Study Indicates Business Boost

A recent study done for the Plymouth - Canton Development Commission, by Michigan Universities Consulting Service, indicates that in Plymouth and Plymouth Township alone, business and industry may be suffering a penalty on the order of \$100,000 per year because the areas are not in the Detroit Commercial Zone.

This penalty, the study maintains, is due in part to differences in freight rates, but also due to delays while waiting for shipments to be reloaded in Detroit for delivery by one of the seven intrastate trucking companies authorized to serve Plymouth.

By contrast, at least 50, and as many as 400, additional truck operators could compete for service if Plymouth were in the Detroit Commercial Zone.

For the past 12 years, businessmen in the Plymouth area have been trying to get the Michigan State Legislature and the Michigan Public Service Commission to extend the Detroit Commercial Zone for truck freight to include the Plymouth area communities.

At the forefront of these efforts is the Plymouth - Canton Development Commission. Its goal is to attract and hold business and industry as a tax-base for support of the Plymouth Consolidated School District.

The commission asserts that the more the schools can be supported by taxes on new business, the less they may be supported by taxes on homes, apartments, trailer parks, and existing firms.

Based on estimates by industrial park developers, in conjunction with the Development Commission, at least five major firms with an average plant investment of

\$400,000 or more might have located here by 1968. Their decision to locate elsewhere, the commission maintains, was strongly influenced by being outside the Detroit freight zone.

Real estate land improvement and personal property taxes over the five year period would have yielded an additional \$200,000 in local taxes. Many of the parcels have since been sold, but for the construction of smaller plants yielding less tax revenue.

Efforts to get Plymouth and Canton into the zone by legislative change have been complicated by effects on other suburbs and opposition by the intrastate truckers.

Consolidation would bring the present City and Township of Plymouth into the zone because of a provision in the present law. If any part of a municipality is within eight miles of the Detroit city limits, then all of it is within the commercial zone.

Part of the northeast corner of Plymouth Township is within the eight-mile limit. However, under Michigan law, a township is not considered a municipality. But the single city which would result from consolidation would be a municipality and all of it would be in the zone automatically.

The study indicated that the economic benefits would be: reduced cost to business, more rapid sale of real estate in the industrial parks, more jobs, and reduced taxes on residents of both the existing City and Township areas.

According to the commission, these economic factors were important enough to have made inclusion in the Detroit Commercial zone a major consideration in the incorporations of Sterling Heights, Romulus, Woodhaven, and other Detroit suburbs.

Plymouth community residents enjoyed the various art displays at Colony Farms last Saturday and Sunday, April 20 and 21.

Gallerie 12 Exhibit a Success

by Robert Nicora

"We didn't exactly have a land office sales day, but as far as being a prestige exhibit, it was a success," stated artist Joyce Hood as she evaluated the success of the Gallerie 12 art exhibit, that took place last Saturday the 20th and Sunday the 21st.

The exhibit, given at the Colony Farms subdivision and condominiums meeting house, was the first of the spring season.

The combination of fine art and sunshine brought more than 200 people to see the display.

Virtually every type of artwork was shown at the exhibit, with Ms. Hood showing her "unusual techniques" in acrylics, Alice Nichols in oil

painting, Al Decker and David McIntyre in water colors, and Caroline Dunphy showing both water colors and oils.

Works were also displayed by Louise Noakes, photography; Bob Kaufman, jewelry and woodcuts; Ed Donahue, serigraphs; John Groot, hand made pewter; Bill Delter, metal sculpture; Charles Haubrich, wire sculpture, and Virginia Barc pottery.

Due to the success of last weekend's exhibit Ms. Hood and the Gallerie 12 group hope to make the Colony Farms meeting house their summer gallery. The group has tentatively scheduled several more exhibits for the spring, and the first summer show will occur sometime in June.

Plymouth Police Chief

The residential burglar is an opportunist. He wants to gain entry quickly, quietly without being seen and with as little effort as possible. The burglar-proof house has not yet been designed. However it is possible to take some simple precautionary measures which will make the burglar's task as difficult and frustrating as possible. Most dwelling burglaries occur during the daytime or early evening hours. Apartments are particularly susceptible during this time. Burglars can listen at the various doors to determine whether or not the occupant is home. Where the home is the target, the burglar looks for several things which would indicate the

owner's absence. Remember, delay of a potential burglar in gaining entry increases the chances of his being apprehended. So place as many obstacles between him and his goal as possible.

Whether your absence is to be of long or short duration matters little to the burglar. He can enter and ransack your home in minutes. He is aware of the weak points in house security and generally, he knows exactly where to look for valuables. If he has trouble getting into your home he will go elsewhere. Your first step in home security is to give your residence an "at home" appearance at all times.

Citizens Foil Robbery

by Robert Nicora

Two citizens thwarted an attempted robbery at the Plaza Bowl on Ann Arbor Road and General Drive, Thursday afternoon, April 18th.

According to Trooper Norm Maxwell who, along with Trooper David Gentry and Trooper Dick Rosen, made the arrest, Robert Hooten and Joseph Barbee captured Johnny Holland of San Francisco, California as he attempted to escape from the bowling alley with \$688.

Trooper Maxwell stated, "The subject was approached by the owner of the bowling alley, Frank Mocer, who asked him what he was doing in the office. Holland said he was looking for a telephone book to look up a number.

"Mocer looked down," Maxwell explained, "and noticed the money was gone from the safe. The guy started to run, and Mocer called out to three or four other people who were in the general vicinity, 'Help, I've been robbed.'

"Mocer grabbed Holland as he ran from the building, and Holland sprayed Mocer with a mace-like substance.

"Two other men," Maxwell continued, "Mr. Hooten and Mr. Barbee, who were in the building, chased the subject outside and grabbed hold of him, and a 25 calibre automatic pistol fell from his pocket. They held him until we arrived, a few seconds later, and made the arrest."

Trooper Maxwell said that the 25 year old Holland, alias Chester E. McCracken, is also wanted by the F.B.I. for unlawful flight, as well as being wanted in Topeka, Kansas and Oklahoma City, Oklahoma.

District Court Judge, Dunbar Davis, ordered Holland jailed until the preliminary examination on April 29th. Holland is charged with two counts of larceny in a building, and possession of stolen credit cards. Bail was set at \$15,000.

Democratic Club Asks Groups for Candidates

The Democratic Club of Canton, has sent letters to all civic organizations in the township requesting assistance in selecting a slate of candidates for the upcoming August 6 primary election in Canton Township.

The letter, which is signed by Democratic Club President Bob Greenstein, asks the civic groups to submit the names of qualified candidates for any of the positions of supervisor, clerk, treasurer and two trustee posts that are up for election.

"It is extremely important that the Democratic Club choose a slate of candidates which is representative of all of the people of our township so that we may present a united front at the primary and subsequent November election," Greenstein said.

"This is the reason we are seeking the help of the many concerned civic groups in the township," he added.

"While the methods and procedures of the many township organizations are varied, I believe the goal of nominating a truly representative government for the township is shared by every group and every citizen in Canton," Greenstein stated.

The letter explains that the Democratic Club will consider all suggestions and that the organization's Board of Directors will meet with any interested group to discuss candidate recommendations.

Greenstein said that township residents not affiliated with any group also are welcome to submit recommendations. Suggestions should be sent to Democratic Club of Canton, Box 1, Canton Township, Michigan 48170.

Among the groups receiving letters were: Windsor Park, Northwest Canton Homeowners, Carriage Hills, Pickwick Village, Canton Newcomers Club, League of Women Voters, Canton Chamber of Commerce, Canton Jaycees and the Michigan Mobile Homeowners.

The Democratic Club will present its slate at its first large-scale public meeting set for mid-May.

Accident Fatal

Krista Jean Merritt of 6625 Napier, was fatally injured Saturday night, April 20, in an auto accident on Ann Arbor Road.

Ms. Merritt was heading west on Ann Arbor Road when two wheels of her car went off the road. Her car overturned when she could not get the wheels back on the road. Police said that the car was traveling at about 55 miles per hour.

Planning Commission Approves Site Plan

by Robert Nicora

The Plymouth Township Planning Commission, during its regularly scheduled meeting Wednesday, April 17th, gave conditional approval to the site plan for a new apartment complex, and set the date for a public hearing on a request to have 80 acres of property at the intersection of Joy and McClumpha Roads rezoned.

The site plan was submitted for approval by contractor Melvin M. Kaftan. The plan described the design and specifications of the proposed complex, the Carriage Hill Apartments.

If approved, the apartments will be located at the east side of Haggerty Road, between Joy and Newport Drive.

In granting conditional approval, the Plymouth Township Planning Commission designated certain changes to be made on the site plan. Among the changes indicated are: reduction of the size of the sign at the entrance to the complex, increasing the size of the sidewalk surrounding the complex, and certain modifications of the complex's funding plan.

Final approval of the site plan is contingent upon the implementation of the recommended changes. Kaftan stated that a new site plan, with changes, would present no

problem, and would be completed shortly.

The Planning Commission, Wednesday, set a date of June 19th for a public hearing on the proposed rezoning of 40 acres on the northeast corner, and 40 acres on the northwest corner of Joy Road and McClumpha Road.

The request, made by the Macomb Corporation, proposes that the two pieces of property be rezoned from R-1-H to R-1-S.

After receiving the application for rezoning from Macomb's representative Robert Brody, the commission concluded that it did not have enough information to make a recommendation, and a public hearing would have to be conducted.

The Plymouth Township Planning Commission also tabled, for 30 days, a site plan application submitted by the Plymouth Multiple Partners.

The site plan concerns a proposed addition to a project on the south side of Ann Arbor Road, west of Sheldon.

The decision to table the item was made after Partner's representative, John Boyce, informed the commission that his brother was the person best acquainted with the facts surrounding the proposed addition, but he was unable to appear before the commission because he was out of town.

Some of the more basic indications of an unoccupied dwelling that a burglar looks for, and recommendations on how to remove these signs will be featured during the following weeks. Following a few simple, common sense rules may save you countless dollars.

WHAT TO DO IN THE EVENT OF A BURGLARY:

If you discover your home broken into, DO NOT ENTER. Call the police immediately (453-8600). Remember - a trapped burglar is

DANGEROUS. Protect the scene. Vital evidence may be destroyed needlessly. Avoid handling any articles which may have fingerprints on them, including papers. Provide the police with an itemized, detailed list of the stolen property including any identifying marks. If the burglar is caught, do not hesitate to testify against him, otherwise he may not be convicted.

NEXT WEEK: How a potential burglar tells you are absent from home and how you can fool him.

The Plymouth Childbirth Education Association will sponsor a series of Lamaze Childbirth classes which meet at 7:30 p.m. once a week at the following locations: St. John Episcopal Church, 555 S. Wayne Rd., Westland, Wednesday, May 1; Plymouth High East, 1042 S. Mill St., Plymouth, Tuesday, May 14; Garden City Hospital, 6245 Inkster Road, Monday, May 27.

Husbands are urged to attend, but it is not necessary. For further information contact Mrs. Doris Cross, 371 Blunk, Plymouth, 455-7750 or write Box 311, Plymouth, Michigan 48170.

Crissey

Benefits

by Dennis O'Connor

Two benefit shows will be presented this week for Joe Crissey.

The Plymouth Theatre Guild's donation to Joe will be all the proceeds from their latest presentation, "Seven Nuns at Las Vegas." This comedy will be shown tomorrow, Friday and Saturday nights at 8:00 p.m. in the Central Middle School Auditorium. Tickets are \$2.50 adults, \$2.00 children.

A talent show organized by Mike Telekesy will take place this Friday, April 26, at the Plymouth - Salem auditorium. Tickets are available at the junior and senior high schools. Donations for the 7:30 p.m. performance are \$1.50, with all the money going to Joey.

Dancing Classes

New classes in belly dancing, sponsored by the Plymouth Department of Parks and Recreation, will start on Wednesday, May 1, at the Plymouth Cultural Center, 525 Farmer Street.

To register, contact the Recreation Office, 525 Farmer.

New Jaycee Officers

At their general membership meeting on April 15, 1974, the Canton Township Jaycees elected officers for the coming '74-'75 fiscal year beginning June 1, 1974.

Don Golec, a third year member, was elected President in close contest with Dale Houghton.

Other officers elected were: Joe Monte, Vice-President of Internal Affairs; Phil Melache, Vice-President External Affairs; Marty Sommers, Secretary, and Don Shilling, Treasurer.

Directors at Large were: Alan Prince, Dale Houghton, Doug Ritter, Frank Hlavin, Drew Rentz.

In addition to the local elections the chapter was awarded the Region "K" Growth Award for achieving 89% growth in the past year. The Chapter also received a certificate for "Project of the Quarter" for the spring fair which was held for the children at Plymouth Child Development Center in Plymouth, Michigan.

Earth Week began in 1970, as a week of observance and protection of the environment. In its first year, concerned groups launched projects, and programs to familiarize people with Earth Week, and the basic environmental problems the country was faced with.

The week was planned and promoted well. The idea skyrocketed across the nation. Colleges, garden clubs, and consumer groups became involved.

Legislation was passed which tightened air, water, and waste pollution standards.

After the first Earth Week, it was to have become an annual event, across the nation; a time when people became involved in the protection of natural resources.

In a period when our resources are becoming more scarce, in a period when gas sells for 60 cents a gallon, and in a period when it's hard to sit near Wilcox Lake because of the smell, we

CRIER'S LITE

need more Earth Weeks.

This year Earth Week, 1974 began on April 15th. Not many people participated, because only a few knew; because only a concerned few are still involved.

Earth Week 1974 has slowly passed, and with its passing we lost something very valuable, and very much in need when it comes to preserving natural resources - TIMH!

Both teams have good chances of finishing tops in their leagues. We hope you might begin to cover their meets to encourage support in all areas of athletics. Thank you.

From the editor:

Letters of criticism, and suggestions are appreciated by the editorial staff of this newspaper. As stressed in the editorial of our first publication, A HOMETOWN NEWSPAPER MUST SERVE ITS COMMUNITY WELL. THIS IS OUR GOAL. WE ENCOURAGE THE PEOPLE OF THIS COMMUNITY TO PARTICIPATE IN THIS PAPER. LOCAL PEOPLE MAKE LOCAL NEWS. LET US KNOW WHAT YOU LIKE, AND DISLIKE ABOUT THE CRIER. I would like to extend my most sincere thanks to the girls of the Plymouth High School athletic teams, for taking the time, to make a suggestion that will make the Crier a better publication.

J. F. Foley, III

To the Editor

Dear Editor,

How do you thank over 1,500 people who participated in the Walk for Joey Walkathon and helped raise over \$4,000 for Joey Crissey? Believe me, I don't know where to start.

From Julie Bonar who walked five miles for \$1.00 to Bob Catalano from WSDS radio who walked for \$635.00 go our sincere thanks.

To the Plymouth Metropolitan Club which pledged \$250 to Cynthia Rodman who pledged 106 again, we offer our thanks.

To the sponsors from Plymouth, Ann Arbor, Holland, Jackson, Saline, Northville, Detroit, Livonia, Farmington, Westland, and even Ohio and Florida, we give thanks.

I wish everyone could be thanked individually, but I'm afraid that wouldn't be possible. I guess we'll all just wait to

receive the best thanks possible - our best Joey.

Sincerely,
Frederick W. Hill,
President

Plymouth Community Chamber of Commerce

Dear Editor:

We are members of the girls' athletic teams at Plymouth High School. It depresses us to see how the boys' sports teams monopolize press coverage. In your Plymouth Crier we have had one article concerning a volleyball match. We had a promising team and both varsity and JV finished second in the Suburban Eight League.

We feel girls' sports should be equally represented in your paper. We are hard working students and deserve recognition. We have a track team at Salem coached by Mr. Thomann and Canton has a girls' track team coached by Mrs. Buie.

Congressional Resolution

Whereas, it is the duty of nations, as well as of men to owe their dependence upon the overruling power of God, to confess their sins and transgressions, in humble sorrow, yet with assured hope that genuine repentance will lead to mercy and pardon, and to recognize the sublime truth, announced in the Holy Scriptures and proven by all history, that those nations are blessed whose God is Lord; and

Whereas, we know that we have been the recipients of the choicest bounties of Heaven; we have been preserved these many years in peace and prosperity; we have grown in numbers, wealth and power as no other nation has ever grown; but we have forgotten God; and

Whereas, we have forgotten the gracious hand which preserved us in peace, and multiplied and enriched us; and we have vainly imagined, in the deceitfulness of our hearts, that all these blessings were produced by some superior wisdom and virtue of our own; and

Whereas, intoxicated with unbroken success, we have become too self-sufficient to feel the necessity of redeeming and preserving grace, too proud to pray to the God that made us; and

Whereas, we have made such an idol out of our pursuit of "national security" that we have forgotten that only God can be the ultimate guardian of our true livelihood and safety; and

Whereas, we have failed to respond, personally and collectively, with sacrifice and uncompromised commitment to the unmet needs of our fellowman, both at home and abroad; as a people, we have become so absorbed with the selfish pursuits of pleasure and profit that we have blinded ourselves to God's standard of justice and righteousness for this society; and

Whereas, it therefore behooves us to humble ourselves before Almighty God, to confess our national sins, and to pray for clemency and forgiveness: Now, therefore be it

Resolved by the Senate and House of Representatives of the United States of America in Congress Assembled, that the Congress hereby proclaims that April 30, 1974 be a National Day of Humiliation, Fasting and Prayer; and calls upon the people of our nation to humble ourselves as we see fit, before our Creator to acknowledge our final dependence upon Him and to repent of our national sins.

Whereas, the Congress of the United States of America has proclaimed April 30, 1974, as a day of Humiliation, Fasting and Prayer; and

Whereas, it has been requested that April 30, 1974, be set aside as a day of Humiliation, Fasting and Prayer in the City of Plymouth;

Now, Therefore Be It Resolved, that the Plymouth City Commission, in keeping with the spirit and intent of the actions of Congress, does hereby proclaim April 30, 1974, as a day of Humiliation, Fasting and Prayer in the City of Plymouth, Michigan.

Adopted April 15, 1974, as above.

Schoolcraft Summer Music School

Schoolcraft College's eighth annual summer music school will be held from July 1 through July 25, and admission auditions have been tentatively scheduled for May 11 and 25.

The summer program is headed by Richard T. Saunders, Schoolcraft's director of fine arts. The music faculty consists of fifteen well-known professional musicians, ten of whom are members of the Detroit Symphony Orchestra.

The Summer Music School is for talented college, senior high school and exceptional junior high school musicians who will experience outstanding instruction as well as the opportunity to perform in a variety of concerts. They are instructed in chamber music, orchestral performance, and in music history and theory.

This summer the student orchestra will study and perform such works as Dvorak's New World Symphony, Orchestra Suites by J. Bach, Handel's Watermusic Suite, Death and Transfiguration by Strauss and Haydn's Symphony No. 104.

Student concerts will be presented on July 18 and 25, and chamber music programs have been scheduled for Thursday mornings and the evening of July 24. There will also be an opportunity for an outstanding student soloist to perform on the final orchestra concert of the season.

Applicants should send a copy of a recently completed composition or one upon which they currently may be working to Mr. Jones at Schoolcraft College. They may have an opportunity of hearing their composition performed during the session.

Persons wishing information about other aspects of the program should contact Mr. Saunders at 591-6400, extension 342.

Wedding

Mr. and Mrs. Gerald Hill.

On Saturday, March 9 at the First Baptist Church, Susan Slaughter, daughter of Mr. and Mrs. Carl L. Peatee was joined in marriage to Gerald R. Hill, son of Mr. and Mrs. Amos Moore; the Rev. Paul Thompson officiated at the 6:30 p.m. ceremony. The bride was attractively attired in a southern style gown of ivory lace, with matching train, long ivory lace veil, and carried an arrangement of pink and red sweetheart roses and baby's breath. Matron of Honor, Kimmie Rayner, four bridesmaids and flower girl, Rhonda Slaughter, all wore long gowns of baby blue with contrasting jackets; wide-brimmed hats and bouquets of blue carnations and baby's breath accented their costumes.

Following the ceremony a reception was held at the VFW Hall in Plymouth. The groom attended Schoolcraft College and his bride is a graduate of

Canton High School. Following a wedding trip to Virginia Beach and the Poconos, the happy couple will meet their friends at 12851 Heritage Drive.

Women's Seminars

A series of workshops and seminars on practical skills for women have been scheduled beginning April 30 at Schoolcraft College.

Persons wishing to register for any session in this series should call the Women's Continuum Program at 591-6400, Ext. 217.

German Club for Plymouth

by John Foley

On Tuesday, April 16th, THE PLYMOUTH GERMAN GEMUTLICHKEITS CLUB held its first election meeting at the Plymouth Cultural Center. The club is now officially underway. Its elected officials, President Tim Schelling, Vice Pres. Bob Fitzner, Treas. Alex Schneider and Sec. Edith Scherer will have a busy year ahead as the club was formed just three weeks ago. Roger Feller and Rudolph Koppen will join the elected officers to form the six person board of directors.

The club has 25 active members, but this is expected to grow rapidly because of the club's purpose, which is to further, and preserve German-American culture in this area.

All interested persons are invited to attend the meetings, held every Tuesday night at 8:00, at the Cultural Center. No qualifications are needed to join, and persons from Northville, Canton, Livonia and Plymouth, who are looking for fun on Tuesday nights, are encouraged to attend.

Tentative plans are now being made for a German Festival to be held in the near future.

The Crier would like to take this opportunity to welcome The Gemutlichkeits Club to its long list of clubs that function within this community. If it weren't for the clubs and activities sponsored by these clubs, the community wouldn't be what it is today. Good luck in your new venture.

Spring Clean-Up

The Plymouth Jaycees will hold their annual Spring Clean-Up of the Rouge River, Saturday, May 18. A five mile strip of the Rouge will be cleaned, between Phoenix and Haggerty roads.

The Jaycees need volunteers for the project - all interested citizens are invited to join in the clean-up. In addition to volunteers, the Jaycees need donations of refreshments, clean-up materials, garbage bags and any other items which would assist the volunteers.

The Red Cross will be available on May 18 to assist in the clean-up program. Headquarters for the project will be the Wilcox Pavillion at Edward Hines and Northville Roads. Volunteers may call the Jaycees to sign up or may simply come to the Pavillion on Saturday, between 8 and 9 a.m.

Volunteers are requested to call Carl Glass, 453-5323; Jerry Sommer, 453-5567; or John Stow, 455-1090.

Newcomers Meet

Mrs. Ann Ritchie of Ray Interiors, Farmington, will be the featured speaker at the May meeting of Plymouth Newcomers Club. The luncheon meeting is scheduled for 12 noon, Thursday, May 2, at Meadowbrook County Club, Eight Mile Road in Northville.

Reservations are being taken by Mrs. Jack Stone, 40908 Ivywood.

Mr. Sommerville's fifth grade class at Allen School raised \$65.00 for the Joe Crissey Fund through the sale of popcorn and Kool-aid this April 4. The kids sold popcorn for 10 cents and Kool-aid for five cents.

What's Up in the Garden? State Home Boys Enjoy Scouting

By Bill Saxton

Fertilizer shortages keep coming up in the news. What effect will this have on home lawns and gardens? In general most types of fertilizers used by home gardeners will be available at least early in the season. Farm grades are, and will continue to be, in very short supply. Dealers are on strict quotas with supply running 90% or less of last years usage.

Why a shortage? Price controls were imposed in 1971 at a time when supply exceeded demand and prices were quite low. Fertilizer companies had little incentive to increase capacity under price control. In 1972 and 1973 foreign demand increased and export prices were in some cases almost double what could be charged under price control.

Recently because exports threatened to take huge amounts of domestic supplies price controls were lifted. This action will help keep the needed supplies coming into the domestic market although at sharply higher prices.

Fertilizers should be used carefully in recommended

amounts. Too much is worse than none at all. Water is the cheapest fertilizer and will help get the maximum yields when used properly. It is recommended to supplement normal rainfall for a total of at least one inch a week.

Soil types will affect the rate of absorption. Water can be conserved by keeping the soil dry mulched by cultivating or by using mulches of marsh hay or humus from composting. Avoid mulches like grass clippings that tend to heat up when piled. The heat can damage plants and the soil bacteria involved rob the plants of available nitrogen.

The best check on the amount of water needed is to remove a spadeful of earth to 8 or 10 inches deep and observe. Moisture should penetrate 5 to 6 inches. Overwatering is wasteful, expensive, and damaging to the plant roots. Roots need oxygen as much as water and will suffocate when overwatered.

Efficient use of fertilizers combined with conservation of moisture will help control costs and still accomplish maximum yields.

by Jill Lawrence

Bill Baumgartner has had somewhere to go every Saturday morning for the past eight years.

At 10:00 a.m. he loads his station wagon with hats, boots, and gloves, and drives to Plymouth State Home where he leads a boy scout troop for retarded boys.

In 1964, the Plymouth Optimists' Club came up with the idea of starting a boy scout troop at Plymouth State Home. Bill Baumgartner headed the troop committee and eventually became scoutmaster himself. He is now assisted by his neighbor, Bob Dexter.

Most of the troop activities center around hikes on the grounds of the home, with a yearly camp-out. The Plymouth troop also participates in an annual jamobree, which involves eight or nine troops, held in Dexter.

Of the approximately fifteen boys who regularly participate in troop activities, Bill estimates that 40 percent are Mongoloid. The others have various handicaps resulting from rheumatic fever, strokes, encephalitis, and other diseases. All are capable of learning, but very slowly.

Boys from Plymouth State Home on one of their Saturday hikes.

The main problem with the boys in his troop, Bill has found, is that they talk very indistinctly. But he has learned to communicate with them, and works on teaching elementary skills: climbing fences, gathering wood for a fire, finding left, right, north, and south.

The boys also find it difficult to keep clothing together, "especially pairs," Bill laughs. So he brings along a supply of gloves and boots to distribute during the hikes. "That means a lot to

them," he explains, "having something of someone else's, something given to them."

"They're very affectionate," Bill comments, and looks to Bob for confirmation. He continues, "In fact, they're almost gregarious, and they're very uninhibited about it!"

The troop changes in size from time to time when members leave the home. They usually go to halfway houses, meaning private residences where they live while working in the area.

Schoolcraft Registration

Registration for the spring session at Schoolcraft College will be held on Monday, April 29, for both day and evening students. Classes begin the following day.

A.A.U.W. Holds Book Sale

by Launa Wakenhut

Books, books and more books — of every size, sort and substance — will be offered to area bargain hunters next month when the Plymouth branch of the American Association of University Women holds its 20th annual used book sale, May 2 through May 4, at Westland Center.

The sale, which will run from 9:30 a.m. to 9 p.m. Thursday through Saturday, will offer more than 15,000 top quality used books, all priced at only a fraction of their original cost.

According to sale chairman, Sheila Norgren, the number and selection of books available this year will be greater than ever. The reason for this, said Mrs. Norgren, is that for the first time, the AAUW sale will be held in conjunction with the bi-annual Wayne-Westland Jaycee Auxiliary book sale. Both Mrs. Norgren and Jaycette sale chairman, Carol Rosati, are hopeful that through this cooperative venture, their respective groups will be able to serve the reading public even more successfully.

In especially ample supply this year, according to the chairmen, will be quality fiction, recent paperbacks, mystery and science fiction, and complete sets of books — including the complete works of O. Henry and a 20-volume collection of Charles Dickens.

Children's books, always among the sale's most popular items, will feature an unusually fine selection of preschool books and children's classics, including six volumes of the original 1911 "Tom Swift" series.

Rare books, signed, first and limited editions, and collector's items dating from the late 1700's will be displayed on special tables and sold to the person submitting the highest written bid. Bid book selections will include: an original 1890 edition of Webster's Dictionary; Seymour Eaton's "Teddy B and Teddy G — The Roosevelt Bears," a delightfully illustrated volume of satirical and lyric poetry from the early 1900's; an 1882 edition of "Farm Ballads" by Will Carleton, and an antique 3"x7" edition of "National Home Cook Book."

Proceeds from the Jaycette sale will be donated to the Wayne-Westland YMCA. AAUW proceeds will be used to promote the education of women through local, national and international scholarships. National and international grants will be awarded through the AAUW Fellowship Foundation, while three local scholarships are sponsored through Schoolcraft Community College and the University of Michigan's Center for Continuing Education. All local grants are designated for area women working toward undergraduate degrees.

Salvation Army Shows Film

A special film will be shown in Plymouth about the Salvation Army's missionary work. The film is entitled, "The Angel With a Bushy Beard." It concerns a former major in the English army who was stationed in India for many years. After retiring from military service he felt he should join forces with The Salvation Army to help the many needy people he had seen

in his years of living there.

For the last 15 years, WITHOUT MISSING ONE DAY, he has run a feeding program for the starving people in one of the largest cities of India.

The film will be shown at The Salvation Army, 290 Fairground, on Wednesday evening, May 1, beginning at 7:30 p.m.

Plymouth Salem JV Rips Canton

By Dennis O'Connor

The Plymouth-Salem JV baseball team started their season last week on a winning note as they beat the Canton JV team 17-7 and 9-4 last Wednesday (April 17) and Friday (April 19) mornings.

These two wins, coupled with a 3-0 opening victory over Westland John Glenn (Monday, April 15) brings the Plymouth JV record up to 3-0.

Coach Brian Gilles' Rocks went on a hitting rampage in the first Canton game as they rapped out 17 hits to go along with the 17 runs.

Plymouth's third baseman, Howard Inch, led the hitting assault as he connected for three hits. Brian Wolcott, Dave Pierce, John DenHouter, John Riley, and Kevin Roberts added two hits apiece. Inch, Wolcott, and DenHouter combined for ten RBI's.

Steve Dugan and Steve McIntosh led the way for Canton as they collected two hits apiece.

Both teams scored two runs in the first inning with the aid of only one hit. Plymouth followed with three in the second inning only to see Canton come back with four runs of their own in the bottom half of the inning to make the score 6-5.

Plymouth then broke loose with five runs in the third inning and added seven more in the fifth to put the game out of Canton's reach.

John DenHouter picked up the win for Plymouth in relief of starter Mike Primeau. Perkins started for Canton and got the

loss. Steve Hanis relieved Perkins in the fifth.

Plymouth played errorless ball while Canton committed three miscues in the field.

A big four run fifth inning put the second Canton game on ice for Plymouth as the young Rocks continued their hitting ways by beating out nine base hits to go along with their nine runs.

The Chiefs took the lead in their half of the fifth, 4-3, but were shut out the rest of the way as the Rocks' Mike Primeau went the distance striking out five and walking four, while allowing six hits.

Junior Mike Howell went five innings for the Chiefs giving up seven runs, and Steve Morman finished up as he spotted the Rocks their final two runs of the game.

John DenHouter had three hits for Plymouth along with three RBI's. Kevin Roberts collected two hits and four RBI's, and Howard Inch chipped in with two hits.

Steve Dugan, Mike Souchaki, and Mark Siber had two hits apiece to lead Canton's attack. Siber knocked in two Chief runs.

Canton committed two errors while Plymouth had four.

The Rocks' first win of the year was highlighted by the shut-out pitching of Mike Primeau. Primeau went all the way, scattering four hits, striking out five and walking five.

Plymouth scored single runs in the second, third, and fifth innings. In the second, freshman Tim Lilley walked. He went to second on a fielder's choice, and scored on an RBI single by Dave

Pierce. In the third, Brian Wolcott walked, stole second, and come home on Howard Inch's RBI single.

The Rocks' final run was started by a lead-off walk to Brian Bogenschutz in the fifth. Brian moved to second on a fielder's choice. He went to third on a single by Wolcott, and scored on an RBI single by John Young.

Plymouth JV play Allen Park JV Friday and Edsel Ford JV Tuesday. Both games are away.

Salem Track

Salem trackmen captured seven first places from Detroit Redford in a track meet here last Friday. But with Redford's depth first places were not enough, with a few key-men away on Easter vacation, Salem put up a tough fight, but the outcome was Redford 74 and Salem 49.

Chiefs Dump Double Header

By Dan Herriman
Plymouth Canton dropped a doubleheader last Wednesday, April 17th, as Farmington took the non-league wins, 2-1 and 2-0. The Chiefs now stand at 4-2 with victories over Brighton, St. Agatha, Novi and a league win over Farmington Harrison.

Chris Martucci and Bill Parson each pitched their first complete games, with Martucci giving up five hits in the first game and Parson giving up three in the second.

Martucci scored the only run for the Chiefs in the bottom of the first inning on a double to centerfield, in game one. Tom Close brought him in with another double that looked like a replay of Martucci's.

Both of Farmington's runs came in the second inning. They were enough though, as Canton didn't come through. Singles by Dave Pink, Keith Randazzo and

Scott Dunagan tied up the action in the first loss.

Next time around, the Chiefs didn't come in at all, while Farmington waited until the third inning for their two runs. After a ground out, Farmington drew two walks, was hit by the pitcher, singled to left and with an error on the catcher, they came out of it with two runs on one hit.

Plymouth Beats Ypsi

By Dennis O'Connor

The Plymouth-Salem varsity baseball team upped their record to the .500 mark (2-2) last Wednesday (April 17) with a 5-4 seesaw win over Ypsilanti, only to see that record fall below the mark the following day as the Rocks dropped a doubleheader to Livonia Franklin 7-1 and 6-0.

Junior right hander Doug Ward, who made his first start of the year against Ypsilanti, spotted his opponents two unearned runs in the second inning only to see the Rocks come back with two runs of their own in the top of the third.

Plymouth took the lead 4-2 in the fourth with two runs, but Ward ran into control problems in the fifth as he walked the first three men he faced in the inning. Left hander Chuck Thomas came in for Ward and got out of the inning allowing only one run to score.

Ypsilanti tied the score in the sixth as Thomas now had the control problems. Thomas loaded the bases on two walks and a hit batman. Coach Wayne Sparkman was then forced to go to his left handed ace, Tom Willette, who had pitched a no-hitter two days before. Willette finished the inning, but gave up a sacrifice fly to Sam Jensen, making the score 4-4.

Plymouth came right back in the seventh inning to score the winning run. Don Bidwell led off with a single. He moved to second on a ground out, and came home on two fielder choice plays. Dan More knocked in the winning run.

Willette had little trouble with Ypsi in their half of the seventh and picked up the win, making his record 2-0.

Plymouth scored its first two runs on a lead-off single by Ward. He moved to second on a sacrifice bunt by Kirk Brannock. Ward stopped at third on a "Texas league" double by Mark Stephens, and scored on a wild pitch. Stephens then scored on an error by the left fielder, Pat Shiveley.

The Rocks scored their next two runs on a single by Danny Moore. Darrel Rowe sacrificed him to second. Moore went to third on a single by John Major and scored on a RBI single by Brannock.

Doug Tripp (running for Major) stole second, moved to third on Brannock's single and scored on an error by Ypsi's third baseman, Mike Nicks.

Plymouth collected seven hits by seven different men and committed five errors. Ypsilanti produced only three singles off the Rocks pitching while being charged with three errors.

The lack of getting the big hit offensively, and a total of 13 errors defensively, was the downfall for the Rocks when they dropped both ends of a doubleheader to Franklin the following day.

Plymouth left eleven men on base in the first game and nine men on in the second while committing four errors in game one and nine in game two.

of the day in the third inning of the first game. Mark Stephens reached first as he was hit by Franklin's Rick Gaber's pitch. He stole second and scored on Don Bidwell's RBI single.

After that run, the Rocks were shut out the rest of the way, although the scoring chances were there.

Gaber went all the way in the first game for Franklin and picked up the win. Willette suffered his first loss for Plymouth. The Rocks outthit Franklin six to four in the game.

Jamie Knapp pitched a three hit shutout in the second game as he went all the way for the Patriots.

Chuck Thomas took the loss for Plymouth giving up all five Franklin hits.

Bill Denhouter was a definite plus for the Rocks as he relieved both starting pitchers in each game. The tall lanky right hander gave up only one hit and one unearned run during his 5-2/3 innings of work.

Plymouth started its league play yesterday (April 23) against Trenton and will play Friday at home against Allen Park, Saturday against Wayne (12:00, away), and Tuesday versus Edsel Ford at home.

Realtor with a Bold "R"

As part of this year's Realtor Week celebration (April 21-26), the Western Wayne Oakland County Board of Realtors recently announced that all realtors will display the new "big, bold, blue R" in their offices. The "R" is a new trademark and identifies members of the National Association of Realtors.

According to Mrs. Lois Dicks, Board President, the new name and trademark signify the Association's reaffirmation of its determination to protect the right of the American property owner to a decent place to live and work. "The National Association of Realtors has a tradition of being the voice of America's property owners. That is why the theme for Realtor Week 1974 is - The Realtor - A Voice For America's Property Owner," she said. We're continuing to work at all levels - in Washington and with state and local governments - to achieve legislation that makes home ownership possible. President Dicks pointed to the Association's recent proposal of national legislation to ease the mortgage money as an example of this work.

Mrs. Dicks observed that the new trademark identifies the Association's members as experts in the real estate industry. The term realtor is a federally registered trademark reserved for use of the National Association and only its members are allowed to use it. It is for this reason that the term Realtor now appears in both the trademark and the Association name. The Realtor trademark also identifies the world's largest business association. "Wherever you are - in any of the 50 states or Puerto Rico - there's a Realtor to serve you," said President Dicks.

Employee Safety Now a Government Concern

by Elaine Edford

Last year in the United States, 70,000 employees were injured in some way while working on their jobs. These injuries occurred not only in big corporations and factories, but also in small companies, offices, retail shops and many other places of business. The injuries ranged from those minor to actual fatalities. Millions of dollars were spent in medical bills, lost work and production time and property — the loss in personal suffering, physical and mental, cannot be financially equated.

In 1973, the U.S. Congress passed a series of stronger and hopefully more effective laws governing safety and the worker. Called OSHA, Occupational Safety and Health Act, the law applies to work situations in factories, offices, wholesale outlets, retail stores, on farms and construction sites. The laws apply to professional people, lawyers, doctors, charitable and non-profit and religious organizations.

The new laws primarily concern themselves with the safety of the worker in any on-the-job situation. In most cases, responsibility for accident and injury lies with the supervisor of a particular job site and with the owner of the particular business. A Department of Labor inspector can show up unannounced at any place of business covered under OSHA and inspect safety conditions. If unhealthy or unsafe working conditions exist, a business can be fined or even shut down if it is deemed necessary.

In response to the new OSHA laws, many large corporations around the country are engaging in new safety programs. Workers are being made aware of safety hazards and educated in methods of accident prevention through films, tape recordings

and literature. As smaller businesses may not be fully aware of OSHA, how it works and the consequences of unsafe working conditions, this feature will, in the next few weeks attempt to answer a few questions. Much of the following information is from actual OSHA literature:

Q. One of my workers has complained about a safety hazard. He threatens to tell OSHA. Can he do that? Will they listen?

A. OSHA will not only listen — but if the complaint is serious enough, they will send someone to investigate. OSHA surveys reveal that employee complaints are on the increase.

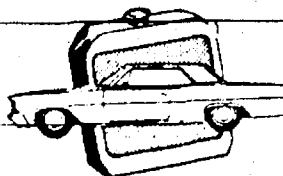

Don't let employee morale get so low that workers will go to

the government before they go to the supervisor.

When employees air a complaint — treat it seriously and act promptly. Encourage suggestions about safety. An employee suggestion may alert you to a safety hazard — and eliminate a possible violation.
