. 28th at Northville High School at 7:00

Rocks' Volleyball Wins

by Dennis O'Connor

The Plymouth-Salem Volleyball team won their second game of the year last Wednesday night on the Plymouth court.

Plymouth whipped Dearborn Edsel Ford in the best of five games, 3-1.

Coach Jan Hutching's Rocks are now 2-2 overall, (pending yesterday's match at Northville)

and 2-1 in league competition.

With the score 2-2 in the first game, the Rocks pulled two points ahead, 4-2, and were never behind after that for a 15-6 win.

The Rocks broke a 7-7 tie in the second game, by scoring seven straight unanswered points, and coasted to a 15-10 win.

With Plymouth falling behind 8-3 in the third game, they finally came to life to tie Ford 10-10. But Ford pulled this one out anyway, 15-11, for their only win of the match.

In the preliminary game, Ford JV crushed the Plymouth JV squad in the best of three games, 2-0. The scores were 15-3 and 15-4.

Plymouth rebounded quickly after that by spurting ahead in the fourth game 11-3. But the stingy Ford team fought back to within one point, 11-10, before Plymouth pulled away for the 15-10 final win.

This year's varsity volleyball squad includes: Barb Smith, Julie Shearer, Debbie Hardow (capt.), Linda Cunningham (capt.), Darlene Kelly, Katie Rogers, Molly Mead, Trudy Watkins, and Jackie Croci.

The Rocks next game is tomorrow afternoon at Allen Park. Game time is 4:00 p.m.

WANTED

In connection with good grooming and style conscious persons interested in having their clothes restyled or altered. Personal fittings on both men's and women's clothing in our modern tailoring shop. Phone 349-3677, Lapham's, 120 E. Main-Downtown Northville.

Plymouth J.V. Loses

by Dennis O'Connor

The Dearborn JV squad used the weapon that the Plymouth-Salem JV team has used so effectively this season to beat Plymouth JV 54-49 last Friday night at Plymouth.

The weapon Dearborn JV used is the 1-2-2 zone defense that stifled the Plymouth JV offense which averages close to 63 points per game. This zone defense has been the backbone of the Plymouth JV defense all season long.

For Plymouth JV, it was only their 3rd loss of the season to go along with 14 victories.

Coach Craig Bell's Plymouth JV was in the contest for the first three quarters before Dearborn JV pulled away in the 4th quarter.

Being behind 20-17 at the half, and 37-35 at the end of the 3rd quarter, Plymouth JV was held scoreless for the first four minutes of the final stanza. Dearborn JV scored seven straight during this time and breezed the rest of the way.

Dearborn JV's biggest margin in the game was 11 points, 54-43, with 1 1/2 left in the game, before Plymouth JV scored the last six points of the game, which closed the margin of victory to five points.

Plymouth JV was led by a 16-point performance by Howard Inch. Mark Gothard added 10.

Mike Primeau carried the load on the boards for Plymouth JV, pulling down 17.

Plymouth JV shot a cold 33 percent from the floor, converting 22 of 66. Plymouth JV was 5 of 8 from the foul line for 63 per cent.

The last two games of the season for Plymouth JV are this week as they clash with Redford Union JV tonight at Redford, and Trenton JV Friday night at Plymouth. Both games are prior to the Plymouth varsity clashes. Score by quarters:

Plymouth JV 8 9 18 14 49
Dearborn JV 12 8 17 17 54

Canton J.V.'s Slip

by Dan Herriman

Churchill J.V. were victors Friday as they defeated Canton J.V. in a fourth quarter turn around, 55-47. Canton now holds a record of 7-9.

Scorers for Canton were Bill Parsons with 19, Keith Osborne with 15, David Pink with 8, Marc Nurmi with 3 and Jim Tiller with 2.

A first quarter score of 13-9 left Canton J.V. on top as did a halftime score of 27-18. The third saw Canton's lead over Churchill dwindle to three points, 37-34.

The game changed hands in the fourth quarter and with just 15 seconds remaining, Canton was two points down, 49-47. But Churchill wasn't satisfied as they captured six more points for a 55-47 final.

Canton J.V. faces Northville J.V. at Northville this Friday. Game starts at 6:30.

Baseball Registration To Be Held

It's time to register for the 1974 season!

Registration will be held on March 2 and 9 from 9:00 a.m. to 1:00 p.m. at Central Middle School (auditorium), Church at Main Streets. Everyone must register during these periods.

We are pleased to announce that a girls' softball program is included this year. Girls, ages eight through 12 with birthdates between August 1, 1961, and July 31, 1966, are eligible. Proof of age is required. There will be a limit of 120 placements. Surplus registrants will be placed on a waiting list. Further details on the program will be available at the time and place of registration. The registration fee is \$8.00.*

The boys' baseball program is divided into three divisions, separated by playing ages, divided at August 1, to conform with the playing season which will end prior to August 1. Eligible ages are seven through 12. Must be age seven on or before July 31, 1974, and not attain age 13 prior to August 1, 1974. Dates of birth inclusive, August 1, 1961, through July 31, 1967. Proof of age is required.

C DIVISION - (T-Ball) - ages seven and eight. Birthdates between August 1, 1965 and July 31, 1967. There are no tryouts. Teams will be assembled and registrants notified of placement prior to the start of the playing season, which begins at the end of the school term, about June 15. The registration fee is \$8.00.*

B DIVISION - ages nine - 10. Birthdates between August 1, 1963 and July 31, 1965. 10-year olds returning from the 1973 season that were on a B Division team roster as a nine-year-old at the end of the season will not try out. All others, determine the appropriate time and place prior to leaving the place of registration. Due to expansion of new teams, there may be some re-assignments of returning 10-year-old veterans to other teams. There is a limit of 360 placements. Surplus registrants will be placed on waiting list. The registration fee is \$10.00.*

A DIVISION - ages 11 - 12. Birthdates between August 1, 1961 and July 31, 1963. 12-year olds returning from the 1973 season that were on an A Division team roster as an 11-year-old at the end of the season will not try out. All others, determine the appropriate time and place prior to leaving the place of registration. Due to expansion of new teams, there may be some re-assignments to other teams. There is a limit of 360 placements. Surplus registrants will be placed on a waiting list. The registration fee is \$10.00.*

A and B Division Team Managers will notify registrants as soon as team rosters are completed, approximately April 15.

Parent participation is needed. Indicate your interest in assisting in this program at the time of registration.

Shirts or jackets will be marked at time of tryouts. Do not bring them to registration.

*Registration fees are required to partially cover the costs of the program. It is not intended to exclude those unable to pay the registration fees. In those specific cases, the registration fee can be waived. Contact the player representative, Jack Carpenter at 455-4799.

Chargers Lose First Game

The hopes of an undefeated season for the Plymouth-Central eighth grade basketball team were crushed last Thursday afternoon.

The Northville eighth grade squad revenged their previous 41-36 loss to the Chargers by whipping Central 65-47 at the Northville gym.

The keys to the Northville victory, in this high scoring affair, were superior rebounding strength, excellent outside shooting, and a pesky full court zone press which riddled the Chargers the whole game.

Northville outscored the Chargers in all but the final quarter where both teams played to a 15-15 tie.

With the score 18-18 midway in the second quarter, Northville reeled off seven straight points and were never headed after that. Northville took an 11 point lead into halftime, 34-23.

Northville's biggest margin over Central came with three and one-half minutes left in the game as they were in command by 23 points, 60-37.

The win upped Northville's record to 5-3, while Central still holds a fine 8-1 record.

The Chargers final game of the season is a home affair this Thursday afternoon against the Pioneer Panthers of Plymouth. Game time is 4:00 p.m.

Score by quarters:
Central - 10 13 9 15-47
Northville - 12 22 16 15-65

OUR LOCAL PAPER IS FOR LOCAL PEOPLE!!!

Plymouth Wrestlers Take 3rd

The Plymouth - Salem varsity wrestling squad took third place in the Suburban Eight League match held at Allen Park High School on February 16.

The Rocks, who had hoped to place first or second after winning their last four regular season matches, finished only one-half point behind second place Redford Union. Trenton took first place in the league.

Individual leaders for the Rocks were Dave Tamagne who surprised many people by taking first place in the 115 lb. weight class, co-captains Russ Brink and Steve Goodwiller who each placed second in their respective weight classes, Jerry Brink, also runner up at 148 lbs. and Larry Fidge, who finished a disappointing second at 188 lbs. Scott Agnew, Jeff Kinney and Tom Shelton also scored points for Salem.

During the regular season, the Rocks got off to a slow start but finally rebounded to finish 5-2 in the Suburban Eight and 6-3-1 overall, a slight improvement over last year's 6-4 mark. Redford Union and Trenton tied for first in the Suburban Eight with identical 6-1 records.

Varsity Swim

by Scott Lorenz

Salem Varsity swim team was defeated last Thursday night by Trenton High School by a score of 90 to 82. Salem took first place in seven of eleven events, but Trenton's overall depth decided the meet.

It was a replay of the contest between the teams two years ago, with the deciding points going down to the last relay. Plymouth won that meet but Trenton evened up that score.

There were two double winners for Salem - Paul McKelvey in the 50 and 100 free, and in Ron Finley in the 200 free and the 100 fly. Plymouth took first in the 200 medley relay with their best time of the year at 1:48.0.

Plymouth was down six points going into the 400 free relay and in order to win the meet Coach Byron Williams had to separate the powers. Trenton swam their best meet of the year defeating Salem, 90 to 82.

This Thursday Salem entertains Allen Park for the final meet of the year. Plymouth will be ready to tear 'em up as this is the grudge match of the year!

School Paper Provides Education, Experience

by Jerry McKenny

Centicore, the Plymouth Salem High School newspaper, is in its second year of publication under Staff Advisor John Seidelman.

The staff, consisting of 28 members, has recently released its fifth issue of the year and is currently preparing to release its sixth issue. Centicore is geared toward an educational thrust. "We are trying to expose students to newspaper printing experience," Seidelman commented, then added "there are very few students who will actually join a newspaper staff, but they are learning skills that can be used in many other areas."

Centicore does not use an editor system because Seidelman feels the staff often works better without them. "We have people doing all jobs and, hopefully everybody is assuming leadership" said Seidelman, who has considered using editors next year.

The newspaper, which is free, is supported by advertising and by an allocation from the Board of Education. The allocation covers some of the publishing cost but Seidelman noted that "we are reliant on support from merchants." To help finance the paper the page size has been increased over last year to allow

for more advertising and space for articles.

Seidelman added that some of his goals for next year are to establish more staff communication and student leadership. He is satisfied with the newspaper from an educational standpoint. "We want to improve and serve the school better," remarked Seidelman.

Woodwind Concert to be Presented

The Schoolcraft College Woodwind Quintet will present a concert in the Waterman Campus Center at 8 p.m. Friday, March 1.

Formed in 1973, the quintet features the artistry of five talented musicians, each one a teacher, performer, and member of a major symphony orchestra. The quintet is also composed of an interesting variety of players and instruments. Combining musical talents are: Clement Barone playing the flute; David Mariotti, oboe; Oliver Green, clarinet; Paul Ganson, bassoon; and Eugene Wade, french horn.

Although very new, the group has presented concerts in the local area, and exciting things are predicted for them. Each is a member of Schoolcraft's summer music faculty.

Tickets for the concert may be purchased at the College Bookstore on campus, and at the door if available. The price is \$2 for general admission and \$1 for Schoolcraft students.

The college is located at 18600 Haggerty Road in Livonia. For further information call 591-6400, extension 264.

Three to Attend Jr. College Convention

Three representatives from Schoolcraft College are attending the annual convention of the American Association of Community and Junior Colleges (A.A.C.J.C.) February 24-27 in Washington, D.C.

The Schoolcraft delegation includes Board Trustee Rosina Raymond of Livonia, President C. Nelson Grote, and Director Ronald Griffith who heads the College's community services program.

A highlight of the convention is breakfast meetings with Congressional delegations scheduled for Tuesday morning. Among forum topics this year are "Woman: Her Challenge to the Community College," and "New Dimensions in Serving older Americans."

Leadership Workshops Coming

LIVONIA - A series of six workshops on Personal Growth and Development of Leadership will be held at Schoolcraft College in Livonia beginning March 7. The series, which is being offered by the University of Michigan Extension Service in cooperation with the Schoolcraft College Division of Community Services, is of particular interest to members and officers of various community groups and agencies, although it is not necessary to hold a formal leadership position in a group in order to participate.

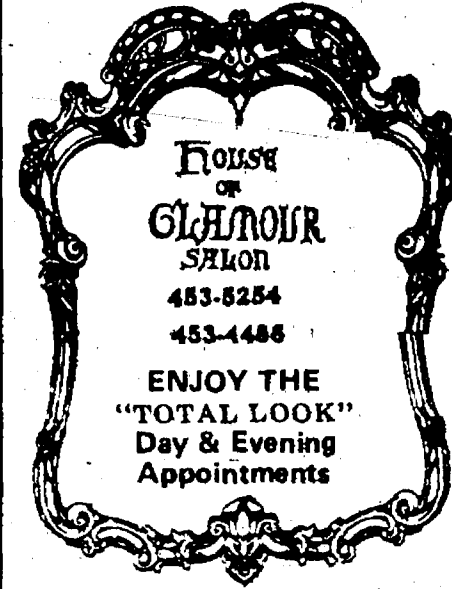

Emphasis in the series will be placed on the knowledge and skills necessary for effective group membership and leadership. Participants will test out their newly acquired knowledge and skills in settings provided by the workshops and in their own real-life situations. The workshop sessions will be conducted by personnel from The University of Michigan.

The following are some of the particular skills and concepts which will be covered in the workshops: Reaching a Shared Decision; Creative Problem-Solving; Listening; Dealing with Dominant, Agressive, Disruptive Behavior in Groups; Increasing Cooperation; Helping Members Participate; Dealing with Hidden Motives; Taking Action on Issues; Setting up and Using Agenda; Helping Members Openly Express Their Feelings; Getting New Members; and Getting Members to Take Responsibility.

Fee for the series is \$20.00 per person. Sessions will be held Thursday evenings beginning March 7 (except April 11). Further information is available by contacting the University of Michigan Extension Service, Department of Conferences and Institutes, 350 South Thayer, Ann Arbor, Michigan 48104, telephone (313) 764-5304.

THIS WEEK'S RECIPES:

Here's a nice variety of cake recipes to choose from. These cakes are just a little different and very delicious. Whole wheat flour can be substituted in each recipe; honey can be substituted for sugar where indicated. These cakes are all moist and somewhat heavier than regular recipes. All are best when topped off with a light frosting.

BANANA CAKE

30-40 min. - 350°

1/2 c. butter

1 1/2 c. brown sugar

2 eggs

1 c. mashed bananas

(3 medium)

1 t. lemon juice

1/2 c. sour milk

(or buttermilk)

1 t. baking soda

1/4 t. salt

1 1/2 c. flour

(whole wheat also is o.k.)

Cream butter, gradually add sugar, then add eggs; beat until light; mash bananas (add lemon juice to keep them from turning dark), add to above mixture and beat hard; sift soda, salt and flour adding alternately with milk. Pour into a greased loaf pan (9"x11") or into 2 round cake pans.

This cake is superb topped with real whipped cream. Fold in cut up fresh or frozen strawberries before putting on the whipped cream.

CARROT CAKE

Sift together

3 c. whole wheat flour

2 t. baking powder

2 t. soda

add 2 t. cinnamon

and 1 t. salt

Combine 1 1/2 c. vegetable oil and 2 c. raw sugar or honey, mix well, add the 4 eggs and beat well. Gradually add dry ingredients. Add 3 c. finely grated carrots (you can also add 1/2 c. chopped candied fruit or 1 c. chopped dates, raisins or nuts.)

Bake 1-1 1/2 hrs. at 350° in a greased pan. This one is great with a cream cheese frosting.

APPLESAUCE CAKE-BREAD

2 c. whole wheat flour

1 c. stone ground cornmeal

1/4 t. salt

1 t. baking soda

1 c. buttermilk

1 c. blackstrap or other

unsulfured molasses

3/4 c. canned applesauce

3/4 c. unsulfured raisins

Mix first four ingredients in bowl. Add buttermilk and molasses and beat with spoon until smooth. Fold in applesauce and raisins and spread in greased 9" square baking pan. Bake in preheated 350°F. oven about 35 minutes. Cut in squares and serve hot with butter.

**4-H Obedience
Club**

Plymouth Paw Prints 4-H Dog Obedience Club is starting new classes on Wednesday, March 6 at 6:30 p.m. at the Plymouth Youth, Inc. building on Main Street. Beginning and more advanced classes are open to youth and adults. Interested persons please call Edna Terry, 453-6760. Advance registration is necessary.

Paw Prints, a project group of the Plymouth Community 4-H Club, was organized a year ago. Carol Lamb of Sportsman's Dog Training Club of Detroit is the well-qualified trainer for the club. Members of the club were host in February at a match for all Dog Training Project groups in Wayne County. It proved to be a great success and is just one of the many events that are held during the year for the members' enjoyment and training experience.

State Show in Lansing, Greenfield Village Country Fair and County and State Fair are the highlights of the year. Members learn not only dog training but become aware of grooming and the health and welfare of their dogs. They are making better citizens of our increasing canine population.

Dogs need not be registered or pure bred to enroll but must have a current certificate of rabies and distemper before starting classes. Heartworm and parasite checks are also recommended. Similar dog training groups for youth only are also held in Dearborn and Belleville.

GYPSY NEEDS A HOME

Gypsy can be adopted at the Western Humane Society Branch located at 35255 Marquette Road, Westland, 721-7300. She is an X Span, 11 weeks old, black and white in color, has shots, is partially housebroken and loves children. All of Gypsy's friends at the Humane Society need your love and support in helping to find them homes.

**Free Cancer
Examinations**

These two important cancer checks are yours for the asking - the pap test and the oral cancer exam.

What is a Pap Test?

It is a simple examination to detect cancer of the cervix (mount of the womb).

It is performed by either a doctor or a registered nurse.

It is painless and takes less than five (5) minutes of your time.

It could save your life.

What is an Oral Cancer Examination?

It is an examination to detect cancer of the oral cavity (lip, tongue, throat and mouth).

It is performed by an oral surgeon, dentist or dental hygienist.

It is painless and takes only a few minutes of your time.

It could save your life.

WHEN: March 11-15, 1975, 9:30 a.m. to 4:00 p.m.

WHERE: Plymouth Veterans Building, 173 N. Main Street, Plymouth, Michigan.

HOW: By appointment. Call the Michigan Cancer Foundation, Western Wayne Unit. Call: 453-1432 or 453-3010.

Fife and Drum Corps members (left to right) are Mary Manley, Debbie Wise and Cheryl Nelson.

Plymouth-Past and Present

By Tim Scheetz

The Plymouth Fife and Drum Corps, relatively unknown to many area residents, is certainly a noteworthy asset to the Plymouth community. This unique group of musicians grew from a Plymouth High School drumming class which was supervised by Mark Petty of Troy, Michigan. This class was formed in 1969. It basically taught drumming techniques for use in marching bands.

Mr. Petty thought it would be appropriate to form a group that could use these techniques all year round. His dream came true in November of 1971.

The Plymouth Fife and Drum Corps gained national acclaim by being one of three such groups located other than on the east coast. The other two groups are located in Lafayette, Indiana and Spokane, Washington. Several hundred fife and drum corps are located from Maine to Florida.

The Plymouth Fife and Drum Corps is an independent, self-sufficient group consisting of approximately 30 members. Before joining the fifes and drums, each person must first attend a drum band which is involved primarily with percussion instruments. From here, the students graduate into the Fife and Drum Corps. Petty is hoping to promote the drum

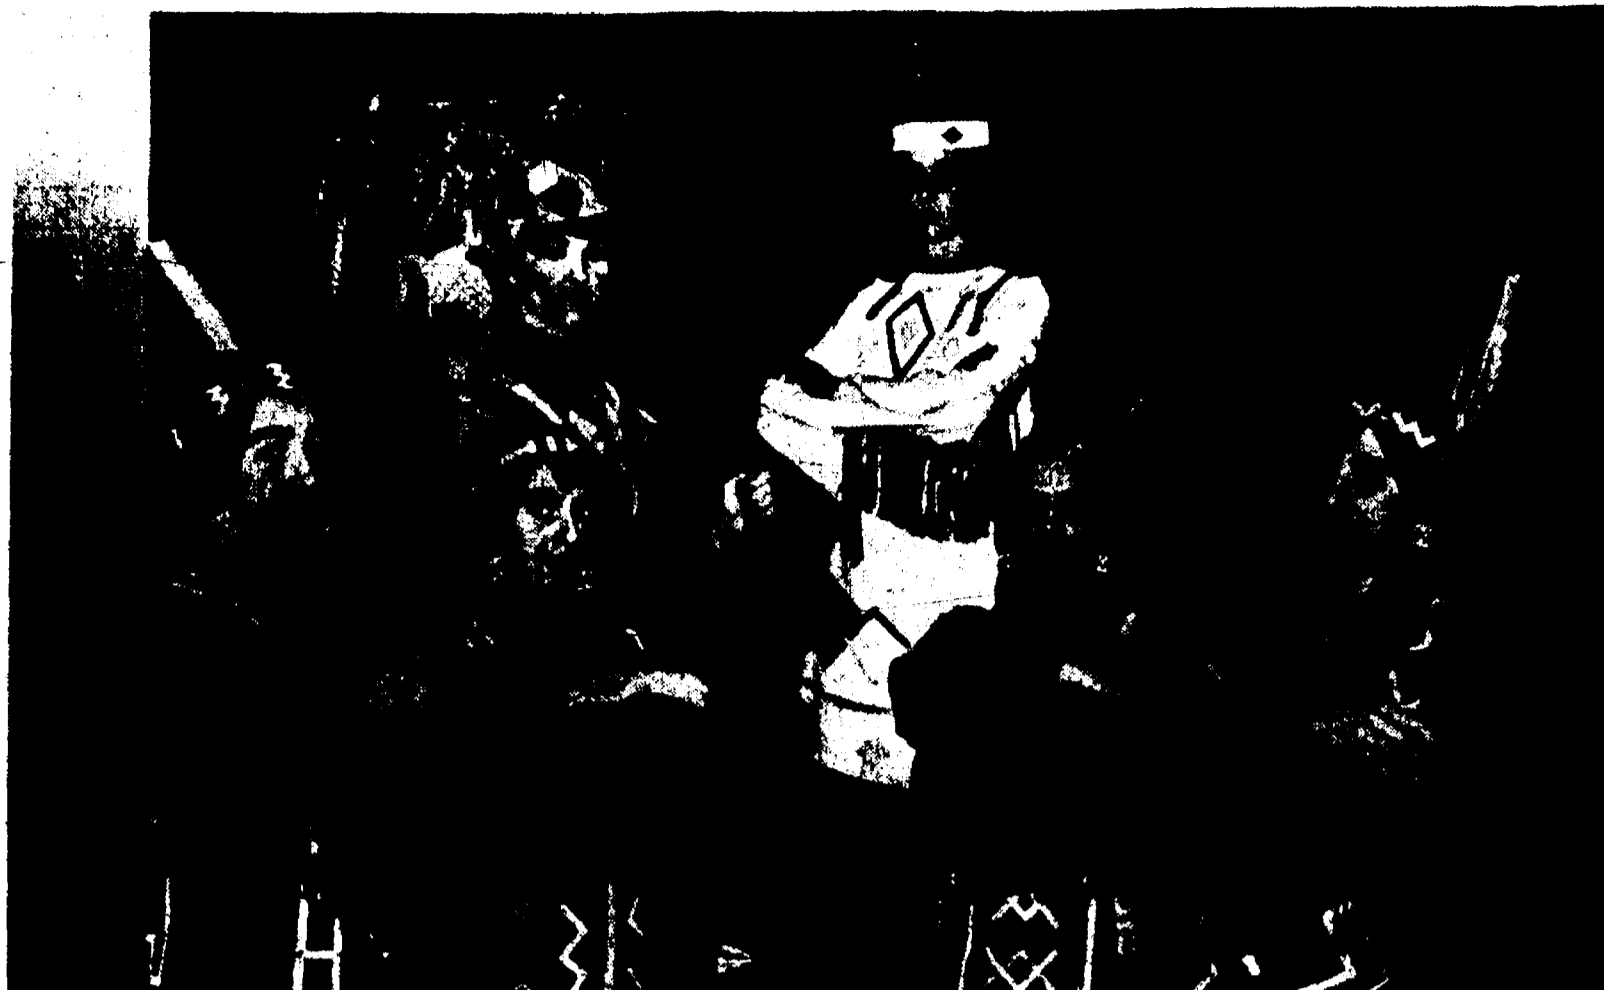

band, currently consisting of 20 members, into a group of its own, not just a class.

Last year the Fife and Drum Corps traveled over 3,500 miles. Its first performance was at Battleground, Indiana, at a rally for Old Tippecanoe and the William Henry Harrison celebration of his 1840 election. Next, they travelled to Connecticut to participate in the Deep River Muster. A muster is a gathering of fife and drum corps for other than competition. In September of last year, the corps journeyed to Washington, D.C. to join in the annual U.S. Army Muster. They also perform in local parades and other social events.

The uniforms worn by the group are also unique in the fact that they are fashioned after sailors' dress dating to the early 1800s. The uniforms, made by the members of the group, were designed in this fashion because of the fact that Michigan benefited by the War of 1812 which opened the area to shipping, and settlements in Plymouth. Mr. Petty says he eventually hopes to switch to colonial uniforms because of the colonial image of Plymouth. We are delighted to welcome to our community a group so rich in colonial heritage.

Peter Pan and Tiger Lily make plans with Indian Braves for the AAUW presentation. Photo by Bruce Phillips

Peter Pan Is Here!

Hundreds of Plymouth area children spent a wonderful hour in "Neverland" last weekend with childhood's most lovable "lost boy," Peter Pan, his elfin companion Tinkerbell, the fierce and crafty Captain Hook, the Darling children, and their floppy-eared nursemaid Nana.

The fairy tale classic, with all its fun and fierce, flying and fighting characters, came to life for the youngsters Friday and Saturday as the Plymouth branch of the American Association of University Women presented their 14th annual children's play in the Plymouth-Salem High School Auditorium. Four highly-successful performances were staged to sell-out audiences. After each performance, children in the audience were able to meet and talk with their favorite characters... Pan even sprinkled a lucky few with fairy dust.

A special benefit performance was also presented on February 21, for children from Our Lady of Providence, Wayne County Child Development Center, Plymouth State Home and Hawthorne Center.

Individual AAUW members donated over 100 "angel tickets," which were distributed by local school principals to children who might not otherwise have been able to attend.

The five-scene production, staged entirely by AAUW members, will be presented again on Saturday, March 9, in the Northville High School Auditorium, in Northville. Three performances will be held, at 10 a.m., 1 p.m. and 3 p.m.

Tickets for the Northville engagements, priced at 60 cents each, will be available after March 1, at Del's Shoe Store, 153 E. Main St., in Northville. Telephone ticket sales will be handled by Nanci Olgren, 349-6432.

The Plymouth AAUW began presenting children's plays fourteen years ago in an effort to give young children the opportunity to see and enjoy live theatre. The group uses professional scripts, averaging

one hour in length, and aimed at a three- to- ten- year- old audience.

According to the play's director, Joan Davis, "Peter Pan" has the distinction of having the largest cast in AAUW children's theatre history. Heading the 33-member cast is Nancy Deck as Pan, Lois Andrés as Captain Hook, and Chris Timoshuk as Wendy. The rest of the Darling family includes Sharon Flowers and Joan Anderson as Mr. and Mrs. Darling; Sally Rowland as Michael; Linda Willing as John; and Joyce Reefer as Nana.

Other cast members include: Meredith Girard, Emily Kemnitz, Linda Gratsch, Maureen Krause, Janet Cunningham, Marilyn Robison, Doris Balconi, Margo Panko, Bonnie Graham, Marilyn Dwyer, Karen Mirto, Ruth Burr, Ruth Davis, Peggy Fisher, Alice Chrenko, Diane Amos, Marilyn Karl, Donna Domalske, Janet Malmer, Sue Silletti, Coralyn Riley, Edna Fleming, and Jane Sparks.

Assisting Mrs. Davis as stage manager and choreographer is Mary Uhl. Other committee chairmen include: Lynn Culotta, business manager; Launa Badendieck, house manager; Jan Carney, Judy Morgan, Ruth Clemens, Janet Malmer, Nanci Olgren, and Penny Nuechterlein, tickets; Launa Wakenhut, publicity; Klo Phillippi, posters; Jackie Bindei and Penny Nuechterlein, luncheon; Marilyn Dwyer, set design; Sue Silletti, set construction; Rita Heaven, costumes; Sharon Belobraidich, music; Diane Amos, flutist; Emily Kemnitz, properties; Gail Herring, make-up; Mimi Settles, lighting; Donna Domalske, sound effects; Rita McClumpha, prompter; and Sue Blake, ushers.

Proceeds from the play are used to support local undergraduate scholarships at Schoolcraft Community College and the University of Michigan's Center for Continuing Education, as well as national and international graduate fellowships.

DURACLEAN SPENCER CO.
459-9110

by Lynne Warshauer

I've decided that I am a could-be, would-be athlete. After being fairly coordinated at ballet and fairly clumsy at sports I decided to try tennis. Like a lot of people, I have been bitten by the tennis bug.

It took eleven years of marriage to a tennis buff (a fairly good player too) to muster all the courage I could find. Disregarding much criticism I took my five dollar racquet and torn gym shoes and enrolled in a "Beginner's Clinic."

This all started in the fall of '72 at one of the local indoor tennis emporiums. I have now progressed (there's hope) to an "Advanced Intermediate" clinic. Yes - I've become a clinic addict. I dread the day when I no longer have someone praising my good shots or correcting all my bad ones - for fear that all my new knowledge will go down the drain. The old racquet has been replaced by a super metal job, and the old gym shoes for leather tennis shoes. I don't know if all the accoutrements help, but since my playing has improved, I didn't want to be embarrassed by faulty equipment. Besides, people were tired of my blaming missed shots on my junky racquet.

All is not fun and games, though. I'm suffering the consequences - both physically and mentally. I've developed a new ailment - tennis knee! Try walking downstairs when your knees feel like two rocks trying to start a forest fire. A simple plié has become a major challenge to my knees.

I used to be an extremely non-competitive pacifist type - not any longer. I'm learning to be aggressive. After all, one gets tired of losing all the time.

My self-image was really deflated this past week. The Virginia Slims Tennis Tournament was held in Detroit. I had the privilege of watching some of the pros practice during the week. Unfortunately, I found myself playing my usual weekly game on a court next to the ones the pros were practicing on. It is really embarrassing to feel that the professional's eyes are on you (their concentration is so great, I'm sure they didn't even know I was there). Watching them didn't seem to improve our game - as we were too busy concentrating on their fantastic playing.

I was tempted to ask one if they wanted to warm up with me - but I chickened out when I found it difficult getting the ball over the net.

Sunday's finals at Cobo Hall were the piece-de-resistance - the gals played magnificently

watching them. Fortunately - I'm happy being the kind of tennis player I am. After all, I can say, "Anyone for doubles?" and win or lose, have fun playing. Can you imagine Billy Jean King or Rosemary Casals asking you to play - just for fun? When they want fun, they play golf.

By the way - I wonder how I can improve my 104 bowling average - after all, I've been on a league for four years.

How's your game?

Wine Tasting Party

The Welcome Wagon Club of Plymouth hosted a wine and cheese tasting party Saturday night at the Plymouth Community Cultural Center. Thanks to Mike Firoz from the Wine Cove in Wyandotte, all had an enjoyable and tasty evening. Mr. Firoz commented on each of the wines tasted and answered all questions. The evening was a huge success. Thanks also goes to Audrey Stump, Social Chairman, who made it all possible.

The wine and cheese tasting party is to become an annual event of the Welcome Wagon Club. Any gals new to the Plymouth - Canton area are welcome to join the club. For information write Mrs. James Betzhold, 43576 Hanford Road, or Mrs. James Mayor, 11491 Cedar.

Senior Adult Forum

The Schoolcraft College Senior Adult Affairs Program will present a Forum on Aging on March 6.

To be held in the Waterman Center, the program will consist of approximately 12 segments, each 40 minutes in length. Activities will start ten minutes after every hour starting at 9:10 a.m. and continuing until 8:50 p.m. Besides students and older adults, any others interested in the aged and the aging process are invited to attend at any time during the day. There is no charge for participation.

The Forum is designed to help people better understand the life styles of senior adults. The varied program will include the following: A film entitled "When Parents Grow Old," which is an excerpt from "I Never Sang For My Father," a video tape on the subject of "Aging, Death, and After-Life in Afro-Asia," a guest speaker, Dr. Walter Moss, director of the Southeastern Michigan Consortium on Gerontology and the Humanities; panels and discussion groups.

The Forum will provide an exchange of ideas and concerns as well as opportunities for dialogue and communication between young and old. It hopes to promote cooperative efforts between the ages on matters of interest to both and facilitate mutual understanding and respect.

For further information call the Senior Adult Affairs Program at 591-6400, extension 224. The campus is located at 18600 Haggerty Road in Livonia.

Church Offers Lent Program

The First Presbyterian Church of Plymouth is offering "Lenten Discovery Time" each Sunday evening in March. There will be a potluck dinner at 5:30 p.m. Dr. Richard Dunkelberger, retired minister of Rosedale Gardens Presbyterian Church, will lead the adults in a presentation on the book "Making Men Whole," by J. B. Phillips.

This will be followed by small group discussions. There will be biblically oriented programs for the children including a ventriloquist, magician, story tellers and puppeteers. Nursery care for pre-schoolers will be provided.

Youth Symphony to Perform

Youth Symphony: On March 5, 1974 the Plymouth Youth Symphony will be performing at Plymouth Salem High School. The Youth Symphony was organized in 1968 and is completely self-supporting. It consists of 62 members ranging from seventh grade thru 12th grade. Ninety percent of the performers are from Plymouth. The symphony practices two-hours a week at Salem High and they give three concerts a year. The March 5th Concert will begin at 8:00. A donation to the Youth Symphony pays for admission.

Little Caesar's franchisee Jim Somers, 1440 Sheldon Road, finds himself at the mercy of Sue Jarvis, seven, and Bradley Briggs, six, of the Smith Elementary School in Plymouth. Jim offered the youngsters some of Little Caesar's deep-dish gourmet square-shooter pizza.

W.S.P.D. Schedule

On Wednesday February 27, and on Thursday February 28, 1974 the Radio Station WSDP (89.3) will broadcast a one to one interview show with the chairman of the North Central Accordation team who visited the Centennial Park this past week. The show will deal with such things as how a N.C.A. Team is picked and how N.C.A. operates. Your host for this program is Paul Sincock. The show will be broadcast on Wednesday at 4 p.m. and on Thursday at 10:30 a.m.

On Friday, March 1, 1974 WSDP will broadcast an interview show with Elliot Trumbell of the Detroit Lions. Mr. Trumbell is the Public Relations Director for the Lions. In this show we will talk about the N.F.L. Players Strike, Prospects for the Coming Season, the N.F.L. Draft and other football topics. This show will be broadcast at 4 p.m. on Friday. Your hosts for this show are: Bill Collins and Mark Klucka.

WSDP is (89.3 FM) owned and operated by the Plymouth Community School District.

"America" Series to be Presented

Alistair Cooke's "America" series, a 13 part filmed panorama of American life from the early 16th Century to the present, will be shown at the Dunning Hough Library on Monday nights beginning on March 4.

First televised in 1972, the widely heralded "America" series is the winner of four Emmy awards and has been acclaimed by Newsweek as the "first, and perhaps the finest gift to the nation for its two-hundredth birthday." It is richly embellished with anecdotes and narrated in conversational form by journalist Alistair Cooke, commentator of television's Masterpiece Theatre and the urbane host of the "Omnibus" program of the 1950's.

Free of charge, the series will be shown on the library's second floor; the general public is invited to attend.

Interested individuals may see all or any of the films they are

able to attend, including just one film for an evening.

FILM SCHEDULE

- March 4 -
7 p.m. "New Found Land" - One of the last of the untamed continents is explored and settled by the Spanish, the French, and finally taken over by the British.
- 8 p.m. "Home from Home" - The Puritans, Pilgrims and Quakers struggle with the rocky North, while a landed gentry evolves a kind of feudal system in the South, and thus a conflict of values is begun.
- March 11 -
7 p.m. "Making a Revolution" - The colonists become dissatisfied with English rule; leaders as Washington and Jefferson emerge, and the nation turns to armed warfare.
- 8 p.m. "Inventing a Nation" - The art of compromise gives birth to the Constitution, a visit to Monticello gives insight into the mind which created

the Bill of Rights, and the nation presses westward, following the lead of Daniel Boone.

March 18 -
7 p.m. "Gone West" - Lewis and Clarke are sent on a mission to the Pacific and white settlers push whole Indian nations west of the Mississippi. The Gold Rush begins and California is the destination of thousands of '49ers in wagon trains.

8 p.m. "Firebell in the Night" - Cooke explains conflicts that are still unresolved, stemming from the Civil War and deep racial wounds.

March 25 -
7 p.m. "Domesticating a Wilderness" - The West is settled by ranchers, homesteaders and Mormons, while the Indians' last desperate struggles explode in the Custer Massacre

and the Battle of Wounded Knee, the prelude to the present poverty of today's reservation Indians.

8 p.m. "The Huddled Masses" - Turn of the century immigration scenes picture Ellis Island and garment factory sweatshops in contrast to the wealthy tycoons who became rich at the newcomers' expense.

April 1 -
7 p.m. "Money on the Land" - Turn of the century industrialists and early inventors like Edison find methods of making mass production pay off; the big financiers move in and the nation shifts its center from rural countryside to the cities.

8 p.m. "The Promise Fulfilled and the Promise Broken" - A view of the roaring '20's and

the impact of the Model-T Ford is shown followed by the advent of the Great Depression.

April 8 -
7 p.m. "Arsenal" - From Williamsburg to World War II and the current arms race, Cooke traces what he observes as the "American way of war."

8 p.m. "First Impact" - a personal memoir by Englishman Cooke on his fascination with America, and the things that made him want to stay - all the way from New Orleans jazz to H. L. Mencken.

April 15 -
7 p.m. "The More Abundant Life" - a summary of the country's future and present which asks the question of what has been fulfilled and what betrayed in light of the American experience.
