May 1, 1974

City Commission Approves Budget

Photo by Bruce Phillips

Canton Apartments Burn

by Robert Nicora

Fire destroyed a newly completed apartment building, Friday, April 26th, at the Stoneybrooke Apartments located at 8500 Brooke Park Drive in Canton.

Captain Vern Rorabacher, of the Canton Township Fire Department, stated that no one was injured during the blaze,

which was brought under control by the Canton fire fighters with the assistance of units from Plymouth Township and the city of Plymouth.

Captain Rorabacher said the fire started on the roof, where a welder was welding a steel support beam. Sparks from the welder's torch apparently ignited some wooden rafters and possibly a section of dry wall.

According to Rorabacher, the Canton firemen initially responded to the call at 3:10 p.m. When the units arrived there was already a great deal of smoke and flame coming from the unoccupied building. By 4:15 p.m. the fire was under control.

Unofficially, the amount of damage done by the blaze was approximately \$70,000.

Immediately following a special announced public hearing, which was attended by approximately 60 people, the Plymouth City Commission unanimously approved the new 1974-75 budget. City manager, Fred L. Yockey, maintained the new budget, which calls for a 1.75 mill tax increase, is necessary to offset the cutbacks in state and federal revenues that were previously made available to the city. The inflationary trend, combined with the loss of these state and federal grants, make the tax increase a necessity if the city is to maintain its present level of service. Yockey stated that the city would maintain its 78 full-time employees, and no new employees were being hired.

The meeting, attended by about 10 adults, and 50 youths from Youth Inc., lasted about two hours. During the public hearing, the floor was open for questions, and discussion, and it was brought to the commission's attention that the youths in the audience were concerned about the city's allocation of money to Youth, Inc.

Mayor McAnich stated that there was a discretionary fund, and five groups were being considered for allocations from these funds. The organizations are Youth, Inc., Our House, Plymouth - Canton Development Center, the Plymouth Band, and the Bi-Centennial Fund. Allocations of these funds will be discussed May 20th, at the commissioners' meeting.

The 1.75 mill increase will be spread over three major areas: 1) the operating expenditures of the general fund, 2) expenditures for refuse disposal, and 3) for the general obligation debt retirement, principal, and interest.

McLaren Proclaims Clean-Up Month

by Bruce Phillips

The Plymouth Township Trustees at the April 23 meeting announced Clean and Fix Up Month. They also accepted the leaving of two Township representatives.

The months of April and May have been proclaimed by the Township Board as a time for the residents, businesses, and the Township to clean and beautify the town. With the weather being so great, this is the time to paint, wash, remodel and to get all those jobs done that have been put aside for a better day.

Mr. McLaren, Supervisor, read a communication to the Trustees from Elizabeth Holmes, Treasurer, stating that she will

not run for re-election after serving the Township for 20 years. Mr. Steve Hulse also presented the Board with his resignation, due to the fact that he is going to Europe. The Board regrettably accepted the withdrawing of the two Township officials.

Tax abatement for the high-rise building being built as housing for the elderly was approved. Even though the property could yield a higher tax return, the Board decided that they needed homes for the elderly and liked the location of the complex.

The construction of sidewalks and ramps along M-14 and sewers under M-14 at Ann Arbor and Haggerty Roads was sent on

to the Michigan Highway Commission for a contract. Residents will be notified to their amount of assessment and when there will be a public hearing concerning the matter.

(see Proclamation, page 6)

Local Art Show

Plymouth's Forest Place Mall will host its first Art Show this Saturday, May 4th from 9 a.m. - 5 p.m. Local artists works will be on display at this time and also offered for sale.

The merchants of Forest Place would like to welcome all to attend this lively display.

Photo by Bruce Phillips

Jerry Haggerty, Mike McClore and Mike Richards enjoy the Banana Eating Contest at Youth Inc. last Saturday.

Local Campaigning for Channel 56 Is On

Several residents from the Westland area under the leadership of Mr. Kenneth Zielinski of Dearborn, have been spending the last four weeks demonstrating their support of Channel 56, not with picket signs, but with visits to area merchants. Mrs. Sue Pickering, Mrs. Jana Sammut, Mrs. Carol Rosati, and Mrs. Jackie Toupin are Go-Getters for the Sixth

Annual Channel 56 Auction and are asking merchants to donate items or services valued at \$25 or more. Last year their enthusiastic involvement along with the cooperation and support of area merchants raised over \$435,000.

The auction enables Channel 56 to maintain its schedule of programs — programs like "Sesame Street," "Masterpiece

Theater," "Electric Company," and "Zoom." The 1974 auction will take place May 4-11. During these eight days, over 300 celebrity auctioneers will display the products and credit the

donors.

By donating to Auction 56, merchants not only hear their name on the air, but know they are helping to keep Detroit's only non-profit, non-commer-

cial, public television station on the air. Of course, all donations are tax deductible. If a Go-Getter has not yet visited your place of business, call "Auction Central" at 873-7200.

ATTENTION:

PLYMOUTH TOWNSHIP RESIDENTS

We ask you to take the following consolidation quiz before voting on May 7, 1974.

WHICH TAX STRUCTURE DO YOU FAVOR?

TOWNSHIP — TAXES HAVE DROPPED FROM 3.53 MILLS TO 3.28 MILLS SINCE 1969.
CITY — TAXES HAVE RISEN FROM 12.3 MILLS IN 1969 TO A PROPOSED 16.4 MILLS IN 1974-75.

DO YOU WANT TO RETAIN YOUR BASIC — RIGHT TO VOTE ON FUNDING KEY SERVICES?

TOWNSHIP VOTERS EVALUATE AND VOTE ON ALL MONETARY ISSUES.
CITY GOVERNMENTS MAKE THESE DECISIONS FOR YOU SINCE THEY MAY LEVY UP TO THEIR MAXIMUM CHARTER MILLAGE WITHOUT A VOTE OF THE PEOPLE. (20 Mills can be the limit)

DO YOU WANT STREAMLINED EFFICIENT GOVERNMENT WITH A MINIMUM OF BUREAUCRACY?

THE TOWNSHIP HAS 1/3 OF THE EMPLOYEES TO SERVE ALMOST TWICE THE POPULATION WHEN COMPARED TO THE CITY.

DO YOU WANT DIRECT RESPONSIVE GOVERNMENT?

THE TOWNSHIP SUPERVISOR, CLERK, AND TREASURER ARE MEMBERS OF THE BOARD AND ARE DIRECTLY ACCESSIBLE TO RESIDENTS WITHOUT BEING INSULATED BY NUMEROUS DEPARTMENT HEADS OR EMPLOYEES.

DO YOU WISH TO RETAIN YOUR FREEDOM OF CHOICE IN SELECTING THE APPROPRIATE TYPE OF POLICE PROTECTION?

TOWNSHIP RESIDENTS WILL BE ABLE TO CHOOSE FROM AT LEAST 4 ALTERNATIVE PROPOSALS RANGING IN COST FROM 1½ TO 3.5 MILLS.

DO YOU FAVOR CAREFUL FUTURE ORIENTED PLANNING FOR YOUR COMMUNITY?

PLYMOUTH TOWNSHIP IS IN A GROWTH STAGE AND HAS CONSISTENTLY PLANNED TO CONTROL DENSITY, PRESERVE NATURAL AMENITIES, AND PROVIDE AN ADEQUATE INDUSTRIAL BASE.

We believe that a careful reading of the above can lead to but one conclusion -

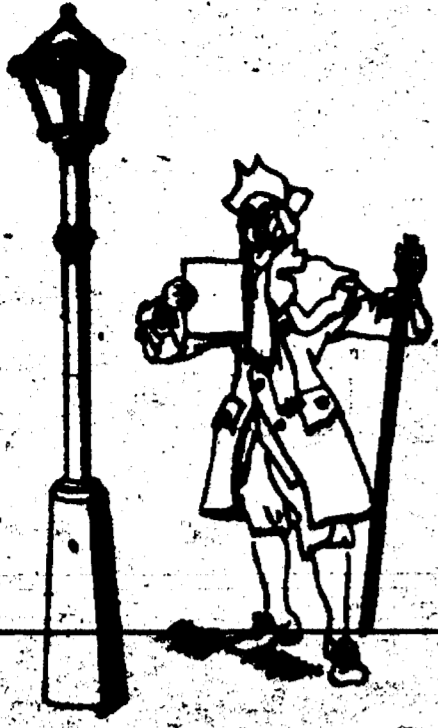

However, regardless of your point of view,

be sure to exercise your Voting privilege on May 7

Consolidation Debated

by Robert Nicora

Pro-consolidation and anti-consolidation spokesmen conducted a two-hour debate over the controversial issue during Thursday night's annual meeting of the Community Improvement Association of Plymouth Township, at Plymouth Salem high school.

Speaking for consolidation were township resident and attorney John Thomas, and former Plymouth Mayor, James McKeon. Arguing against the consolidation of the city and township of Plymouth into one single municipality were Dr. Richard Gornick, a member of the Plymouth Township Planning Commission, and James Kratzner, a township resident and engineer.

"The township structure was set up primarily with a rural setting and an agrarian economy. The purpose was to handle very limited aspects of government," stated Thomas in his opening statement as he attempted to provide adequate justification for consolidation.

The township system is still one of the most basic aspects of American government," Thomas continued, "but the difference is that the limits change. The limits that were perceived in the eighteenth and nineteenth centuries are different today."

Thomas sighted such areas as firefighting and police protection, youth and senior citizens programs, and health and sanitation as areas where the township system, as it now exists, is not as effective as it should be.

Thomas also alleged that lack of response by government to the needs of the constituents is a primary deficiency of the township system.

Consolidation of both areas into a unified governmental unit, Thomas argued, would tend to eliminate bureaucratic inefficiency and create a system which would be better able to provide a higher standard of service to both the city residents and their township counterparts.

"We have to find a way to make government a lot simpler than it is," stated Thomas.

Dr. Gornick maintained that, rather than simplifying government and making it more responsive to the people,

consolidation would have the opposite effect.

"The real strength of the township in making government responsive and simpler," Gornick asserted, "is having to go to the people rather than to a large internal staff for services."

Gornick argued that, although the city has nearly three times as many government officials as the township has, the township is able to provide better service because the people are brought into the decision making process.

"The township does not have the extensive bureaucracy that the city has," stated Gornick, "The city has 86 per cent more revenue than the township, but do they get 86 per cent more services?"

McKeon countered Gornick by stating that having a special ballot to vote on each and every millage proposal is inefficient in terms of time wasted and service lost.

McKeon also noted that as population increases, more money for services will have to be allocated and consequently taxes will rise, as has happened in Bloomfield and Redford Townships.

McKeon asserted, "There's nothing inherent in township government that permits it to do the job for less money.

"The townships will have to ask for more money if they want to provide more services," added McKeon.

The fundamental question appeared to be whether or not it was practical, or even desirable, to have a system, such as exists in Plymouth Township, where in the face of a growing population (with a growing need for efficient service) any major change has to be taken directly to the electorate.

The advocates of consolidation argued that a unified system of government would place control of the government in the hands of an efficient group of elected "professionals."

Services to the people, they say, would be of a far higher quality.

Anti-consolidation forces fear the loss of citizen control that consolidation could bring, and doubt whether service to the citizens would be substantially increased.

Hogan

Addresses P.T.O.

On July 22, Miller school will re-open its doors to area students, who will begin the first tract of the 45-15 plan. Students will attend school for 45 days, and have a fifteen day vacation. Four sessions will be initiated, these will work sessions on a rotational basis, with each session beginning one month later than the last.

On April 25, Dr. Earl Hogan addressed the PTO of Fiegel School on the pros and cons of the 45-15 program. The one hour talk covered the total 45-15 plan, from its beginning until the present. The plan will solve the major problem facing growing communities across the nation: over building.

Hogan stressed that the pilot program at Miller school was put into affect after almost two years of studies on other 45-15 school year communities. The 45-15 plan was the first choice of the people in the community in a study made last year. The other alternatives to the new plan were extended school days, split sessions, or the most unpopular of all the choices; building more schools. The plan will allow the individuals in a given area to attend school together and to vacation together.

Hogan also stated that families will attend school in the same tract, allowing parents and children to plan activities around the fifteen day off period. It was brought to the attention of the PTO group that 45-15 was just in the pilot stages, and that the plan wouldn't become mandatory for any school area.

Local Woman

Wins \$1,000

Patricia Krajewski, mother of three children, has been named Midwest Region's \$1,000 winner in the 1974 Soroptimist Training/Retraining Awards Program for Mature Women.

The Award is given annually by the Soroptimist Federation of the Americas to women who wish to upgrade their job skills to re-enter the job market or to increase their current job levels. Mrs. Krajewski hopes to become a registered nurse and will use her Soroptimist award for a two-year training course.

Patricia was sponsored by the Soroptimist Club of Plymouth and competed with regional applicants from seven states.

Consolidation Is Chamber Luncheon Topic

by Elaine Edford

Kenneth VerBurg, researcher for Michigan State University's Institute for Community Development, told the Plymouth Chamber of Commerce at the April 24 luncheon that the consolidation of Plymouth and Plymouth Township "would not necessarily cost more."

Consolidation of the two municipalities will cost 9.71 mills, (\$9.71 for every \$1,000 of state equalized valuation) stated VerBurg. For Plymouth residents, whose millage rate is currently 14.7, consolidation would seem to represent revenue savings for Plymouth taxpayers. On the other hand, township residents would appear at first to experience a tax increase of 6.53 mills. But according to the 1973-74 study, "out of the pocket expenses" as a result of consolidation depend upon many factors.

According to MSU studies, millage figures do not take into account such services as police protection and rubbish collection presently provided by the city but not by the township. These services would be provided to all residents if consolidation is adopted. In addition, the new state property tax relief act which provides income tax breaks for property holders in proportion to the amount of property tax they pay per year also should be considered. What all this amounts to in the long run is a leveling of actual consolidation costs.

Although Plymouth city residents will save on local taxes, they will in turn have to pay more state and federal income taxes. All factors considered, the average city homeowner with a \$30,000 home will wind up saving about \$63.35 per year. This savings also reflects an approximate \$40 per year saving on water and sewer charges.

While the township homeowner's property tax will increase, his state and federal income taxes will decrease. In addition, the township homeowner will also save about \$36 per year for rubbish collection service — this service

will be automatically provided by the consolidated government. All things considered, the township homeowner with a \$30,000 home will wind up saving about \$6 annually under consolidation.

VerBurg also reminded the Chamber that the township would also benefit from the additional police service which would be available.

Mr. VerBurg also stated that taxes under consolidation would increase for the township homeowner with a \$50,000 home and substantially higher income — but quickly added that he did not believe that this applied to many township residents.

VerBurg concluded his talk with the statement: "As time goes on, government is going to have to do more, and the people are going to have to pay more." VerBurg did not feel, however, that consolidation drastically effected this fact. "This is true," he stated, "whenever any particular area becomes more developed and offers the taxpayers more services."

Canton

Trustee Dies

Bob Griffin was an individual known in his community for his devoted interest in its well being. For several years he and his wife attended Canton Township meetings infallibly, their opinions much valued by those in attendance. In May 1972, at age 62, he filled the vacant position of trustee created by the resignation of Vern Rorabacher. That fall Bob Griffin was elected to fill said position.

He retired in 1972 after 45 years with the Detroit News. At age 64 he was stricken with a fatal blood disease.

Bob Griffin died April 25 Nightengale Nursing Home. Services were held Monday with Rev. William Ritter officiating.

He is survived by his devoted wife, one son Robert L., daughters Mrs. James Dillman, and Mrs. Shirley Nelson and six grandchildren.

BG's Opens May 6

A new club, BG's LOUNGE, will open its doors May 6 on Ann Arbor Road in Plymouth. Food, drink and live entertainment will be featured Monday thru Saturday.

BG's will feature Businessmen's Lunches from 11:30 a.m. to 5 p.m., Cocktail Hour from 4-7 p.m. and dinner from 5-10 p.m.

Co-owners Bob Shurmur and Gary Townsend announce the appearance of singer Carol Jones at the May 6 opening. Carol has been singing and touring the country playing her music for nine years. Her repertoire ranges from Top 40 and "oldies" to country - rock and ballads. She has toured with Faron Young, Charlie Pride and Porter

Wagoner. Her songs have been recorded by such artists as Loretta Lynn, Faron Young and Crystal Gayle.

Sue Knapp, Judy Korses, and Charlotte Healy of the Plymouth Symphony League are busy working on decorations for the pop concert "An American in Paris," to be held May 11th.

WHAT IS CHIROPRACTIC?

Chiropractic is a Philosophy, Science, and Art of things Natural; a system of adjusting the articulations of the spinal column, by hand only, for the correction of the cause of the disease.

The adult spinal column consists of the superior 24 freely movable bone segments, called vertebrae, together with the sacrum and coccyx. All the great nerve trunks emit thru the openings between these vertebrae which openings are known as the intervertebral foramina. The vital nerve force within man is carried by these nerve trunks from the brain to the various organs, muscles, and tissues of the body.

For every effect you must have a cause; that is a fundamental law of physics. If a person is ill, then the condition of disease, regardless of the name applied to it, is in fact an effect for which there must be a cause.

The Chiropractic premise is that the cause of disease is due to the subluxation of vertebrae, which produce pressure upon the nerve trunks and thus interfere with the normal transmission of vital nerve force.

The Chiropractic objective is to locate the point in the spine, where nerve pressure exists, due to a vertebral subluxation, and, thus proper adjustment by hand, to restore the subluxated vertebra to its normal position, thus releasing the pressure on the nerves involved and thereby removing the cause of disease in the body. Renewed health is the natural result.

"When Your Spine's In Line . . . YOU'LL FEEL FINE!"

**White Cane
Week**

The week of April 28 through May 4 has been declared White Cane Week by the State of Michigan. During this time the Plymouth Lions Club will be conducting their annual campaign for funds to assist their Leader Dog, Welcome Home, Eye Bank and Penrickton Nursery programs dedicated to helping the blind.

During the past year, the Lions of Plymouth have provided for visual examinations, braille watches and white canes to many Plymouth community residents. In addition, a Visual Screening machine for use by the Plymouth School System has been purchased by the Lions Club at a cost of \$500.00.

Plymouth Lions urge all Plymouth community residents to assist them during White Cane Week and contribute generously in order that they may continue to help the blind in the community.

Farrand Brownies Clean Grounds

Brownie Troop 217 of Farrand Elementary met last Monday to clean up their school grounds. The project was planned in such a way that it was very similar to a treasure hunt.

This imaginative course was designed by the troops' hard working leaders, Anna Brown and Dottie Kornegay. The grounds at Farrand are now free from papers, glass, and other debris.

Bird School Fun Fair A Huge Success

Nearly 2,000 students, teachers, parents and members of their families turned out for the second annual Bird School Fun Fair on Friday evening, April 26. Good weather and good fun combined to make this one of the most successful school events ever. Although income figures aren't final yet, the school expects the fair to clear well over \$1,000, half of which will be donated to the Joe Crissey Fund.

The size and scope of this year's fair were greatly expanded. At the initial event last spring, there were only eleven booths open during the annual ice cream social. This year twenty-three booths were operating, and families could stay for a dinner of hot dogs, chips and pop, as well as ice cream and homemade cakes and cookies.

Fair booths offered a variety of activities ranging from such carnival favorites as the Fish Pond, Animal Walk, and Helium Balloons to a Make-up Booth, a Country Store, and a Used Book Sale. The most popular event at the fair was the Roulette Wheel. Another popular attraction, offered for the first time this year, was the Moon Walk. As at any event for children, the popcorn and penny candy were best sellers.

Commenting on the success of the Fun Fair, Karen Kivisto,

who with Jackie Price was chairman of the event, stated, "I think the Fair was planned and attended by Bird School families with extra enthusiasm because they felt that by donating half the profits to the Joe Crissey Fund they were truly helping someone, as well as having a good time."

Fair booths and their chairmen were: "Twisty" Balloons: Martha Brown; Sweatshirt & T-Shirts: Ann Sheardown; Bumper Derby: Carol Carlson; Animal Walk: Joyce Maguran; Dig for Gold: Mary Lee Parker; Fish Pond: Tina Sellas; Duck Pond: Ann Cramer; Hockey Game: Martha Koehler & Dolores Smith; Make-up: Peggy Fisher; Silhouettes: Wilma Wagner & Michele Kisabeth; Penny Candy: Jane Martin; "Pop" Walk: Bessie Fowlkes; Bean Bag Toss: Linda Danielski; Used Book Sale: Jan Elston & Doris Diedrick; Ping Pong Toss: Doris Chatterly; Country Store: Toni Bar, Darlene Little and Nancy Sharp; Roulette Wheel: Jan Stafford; Bottle Pitch: Marilyn Thams & Bob Thams; Bingo: John Ryder & Steven Stribley; Helium Balloons: Derald McKinley; Bake Sale: Diane Mallow & Susan Reddy; Popcorn: Diane Mabry; Kitchen: Sharon Walker & Judy Brown; and Tickets: Jean Harsha.

Bus Safety Film

The Plymouth Jaycees, in cooperation with the Plymouth community schools, is sponsoring a viewing of a critically acclaimed bus safety film Wednesday, May 1, at 8:00 p.m. in the Canton High School little theatre.

Lees SUN KING

Sun King by Lees Carpets. The Body Shag that stands up to the tough life.

Sun King can take the kids, pets, parties, spills—and bounce back for more. Sophisticated yet practical, Sun King is interestingly textured in tough, stain-resistant 100% nylon pile.

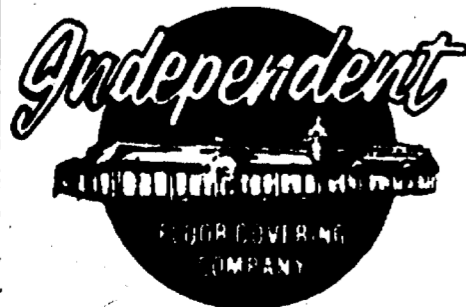

Like all Lees Body Shags, Sun King firmly resists crushing because Lees heat sets the twist into the yarn. The lush, dense pile stays young and springy

through years of wear. No wonder Sun King is Lees best selling carpet!

Come and see our great display. You'll be dazzled by all the 19 color-splashed looks of Sun King.

If you sent for a swatch of the color you wanted from the Lees magazine advertisement bring it to us. We will make your new carpet a reality.

Chiefs Win

The Canton Chiefs increased their season record to 6 wins and 3 losses with a resounding 6-1 non league victory over Catholic Central Saturday. The Chiefs took a 2-0 lead in the first as Bob Ayotte was safe on an error. Ayotte moved to third on Brian Stemberger's single. Stemberger stole second and Ayotte scored on Keith Randazzo's drag bunt which moved Stemberger to third. Stemberger scored on a fielders choice on Bill Parson's ground ball and the Chiefs were off to a two run lead. Catholic Central scored in the second on an error, sacrifice, and single and the score stood at 2-1. The Chiefs added a single run in the 4th when after one out Greg Barnes singled to center, Ed Pariseau walked, Scott Dunagan beat out an infield single, and Barnes scored on Paul Major's perfect squeeze bunt.

In the bottom of the 6th, Canton put the game away with a three run outburst. With one out, Tom Close drew a walk. Dave Pink lashed a long single to right center scoring Close and moving Verduce to third. Matt Wiley singled sharply to left scoring Verduce and moving Pink to second. Pink stole third. Wiley and Pink then executed a perfect pick off, double steal with Pink scoring the Chief's final run.

Chris Martucci, Tom Close, Bill Parson, and Mike Howell held C.C. to one hit, Martucci got credit for this fourth win of the season against one loss.

Salem Track

Without the depth in every event it's tough for Plymouth - Salem to win, but with the times and effort that the trackmen turn in, sometimes winning isn't everything. Salem captured five first places against Redford Union in league meet competition last week.

Salem first placers are: 880 relay (Tom Legault, Kim Woody, Jeff Ziel, Mark DeMeritt), Brian Smith (880), Greg Wolcott (2 mile), Mile Relay (Mark DeMeritt, Brian Smith, Curt Funk, Scott Agnew), and a record performance in the pole vault by

Kim Woody. Kim tied the school record with a jump of 13 feet 6 inches. And in the mile run there was quite some excitement as freshman Walt White was just beat in a time of 4:53.4, which is one of the fastest times by a freshman.

William Hall, shot a hole-in-one, last Wednesday, on the 6th hole at the Hilltop Golf Club. Bill is a member of the Plymouth Businessmen's League. Carl Hosier, Bob Martin, and Ned Boyle made up the foursome as Bill aced the hole with a No. 8 iron.

Girls Track

by Brian Smith

The prospects for this year's Salem girl's track team look very promising to say the least. With their new Head Coach Mr. Thomann, the girls are developing their skills and running ability at a staggering rate.

Coach Thomann has had experience with coaching the boy's track team at Willow Run High School for four years, but has never coached the girls

before. The coach feels that the girls should work as hard or harder than the boy's do in order to become champions. The results are beginning to pay off, as the girls won their first meet with a resounding 68-23 rout of Northville.

The Co-captains for this year's team are Linda Cunningham (sr.) and Barb Croci (jr.) Both Linda and Barb are very optimistic about this year's team, and think

CITIZENS FOR TOWNSHIP GOVERNMENT

Rocks JV Nips Trenton

by Dennis O'Connor

Single runs in both the sixth and seventh innings brought the Plymouth - Salem JV baseball team their fourth victory of the year as they squeaked past Trenton JV 3-2 last Tuesday (April 23) afternoon.

Mike Primeau went all the way for Plymouth recording his third victory of the year. Primeau struck out five and walked two Trojans.

Plymouth took the early lead in the second inning as they tallied one run. With one out, freshman Tim Lilley walked. He moved to third on two errors. Mark Gothard followed with a walk putting Rocks on first and third. Plymouth JV coach Brian Gilles then called for a double steal which worked to perfection. Lilley scored and Gothard advanced to second.

Trenton JV came back in the third with two runs on three hits to take the lead 2-1.

But Plymouth JV's late inning surge was too much for the Trojans as Primeau shut them out the rest of the way.

The Rocks' sixth inning run was started with a walk to Howard Inch. John DenHouter followed with a single moving Inch to second. He went to third

on an error and scored on an RBI single by Lilley.

The winning run came with no outs in the seventh inning. Brian Bogenschutz walked. He went to second on a sacrifice bunt by Primeau and scored on Dave Pierce's RBI single.

Both teams collected five hits in the one-run decision.

Plymouth JV suffered their first loss of the year as they were defeated by the Allen Park Jaguars 5-1 last Friday (April 26) afternoon.

Mike Primeau suffered the loss as he went 5-1/3 innings. John DenHouter finished up the mound duties for Primeau.

The Rocks did collect eight hits but lacked the clutch hit as they had numerous scoring opportunities. The victorious Jaguars tallied single runs in the first and third innings while accounting for three more in the sixth.

Plymouth JV lone run came in the sixth as Kirk Brannock led off with a single. Howard Inch doubled him to third and he came home on an RBI single by DenHouter. Brannock and Tim Lilley paced the eight hit attack for Plymouth JV with two hits a piece.

2nd League Victory for Chiefs

The Canton Chiefs recorded their second league victory in the Western Six with a 7-0 shutout over Walled Lake Western, Monday, April 22.

Chris Martucci went the distance for Canton allowing four hits, striking out 10, and walking two. The game was a scoreless tie until the fourth inning when Canton walked three times on two singles, two walks, and a passed ball.

Bob Ayotte opened the inning with a base on balls and stole second. Scott Dunagan also drew a pass. Ed Pariseau grounded out moving the runners to third and second. Bill Parson pinch hit for Paul Major and laced a single to center to score both runners. Parson moved to second on a passed ball and scored the third run of the inning on a line drive single by Keith Randazzo.

The Chiefs added four more runs in the sixth to clinch the victory. Bob Ayotte singled up the middle and Dave Pink was safe as the first baseman bobbled his sacrifice bunt. Matt Wiley was hit by the pitcher to load the bases with no one out. Parson walked to force Ayotte home with the fourth run. Ray Mandle ripped a single to left center to score Pink and Wiley.

Mike Verduce capped the Canton scoring by singling sharply over second to score Mandle. The triumph was the

second consecutive league victory for the Chiefs and moved their overall record to five wins and two losses.

Plymouth Canton Loses

Plymouth Canton lost a hard fought battle with league champion Waterford Mott in extra innings by a 3-2 score in a game played at Waterford, Wednesday, the 24th.

Canton opened the scoring with a run in the second. Brian Stemberger singled up the middle and moved to second on Bob Ayotte's single to right. Dave Pink's attempted sacrifice resulted in a fielders choice as Stemberger was forced at third. Ray Mandle fanned and Keith Randazzo's ground ball up the middle was booted by Mott as Ayotte raced home with the games first run. The Chiefs increased their lead by adding another run in the third. Brian Stemberger walked to lead the bases. Bob Ayotte flied to right and Close scored on the sacrifice to move Canton to a 2-0 lead.

Mott scored in the fourth with a single up the middle by Bill Bormly. Bormly advanced to

second on a wild pitch and scored on a single that was bobbled in centerfield.

The game remained 2-1 until the last of the seventh when with one out Keith Lovett hit a long right field triple and was squeezed home with the typing run. Mott won the game in the eighth when John Martinez walked, was bunted to second, and moved to third on a passed ball on a strikeout. Mike Grace was deliberately walked and Tim Kitchel's bunt in front of the plate was thrown away by the Chiefs pitcher, Bill Parson. Canton outhit Waterford 11 to six, led by Keith Randazzo and Bill Parson with three hits apiece.

Sophomore Bill Parson pitched a strong game as he struck out eight and issued only one walk. The Chiefs league record in now 2-1 with league contests scheduled with Northville and Churchill this week and a non league contest with Catholic Central Saturday.

Canton Track

by Anne Sullivan

It was a bad week for Coach Brian Schwall and his Plymouth-Canton cindermen. It all started when they took on one of the top rated track teams in the state Ann Arbor Huron, at the Centennial Park track on April 23. Huron routed the chiefs 10-21.

Traveling to Farmington Harrison, Thursday, April 25, the chiefs showed a marked improvement, but this was not enough to win as Harrison defeated the chiefs 81-42.

Harrison started out ahead of Canton and remained ahead of them throughout the meet. This is Cantons fourth loss of the

Mr. and Mrs. Clara and Elmer Laude of Plymouth both landed two sailfish of over 120 pounds each, while vacationing in Acapulco in March.

Don Francoeur, and Noble Kheder have been in and out of the hospital, all systems O.K. now.

Mrs. Maude Bowen of 'Welcome Home for the Blind' is having her 100th birthday this month.

Girl's Track

(continued from page 13)

that the Regionals are well within their grasp.

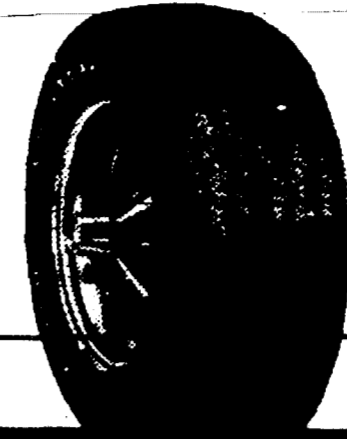

With more girls out for track this year, added pressure was applied for some badly needed new equipment. At long last, the girls have competition uniforms that do some justice to their winning form.

Shawn Haarz (sr.), (880, 440, and miler), said that, "There is no reason why we can't win the League meet and the Regionals."

Jean Sellman (soph.), (100 yard dash, 880 relay and 440 relay), responded, "That with this being our first year in the Suburban-8, I feel we will be able to hold our own against most any other team on the track."

This year's team has depth in the skills of Barb Smith and Sue Mills, and the running abilities of Pam Adams, Linda Cunningham, Barb and Jackie Croci, Shawn Haarz, Colleen Moore, and freshman Jo Ann Lankabel. In general, the girls are in great shape, partly due to the great coaching and partly due to the tremendous motivation of the athletes themselves. And with both Salem and Canton girl's and Salem and Canton boy's track teams using the track at the same time, things get pretty crowded around 3:30 afternoons.

Safety and Business

by Elaine Edford

Employers and employees alike often do not realize the hidden costs of on-the-job accidents. Using an example given in a recent government booklet, it's easy to see why preventing accidents "pays."

A chemical worker was scalded when a kettle of hot dye slipped from a cable while he was pouring it into a vat. What are the real costs?

Workmen's compensation for burns	\$208
Medical expenses	102
Workers make-up pay while home 3½ days	35
Follow-up medical visits	153
Co-worker time lost at time of accident	95
Supervisor's time lost	60
Labor for clean-up	75
Production lost	80
Slowed production rate of other workers	55
Spoiled product	67
Damage to equipment	225
TOTAL COST OF ACCIDENT	\$1,155

Even a small accident like the one mentioned above is quite costly to both employee and employer. The costs of even a minor accident can amount to several times the "compensation cost."

Next week - more questions and answers regarding on-the-job safety.

Mr. Mike Perish has retired from Ford Motor Company.

Northville Man Promoted

John Hobart of Northville has been promoted to General Manager of Adistra Corporation's Scott Phillips Division.

William P. Scott, President of Adistra, made the announcement this week and indicated that John will have total responsibility for the division's operation, reporting directly to the President.

Scott Phillips is one of three divisions of Adistra, a leading Marketing Communications Service Organization with operations in Plymouth and Northville. Scott Phillips has as its primary sales responsibility all General Motors accounts. In the past two years Scott Phillips has nearly doubled its sales volume making a significant contribution to Adistra's continuing pattern of growth.

Mr. Scott stated further that William Miller, who held the position of General Manager along with being a Corporate Vice President and Chief Financial Officer, will now be able to devote full time to his financial planning activities.

An Alma College graduate in 1958, John has been with Adistra for the past nine years and has a solid background of experience in sales, planning, administration, research and development, and most recently Assistant General Manager of Scott Phillips Division. In addition to his management assignment, John, a member of the American Marketing Association, will continue his staff activities in directing the Research and Development activities of the corporation.

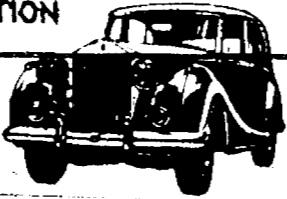

John, his wife and two children reside in Northville Township where he is a member of the Northville Board of Education.
