THE NEWSPAPER WITH ITS HEART IN THE PLYMOUTH-CANTON COMMUNITY

February 12, 1975

B & Es Top Crime in Twp., Canton

BY HANK MEIJER

Break-ins pose the most serious crime problem in both Canton and Plymouth townships, according to Trooper Michael Garrison, State Police Plymouth Post community service officer.

Under a new crime prevention program started last month, the State Police have isolated those crimes which plague the most residents in each governmental unit and will gear their community information and lecture services to those particular local needs.

The State Police compiled figures for 10 types of crimes which occurred in the townships in the last two years.

According to those statistics, which exclude those investigated by the Wayne County Sheriff and those recorded in December, 1974, Plymouth Township had 189 breaking and enterings in the last two years, while 118 were reported in Canton.

Although the number of B & E's in Plymouth Township dropped from 107 in 1973 to 82 last year, they still represented the most serious crime problem there. In Canton, break-ins were up from 54 in 1973 to 64 last year.

"B & E's will be our major emphasis," Garrison said. "We're trying to find out where our priorities should be as far as patrol services.

"A good deal of crime is unreported. We'll be trying to educate people as to what they can do themselves. Crime is a community problem, not just a police problem."

Garrison and the State Police have created a series of presentations on prevention of a variety of crimes, including child abuse, rape, shoplifting and check fraud, but rather than wait for a school group or service club to approach him with a specific request for a program, Garrison will now be

Murder Suspects Arraigned

SUSPECTS Robert W. Umney (left), 22, Barry L. Provow, 27, and his wife, Lealie, 18, will go before 35th District Court Judge Dunbar Davis Monday, Feb. 21 at 9 a.m. in the Plymouth City Hall for their pretrial examination in the case of the Jan. 28 murder of Canton Township resident Terry Buchman. The three stood mute at their arraignment Saturday before Judge Francis Burger, who

entered not guilty pleas on their behalf. All three were denied bond. Lealie Provow is in Wayne County Jail and Umney and Provow are being held at the Sheriff's Road Patrol Westland facility pending their examination. The three were arrested last week near Laramie, Wyo. and were escorted back here by Wayne County Sheriff's detectives after waiving extradition. (Staff photo)

Be My Valentine

RENEE CHAIVRE'S VALENTINE from classmate Danny Kelly is no ordinary heart. Students in Phyllis Mitchell's third grade class at Fiegel School created "Valentine Birds," lovable creatures which not only decorated the room, but also prompted storytelling exercises. (Staff photo)

Schools Weighing Millage Needs for June 9 Ballot

BY W. EDWARD WENDOVER

Things are still up in the air for the 1975-76 Plymouth School District budget, but the school board is certain of one thing - there will be no special millage election this spring.

In light of the state aid proposal announced by Gov. William Milliken last Thursday, Plymouth school administrators say they now have "a little more breathing room."

But Milliken's proposal, while increasing general state aid and decreasing some specialized support of Plymouth School programs, must be gone over by the state legislature and its final form is uncertain.

Because of that uncertainty, and the uncertainties of the district's growth in assessments and school population, the Plymouth School Board voted unanimously Saturday morning not to have a millage election this spring.

That will give more time to pinpointing factors in the schools' projected 1975-76 budget and will enable the board and administrators to better analyze millage needs for the future.

In addition, the school board is hoping to gain ideas about the budget from school district residents at a public hearing to be held at 9 a.m. Saturday, Feb. 22, in the East Middle School Cafeteria at 1042 S. Mill St.

The school board and administration had previously discussed the possibility of seeking an increase in operating millages this year to meet estimated 1975-76 expenditures of \$17 million.

But the governor's state aid proposal of last week could mean that the district now would fall only \$100,000 short of revenues against costs.

Based upon a projected state equalized valuation of the

district at \$430,000,000 for next year, \$100,000 would mean about .25 mills in tax levy.

But if estimated revenues come that close to estimated expenditures once the state aid formula, assessments and student population estimates become more fixed, the schools may not seek additional millage for the operating budget.

"I think that's going to be the goal - if at all possible not asking for a millage increase," said Ray Hoedel, assistant superintendent for business.

It is possible however that even if the district can stretch existing millages - including a 5.15 operating millage up for renewal on the June 9 ballot - over the next school year, an increase may be needed in the year after, when three new elementary schools and a high-school addition will be opened.

LD Rules A Threat to Slow Readers?

Editor's note: This is the second of a series of stories on the role of reading teachers in the Plymouth school district.

BY HANK MEIJER

What will happen to the reading program in Plymouth schools if all 18 of the district's reading teachers, now already labeled "learning specialists," are required to teach learning disabled children?

"If they (the administration) tell me that I have to be an LD person, there will be a lot of services that I won't be able to give my building staff," said Judy Mayle, a reading teacher - learning specialist - at Pioneer Middle School.

While the district could

qualify for thousands of dollars more in state aid by having its reading teachers become LD teachers, the guidelines along which "such aid is allocated would force Plymouth's learning specialists to concentrate their efforts on far fewer students.

Under state law, a teacher with a self-contained LD classroom can work with a maximum caseload of 10 full-time students, or a total of 18 students full and part-time.

In contrast, the caseload for reading teachers is 50 and also most reading teachers work on a temporary basis with far more youngsters. They also help and advise classroom teachers on reading methods and materials.

"The special education act is

very limiting," Mrs. Mayle said. "In trying to be extremely professional (in requiring LD teachers to do extensive graduate work and then deal only with small classes to qualify for state support), they (state educators) are making their limits too narrow."

That problem - the extreme restrictiveness of LD regulations - permits no compromises as yet. While Plymouth could pick up some additional state aid and still hang on to its reading program by switching some, but not all learning specialists to LD teachers, it could not simply have them work with both reading and LD students, as the needs of students and teachers in a particular building dictated.

That dilemma, the narrowness of state requirements, is what Dr. Earl Hogan, deputy superintendent of Plymouth schools, calls "the hardening of the categories."

"It's done with the idea that excesses are taken," Dr. Hogan said, noting that the state is trying to define the LD program so closely that individual districts can take no liberties with their teachers that would water down their treatment for learning disabled youngsters.

"Yet they define it so rigidly that it becomes too rigid," he said.

Ideally, Hogan said, and most other administrators and teachers agree, the state would

reimburse local districts at the same level for both reading and LD teachers. That way the individual district could determine how great its own reading and LD needs are and apply for state aid accordingly. Unless the law changes, however, such an ideal can't exist.

What will the change in roles with reading teachers becoming LD teachers mean to youngsters in the Plymouth school district?

According to Dr. Hogan, Plymouth may well end up with

an "increase in the quality of service to the few and a decrease in service for many others."

Although students with severe learning disabilities would benefit, the caseload restrictions would make it impossible for the learning specialists to work with students with less severe problems - the remedial readers who don't qualify as LD children, but who nonetheless deserve special attention and require extra reading help if they are to progress through the grades.

Sheldon Rd. Repairs are a Long Way Off

If you're waiting for road repairs on that bumpy and bone-jarring section of Sheldon Road just north of Ford in Canton Township, don't hold your breath.

The Wayne County Road Commission has advised the township that the road will not be rebuilt for at least a year.

Canton officials had requested that the road be widened to five lanes to accommodate heavy traffic at the intersection, but the WCRC has said it will only assess property owners along the road for four lanes. A fifth lane

would have to be built at the township's expense. It would cost an estimated \$76,000 extra.

The road commission's refusal to include a fifth lane stems from the contention that the Sheldon - Canton Center by-pass (just south of Joy Road) will relieve much of the traffic on Ford. Canton officials, however, are wondering when the by-pass will be built.

Repairs on the torn-up section of Sheldon have been piecemeal at best throughout the winter. Any major resurfacing of the existing roadbed could not be undertaken until warmer spring weather.

Police Seeking Burglars for B & Es

Break-ins were reported early Monday morning at three different offices on Ann Arbor between Main and Deer in downtown Plymouth.

Glass had been broken out on the back door of offices of the law firm of Sempliner, Thomas and Guth, 711 W. Ann Arbor Trail. Stolen or damaged property totaled more than \$2,500, according to Plymouth police.

The office of attorney Robert Delaney, 747 W. Ann Arbor Trail, was ransacked after a person or persons unknown broke in a rear door. Nothing was believed taken, however.

Dr. Gary Krueger, whose office adjoins Delaney's in the same building, was also ransacked, and an AM-FM stereo radio stolen, police said.

Heights Charter Sent to Governor

The newly-completed charter for the proposed City of Plymouth Heights provides its would-be city council with the authority to levy up to 20 mills, the maximum allowed under the Michigan Constitution.

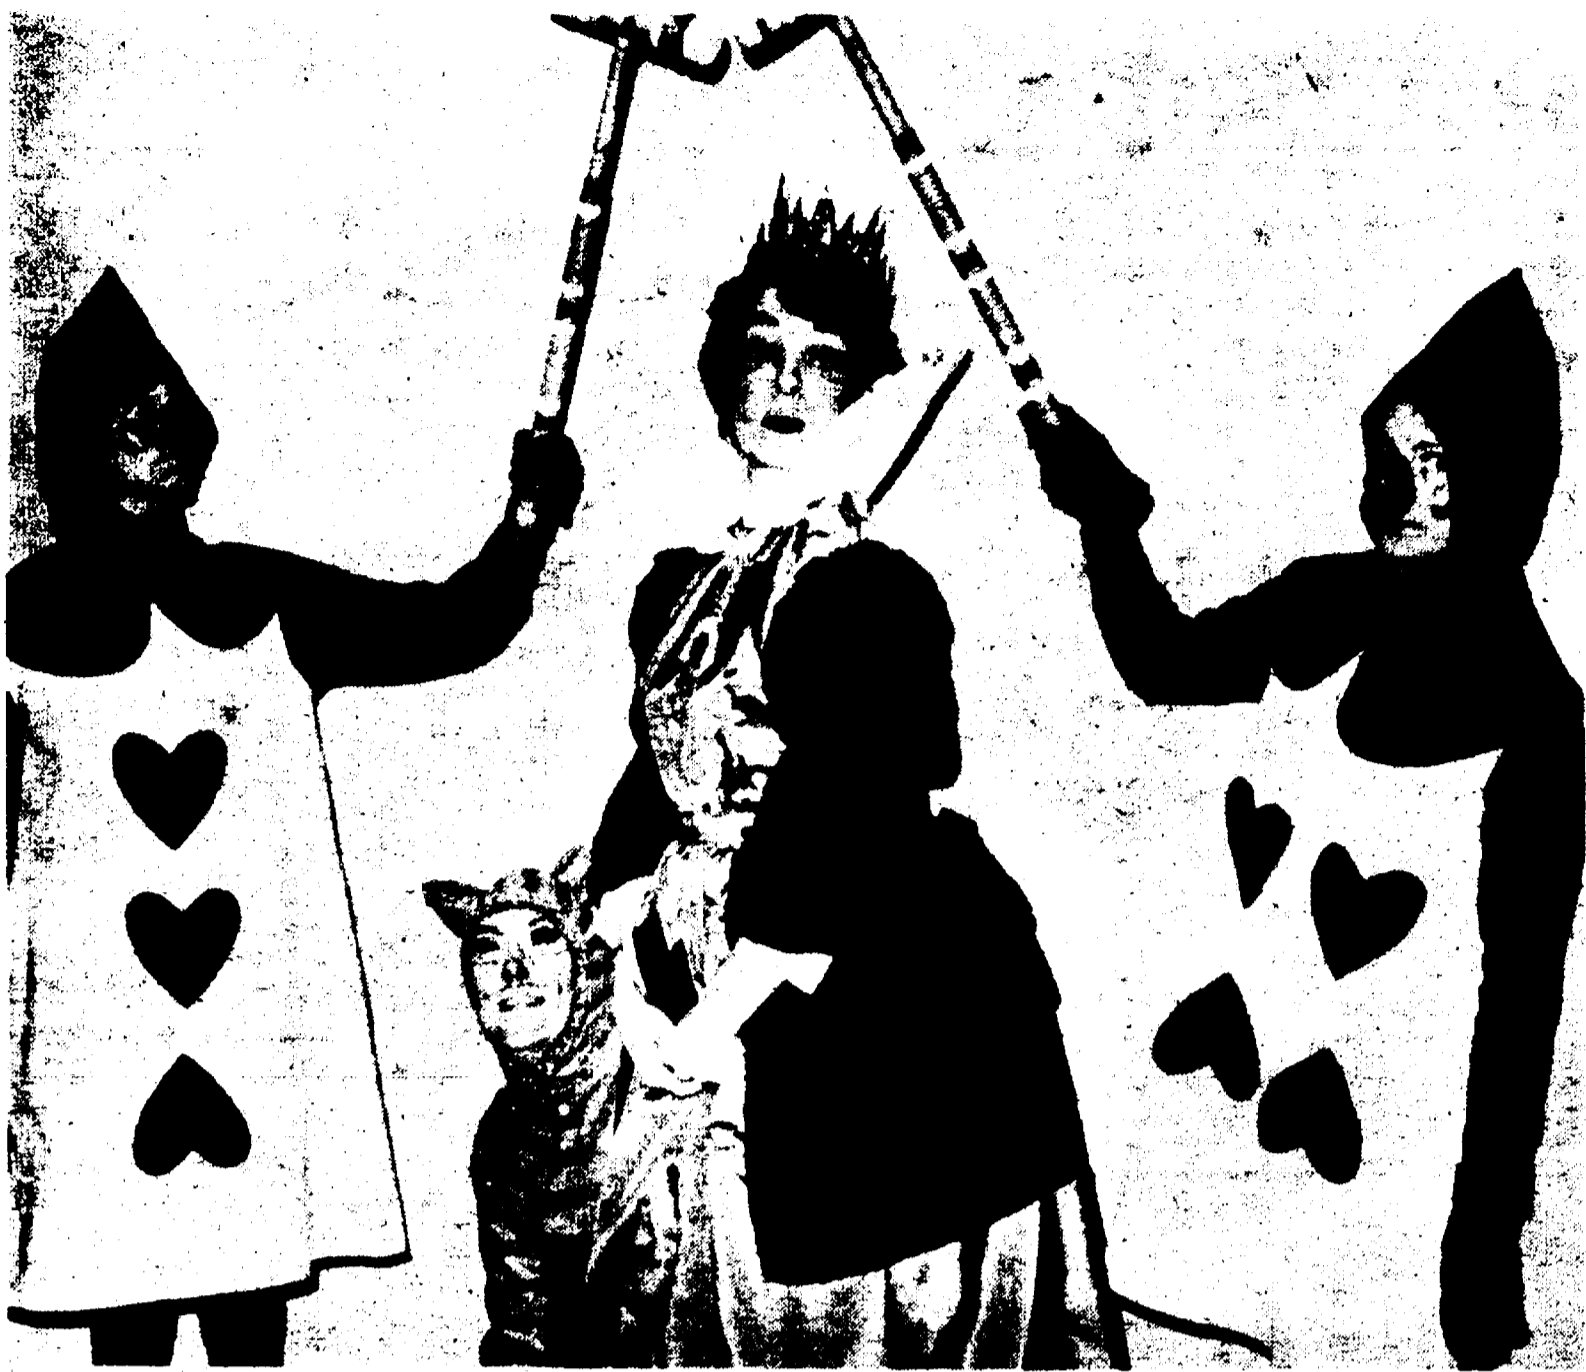

The charter is now on the governor's desk. His staff must study and approve the document before those Plymouth Township residents in the Plymouth Heights area (the portion of the township east of McClumpha Road) will get a chance to vote on it.

According to Township Clerk Helen Richardson, the charter — in effect the question of whether the bulk of Plymouth Township should incorporate as Plymouth Heights — could come before voters as early as this year's August primary ballot.

In a letter sent last week, Plymouth Heights Mayor de-facto John McEwen commended the nine charter commissioners who were elected last November for a job well done.

"Probably yours seemed like a thankless job at times," McEwen wrote, "but the satisfaction of a big job well done is no small reward in itself. Certainly that satisfaction is yours in abundant measure, and also the pleasure of knowing that you have the gratitude of every citizen who stands for honest and efficient city government."

Authors of the new charter are charter commissioners Robert Richardson (chairman), James Gignae, Soren Pederson, Anne Hoffman, Joseph Krochmalny, James Kratzer, Robert Brooks, Robert Kenyon and Charles Childs.

WAITING IN WONDERLAND for the American Association of University of Women's 1975 production of "Alice in Wonderland" are (from left) the Three of Hearts, Lois Andras; the Cheshire Cat, Sue Silletti; the Queen, Jane Emery; and the four of Hearts, Sue Gould. The play will be performed Friday, Feb. 28 at 7 p.m. and Saturday, March 1 at 10 a.m., 1 p.m.

and 3 p.m. in the Plymouth - Salem auditorium. A special benefit performance will be given Feb. 27 for Children of Our Lady of Providence School, Hawthorne Center and the Plymouth Child Development Center. The director is Mrs. Mary Uhl. For ticket information (admission 60 cents) call Mrs. James Carney, 11517 Burger Dr. or Mrs. Michael Malmer, 14630 Susanna, Livonia. (Staff photo by Hank Meijer)

Daylight Savings Plan Readied for Elementaries

If Michigan goes to Daylight Savings Time later this month, elementary schools in the Plymouth School District will start 15 minutes later.

The delayed time for school opening was approved unanimously by the Plymouth School Board at its meeting

Monday night and will only go into effect if Daylight Savings Time is adopted for Michigan.

Although the legislature rejected Daylight Savings Time for this year, it is expected to reconsider the matter — maybe as soon as Thursday.

If it is passed this time, the

state will change to the new time system on Feb. 24. Under the board's decision Monday, Plymouth elementary schools would start classes at 9 a.m. effective that day. (They currently start classes at 8:45 a.m.)

The delayed school starting time will continue in effect "until sufficient daylight warrants moving it back." This

means that with the earlier dawn, the schools could be on the later schedule for about a month.

Last year, when the state was put on daylight savings time, many parents complained that the early - morning darkness was unsafe for youngsters on their way to elementary school. In addition, two school children were injured in a dawn - light

accident while crossing Five Mile Road to Tanger School last winter.

That prompted the school board to move school starting time to 9:15 a.m. temporarily last year.

The contingency plan for this year will go into effect Feb. 24 only if the state begins Daylight Savings Time, and will not affect middle or high school schedules.

Burger Bandit Nets \$15.00

After nearly a three-mile chase the Michigan State Police and the Wayne County Sheriff patrol managed to run a suspected robber into a telephone pole and take him into custody, Tuesday afternoon.

The suspect, a Plymouth man who's name could not be released at press time, held up the Burger King restaurant at 560 W. Ann Arbor Trail. The suspect armed with a blue steel revolver, got away with \$15.00.

Plymouth City police received the call at about 2:00 p.m. Tuesday. They immediately released the mans identity and license number after he was identified by Burger King manager Rocky Heckel.

The suspect was spotted east on Cherry Hill road when an unmarked Wayne County Patrol car noticed the vehicle, however, the man would not pull over. According to Trooper Krafft of the Michigan State Police the suspect was travelling about 50 m.p.h. when he arrived on the scene. After banging the sides of

their vehicles for about two miles, trooper Krafft ran the suspect off the road and into a telephone pole — to prevent an accident with an oncoming car.

The driver of the car was injured and taken to Wayne County General Hospital.

According to Heckel, the man entered the restaurant just before two o'clock. He handed the cashier a note requesting the money in her register. The cashier thought that the man was joking until he threw the order microphone on the floor. He then demanded the money. The cashier proceeded to give the suspect three five dollar bills. He then ran out the door, and drove away. The suspect is presently in the custody of Plymouth Police.

According to Plymouth Police Chief Tim Ford the suspect was apprehended because of the combined effort of the Wayne County Road Patrol, and the Michigan State Police. The suspect was captured at 3:15

REVELERS enjoyed the community's first ethnic fest, a Fasching Party, held Friday by the Plymouth German-American Club. The event, which featured German food and music, was a sellout. (Staff photo by Robert Cameron)

14 School Programs Cited

Fourteen programs offered in the Plymouth Community Schools have been cited as "promising" by the Michigan Dept. of Education.

In a pamphlet entitled, "Locally Identified Promising Educational Practices for 1974," the state education department listed 14 programs from Plymouth - the second - highest number for a single school district. Among the programs cited were:

- The Gallimore Elementary School Outdoor Lab
- Elementary Vocational Education Programs
- Child Center
- Vocational Education Shared Time Program at the High Schools
- * "Happy Room" Project
- Independent Study Programs
- Variable Modular Scheduling at the High Schools
- Administrative Team Program

- The Rotary-School Farm
- International Relations Program.

Ach du Lieber!

The German-American Club's first Fasching Party festivities nearly ran dry prematurely Friday night when two half-kegs of beer were stolen from outside the door of the cultural center between 9:30 and 10:30 p.m., while the party was in progress.

Plymouth Police found the brew still intact minutes later in some bushes at the corner of Farmer and Theodore, just down the street from the cultural center.

What's Happening

The Plymouth Paw Prints 4-H Dog Obedience Club is hosting an OBEDIENCE MATCH for all the members of 4-H dog obedience clubs in Wayne County. The match will be held Saturday, Feb. 15 at 10 a.m. in the Northville Square Shopping Mall. Only 4-H members may participate, but the public is invited to attend.

Registrations are being taken now for OBEDIENCE CLASSES starting Feb. 26. Call Edna Terry, 435-6760, for more information.

Feb. 13 at 8 p.m. THE AMERICAN ASSOCIATION OF UNIVERSITY WOMEN will hold its annual FIRESIDE MEETINGS. The three topics and locations are: "Township Planning: Problems or Progress?" at the home of Esther Hulsing, 12619 Beacon Hill Ct., "The Aging Process: Golden or Gray Years?" at the home of Janet Repp, 47911 Brewster Ct. and "Legislative Concerns" at the home of Lucia Danes, 121 High St., Northville.

The Canton, Northville, Plymouth YMCA will present "MAGIC FOUNTAIN," another in its series of SATURDAY MORNING MOVIES, Feb. 15 at 10 a.m. and 12:30 p.m. at Plymouth - Canton High School. Admission for the 77-minute feature is a 35-cent donation. For details call the Y at 453-2904.

The Plymouth Community schools' continuing education department is offering a Sunday afternoon family RECREATIONAL SWIM at the Plymouth - Salem High School pool beginning Feb. 2 from 3 p.m. to 5 p.m. The cost is 35 cents for students and 75 cents for adults, up to maximum of \$1.50 per family. Parents are encouraged to accompany their children, but don't have to.

A six-hour SAFE BOATING COURSE will be offered by the Plymouth Community Schools beginning Feb. 27. Youngsters between the ages of 12 and 16 are required by law to have a State of Michigan safe boating certificate in order to operate a motor boat without adult supervision. The classes will be given on three successive Thursdays between 4 and 6 p.m. at Central Middle School in room 107. Call in your registration at the continuing education office, 459-1180. There is no fee.

Dr. Weldon Petz, a leading authority on Abraham Lincoln, will speak Thursday, Feb. 13 at the monthly meeting of the PLYMOUTH HISTORICAL SOCIETY on "THE MUSICAL NOTE IN LINCOLN'S LIFE." He will play the music of Lincoln's time and display artifacts of the period. The meeting starts at 7:30 p.m. in the Dunning Memorial Building. Visitors are welcome.

The THREE CITIES ART CLUB will hold its regular monthly meeting tonight (Feb. 12) at 8 p.m. in the Plymouth Community Credit Union at Harvey and Maple. Member artist Cuyler W. McCutchan will demonstrate the making of picture frames. Guests are welcome.

The Northwest Wayne County Chapter of the NATIONAL ORGANIZATION FOR WOMEN will meet Feb. 18 at 7:30 p.m. at the Newman House on the Schoolcraft College campus, 17300 Haggerty, Livonia. The speaker will be Shirley Monson, the Michigan State Coordinator of NOW.

Today through Friday at 4:30 p.m. a HEARTS IN THE SAND demonstration of the making of colored hearts used as bases for dish gardens is offered free at the Green Thumb shop, upstairs in the Forest Place Mall on Forest near Ann Arbor Trail.

Smith School will present its FAMILY VARIETY SHOW Tuesday, Feb. 18 at 7 p.m.

A SWEETHEART DANCE will be held Feb. 14 from 9 p.m. to 1 a.m. in the Plymouth Knights of Columbus Hall, 150 Fair. Admission is \$7 per couple, with beverages available and a buffet lunch planned for 11 p.m.

WSDP RADIO will hold its Third Annual Open House on Friday, Feb. 14. This celebration marks the anniversary of WSDP's third year of on-the-air broadcasting. All facilities will be open to the public from 3 p.m. until 8 p.m. There will be coffee and cookies served.

The SARAH ANN COCHRANE CHAPTER DAR will honor its 1975 "Good Citizen" award winners and their mothers at a luncheon Wednesday, Feb. 19.

The PLYMOUTH FOLK DANCE CLUB will have its first meeting at 8 p.m. Thursday, Feb. 13 at the Plymouth Cultural Center, 525 Farmer St. Sponsored by the recreation department, the group is open to all who wish to learn various ethnic steps and for those who wish to perform.

The Plymouth Parks and Recreation Department will be sponsoring a ROCKS AND MINERAL CLUB. An organizational meeting will be held Feb. 18 at 8 p.m. at the Plymouth Community Cultural Center. A guest speaker will be present to discuss other clubs in this area.

Registration for the PLYMOUTH SOCCER ASSOCIATION will be held Saturday, March 1 from 9 a.m. till noon at the Plymouth Community Cultural Center. Anyone between the ages of eight and 15 is invited to join in the excitement of soccer.

PLYMOUTH KIWANIS Club President Robert Hayman got a look at two of his namesakes recently — calves Robert and Roberta — in a picture from Kwanju Boys Town in South Korea. The institution's founder, Dr. Sam Park (right), addressed the Plymouth Kiwanis Club last year while on a visit to the Detroit area. He mentioned to the Kiwanians that he hoped someday to have a cow his boys could milk. What started as a joke became a contribution to international goodwill when the Kiwanians offered Park not one, but two calves if they would be named appropriately and photographed. The Korean gladly obliged and the promised picture has just arrived.

Canton Triples Assessment Rate for New Sewers

Canton Township officials have announced that the assessment for new sewers will go up from \$3 per front foot to \$9 per front foot, effective immediately.

According to Clerk John Flodin, the fees have been low in comparison to the actual cost of sewer installation for several years. The township has been

making up the difference and officials said that the costs should be shared on a more equal basis.

All new sewer installations will be affected unless, according to township engineer Glen Roberts, "there was a written agreement of \$3 made at an earlier date." However, he said, such a specification is seldom found in the written agreements.

Legion Offers Vets' Bonus Aid

Members of the Plymouth American Legion Post will assist Vietnam veterans with their state bonus applications.

The Legion Hall at 888 Sheldon Rd., across from Western Electric, will be open on Sundays from noon to 2 p.m. and on Tuesdays from 7 to 9 p.m. There will be a notary public present and no fee will be charged for the authorization of

the applications.

Post Commander Bob Finley said that only living veterans' applications will be available. He explained that the forms for next-of-kin applications will not be ready until spring.

Veterans should bring their separation papers and proper identification verifying the applicant's identity.

Save \$250 or more and get a true bicentennial collectors' set worth \$39.95 for just \$12.50.

200 years ago the early American colonists knew all about the virtues of thrift. And they knew a good bargain when they saw one. Too bad they're not here for our "Great American Bicentennial Spoon Sale."

But you are. Just open a savings account of \$250.00 or more — or, if you already have a savings account with us, add \$250.00 or more to your present balance. Then take advantage of a super price reduction on a beautiful set of 13 pewter spoons, each with an authentic seal of one of the original 13 colonies.

The set — a \$39.95 value — is made by the craftsmen of the International Silver Company and comes complete with a handsome display rack of genuine oak.

Best of all, it's yours for just \$12.50.

Should you need more encouragement, remember that we offer the highest bank interest in town on regular savings. An effective annual yield of 5.2%.

You see, we compound interest on our regular 5% savings *continuously* — not quarterly, or even daily like ordinary banks. We also offer a wide array of time deposit accounts which yield from 5½% interest for 90-day accounts... up to 7½% interest for 6-year accounts.*

This set of 13 great American spoons is a beautiful way to prepare your home for the bicentennial. And our saving plans are good common sense ways to prepare for the future.

See us soon and take advantage of the "Great American Bicentennial Spoon Sale." After all, offers like this only happen once in 200 years.

Federal law and regulation prohibit the payment of a time deposit prior to maturity unless three months of the interest thereon is forfeited and interest on the amount withdrawn is reduced to passbook rate.

The political spoils system appears to be alive and lucrative in Canton Township.

Recently Canton hired Bruce Phillips for the \$9,000-a-year assistant ordinance officer position funded by the federal government's Comprehensive Employment and Training Act (CETA).

Phillips' wife, Pam, was hired earlier by Supervisor Bob Greenstein as his secretary — for which the township pays more than \$10,000 a year. Their salaries now total \$19,000 a year from the township.

Both the Phillips were active in Greenstein's campaign for the New Democratic Club of Canton.

Political patronage (as well as nepotism) is nothing new in Canton Township hall, but has the township board really weighed Phillips' appointment in light of the CETA regulations?

Section 96.26, dealing with criteria for CETA employees, reads: "Political patronage — No program will be funded if the eligible applicant discriminates with respect to political affiliation.

"Specifically, no eligible applicant, subgrantee or employing agency may select, reject or promote a participant based on that individual's political affiliation or beliefs.

"The selection or advancement of employees as a reward for political services or as a form of political patronage, whether or not the political service or patronage is partisan in nature, is discrimination based on political belief or affiliation and is prohibited."

Considering the previous mixup on the eligibility of Canton employees hired for the fire department under CETA, the Canton Township Board of Trustees should reevaluate Phillips' appointment to be sure it does not jeopardize Canton's CETA chances.

Possibly Phillips was the most qualified person to apply for the job (he is a photographer by profession), but the political ties must be investigated.

While the board is at it, investigate the residency requirements and their application to the other CETA employees recently hired.

At least the Phillips' have no children to be added to the Canton Township payroll.

A POSSIBLE PLAN for Plymouth's downtown future was presented by Vilcan-Lemuth & Associates in a 77-page report to the city commission Monday night. This drawing shows a loop-line loop road encircling the 60-acre shopping center. The road would use portions of Church, Harvey and Kellogg Streets. Parking facilities would be developed in-

side the loop, along with pedestrian malls. Dividers are built in the center of the loop road to facilitate the flow of traffic. While this is the ultimate plan, portions of it could be used over a period of years. The year 1980 is set as the target date.

Road Would Circle 60 Acre Center

Study Started By Commission

It is not that the business district population, while the city commission should be expanded to 15 members, sufficient for a shopping center for 40,000 people. Plymouth's businessmen have been extremely interested in the survey and plan to start work on the plan as soon as the city commission authorized its inception last summer. There appear to be many merchants ready to start work on the plan of one street, Plymouth street.

SOME THINGS TAKE TIME, like the proposed "Loop Road" for example. This Jan. 8, 1959 front page of The Plymouth Mail chronicles the Plymouth city commission's first

look at the Loop proposal 16 years ago. At its last meeting, the commission agreed to adopt a "test plan" for the Loop. Some day maybe we'll all live to see it after all.

Merchants Must Realize Loop is the Means, not End

It looks like we're going to have some sort of loop road after all.

With those changes, voila! We'll have a loop road.

Community Chamber of Commerce Feb. 24 at 7:30 p.m. in its chambers to explain and discuss the pending improvements.

The city commission is moving cautiously and prudently to try the loop in the simplest possible fashion — by changing a few signs, synchronizing traffic lights, altering some stripes and adding a new light at the corner of Union and Ann Arbor Trail.

The experiment should be simple, painless and relatively cheap. Rounding off corners and altering streets can wait until after we have some clues about where downtown stands now that the loop is close to at least a modest beginning.

That meeting is an important one. A loop road alone can't do much for the future of downtown Plymouth. It's only one step, albeit one of the most significant things the city can do, to enhance the downtown shopping area.

The commission will meet with members of the Plymouth

Now the merchants should explore ways in which they can work together to improve the appeal of their stores. Proposed facelifts for entire blocks in the central business district never got off the ground in the past. But with the meeting week after next, chamber merchants have an ideal opportunity to dust off some old ideas and try out some new ones. Consider some changes that will put the loop road in its proper perspective — as a catalyst for broader revitalization of downtown, not as an end in itself.

If nothing else, the loop road may be the last, best excuse many Plymouth merchants have to show their commitment to the central business district and their willingness to make it a more inviting place to be.

— HANK MEIJER

Breakins Lead Crimes in Township, Canton

(continued from page 1)

able to stress prevention of those crimes which trouble residents here most.

In addition to 82 break-ins last year in Plymouth Township, State Police dealt with two rape cases, four robberies, 137 larcenies, 27 bicycle thefts, 39 shoplifting cases, 26 stolen cars, 10 check frauds and one case of molesting.

In Canton they handled four rapes, 64 larcenies, 18 bicycle thefts, two shoplifting cases, 31 stolen cars, nine check frauds and two cases of molesting besides the 64 break-ins. No robberies were reported.

Garrison said that with new shopping centers opening in Canton, shoplifting cases are expected to rise sharply.

State Police crime statistics reveal only part of the story,

however. Beyond the numbers are crimes which go unreported, and beyond those are the attitudes of residents toward the police.

He hopes that by bringing attention to crimes which affect a greater share the community, more people will become aware of the variety of crime prevention aids offered by the State Police.

"We're trying to go beyond

just the police procedural part of crime," he said, noting that the State Police are making a greater effort to coordinate their work with that of juvenile courts and protective agencies, such as the county departments of mental health and social services.

After a month spent collecting data and studying ways to present crime prevention

information, Garrison is ready to bring his case to the people. Right now he has to make contacts in the townships with merchants and residents who want to learn how to prevent crimes.

"All anybody has to do is give us a call," he said. "I'd be more than happy to set something up."

Schools Weigh Millage

(continued from page 1)

"That's the year we might need a millage," Hoedel said.

School Supt. John M. Hoben said there were some factors which still may affect the 1975-76 budget.

Hoedel said utility costs — which have risen sharply for the schools — represented half a million dollars in this year's budget and may go even higher.

At a Saturday morning meeting two and a half weeks ago, Hoedel's projections to the school board estimated an operating millage increase of as much as 2.5 mills would be needed to balance the 1975-76 school budget.

The board is still considering the possibility of an "earmarked" millage issue of .4 mills to replace the .4 mill safety levy which expires in June. This special levy may be used for building repairs.

School Board Member George Lawton suggested Saturday that the school board consider making the operating millage expiring in June into a four or six-year proposal to couple its expiration with another millage expiration.

This would put a large portion of the operating millage up for approval at one time in the future, a move which some school districts have found helpful to getting voter approval.

In its discussion on the 1975-76 budget Saturday, the board also asked that seven changes in the elementary school curriculum be considered for financing, even if it means reducing or eliminating some existing programs. Those seven items are:

• Adding a director of elementary curriculum.

• Training of staff members to work in the new schools opening in the fall of 1976.

• Adding an elementary school counseling program.

• Adding vocational education for elementary schools, much like art and music are now offered.

• Reducing class — size in elementary grades when possible.

• Using now — certified staff to free up certified staff in classrooms and libraries.

• Reviewing the curriculum

council studies as they are completed to consider implementing their recommendations.

Those items are being reviewed by the board and the administration, but it will be a long time before the 1975-76 budget — and related millage plans — will be finalized.

The June 9 election is the regularly scheduled school vote. In addition to whatever millages the board proposes, two school board seats — held by Tom Yack and Carl Berry — are up for election.

Pinsetter Injured

A 19-year old Garden City man was treated for injuries Saturday night at Wayne County General Hospital after he lost his footing while working above a pinsetting machine at Plaza Lanes on Plymouth Road.

According to State Police, another Plaza Lanes employe found David Pashkot lying partly conscious on the floor behind one of the pinsetting machines. One of the victim's

shoes was hanging from a curved metal machine handle above him.

State Police theorized that Pashkot apparently slipped from the platform at the top of the machine, caught his shoe on the rod and was thrown down head first, striking his head either on the floor or against a row of cardboard boxes full of bowling pins.

Who'll Install Canton Streetlights?

BY KATHY KUENZER

Detroit Edison's recent announcement that it will no longer pay for installation of streetlights in Canton and other townships has left officials here wondering what will happen to current projects as well as future plans.

According to Canton Township Clerk John Flodin, Detroit Edison used to pay for streetlight installation, then charge the townships for electricity and maintenance. Now the utility proposes that the townships pay for installation and receive electricity and maintenance at a reduced cost. But installation

charges are prohibitively high for the townships to absorb, he said.

Two subdivisions in Canton, Carriage Hills and Windsor Park, have neighborhoods that have been waiting as long as two years for lights to be installed. The question now is whether the Detroit Edison policy change will mean an even longer delay.

Flodin said that one option is to ask Detroit Edison if the township could install new lights through private contractors, paying for the projects either through a bond issue or through assessments.

"There are municipally-owned streetlights," he said,

BB Gunners Damage Bank

Vandals, armed with BB guns, have been plaguing the Surety Federal Savings and Loan Assn. at 1200 Sheldon Rd. in Plymouth Township.

According to the Wayne County Sheriff and H. Beecher Todd, manager of the bank, several windows in the front and back of the building were shot up over the weekend of Feb. 1-2 and again last Thursday.

Damage to the windows was estimated at \$2,000.

"I wish the parents of these

youngsters knew what they were doing with their BB guns," Todd said. "It's just a shame to see this."

The vandals struck again last weekend - damaging the house next to the savings bank as well as an employe's car in the bank lot.

Priest Installed

Fr. John Lombardini was installed formally Sunday as pastor of St. Kenneth Roman Catholic Church in ceremonies following noon mass there.

The 41-year-old priest was formerly co-pastor of St. Philip Neri Parish, Detroit.

Hefty Theft

Early last Wednesday morning four barrels of scrap steel with a total value of \$580 were stolen from the rear of the Teledyne-Howell-Penncraft Standards Co., building, 101 Industrial Dr., Plymouth Police reported.

Each of the barrels weighed from 200 to 300 pounds.

Correction

The family services offices of Plymouth are administered by Child and Family Services of Washtenaw County, not by the Washtenaw County United Fund, as previously reported.

EXQUISITE DINING SINCE 1934

 41661 Plymouth Road - Plymouth - 453-4300

"but that would be up to the people and the township board."

Canton Treasurer Carl Parsell said he feels the latest announcement by Detroit Edison is another "test balloon" by the utility to see if it can get out of its responsibility to install streetlights in the townships.

He sees three possible options

left to the township as the matter stands now: having no streetlights at all, raising the money through bonds or assessments to install lights under Edison's terms or taking the private contractor route and installing its own lights - again paying for them either through bonds or assessments.

Community Obituaries

VFW's Robert McElroy Dies

Robert B. McElroy, 55, of 315 Hartsough, Commander of the Plymouth Mayflower VFW Post, died suddenly Feb. 2 in Ziegler Osteopathic Hospital.

He was stricken while at a VFW Fourth District Rally in East Detroit. Services were held in Schrader Funeral Home with Rev. Henry

Reinewald, past VFW national chaplain, officiating. Burial was in Riverside Cemetery with full military honors, including taps and a 10-man firing squad.

Mr. McElroy is survived by his two daughters, a sister, Mrs. Cora Jordan of Plymouth, and a niece.

A West Virginia native, he came to Plymouth from Arizona in 1964. He was a truck driver for Gatco Bushing and had held a number of VFW offices before becoming local commander.

Canton Farmer Perry Hix Dies Feb. 4

Perry C. Hix, 82, a member of one of Canton's pioneer farm families, died Feb. 4 in Beyer Memorial Hospital, Ypsilanti. He lived at 41454 Warren Rd. Hix Road was named after his father, John Hix.

Services were held in Schrader Funeral Home with Rev. Theodore Taylor officiating. Burial was in Riverside Cemetery.

Mr. Hix is survived by his daughters, Mrs. Marion Allor and Mrs. Barbara Soth, both of Plymouth; a brother, Dr. Ralph A. of Santa Barbara, Calif.; five grandchildren and four great-grandchildren.

He was a lifelong resident of the area and a retired farmer. He was a member of the Pilgrim Group Farm Bureau, the Canton Township Goodfellows and the Detroit Historical Society.

Philip Koeninger Dies Jan. 26

Rev. Philip J. Koeninger, 27, of 1707 Springwells, Detroit, died Jan. 26 in Cottage Hospital, Grosse Pointe Farms after a long illness. Services were in Paul The Apostle Lutheran Church with Rev. Edgar Herman, Rev. Karl Krauss and Rev. Edward Zell officiating. Local arrangements were by Schrader Funeral Home. Burial was in Glen Eden Cemetery.

Rev. Koeninger is survived by his wife, Mary J.; his parents, Rev. and Mrs. Leonard Koeninger of Plymouth; a sister, Kristine Koeninger of Plymouth; and his grandmother, Mrs. Edna Koeninger of Wautosa, Wis.

He was minister of Paul The Apostle Lutheran Church and a graduate of the Michigan Lutheran Seminary.

Mildred Burr Dies Jan. 31

Mildred I. Burr, 73, a former president of the Historical Society of Plymouth, died Jan. 31 in her home, 40552 Ann Arbor Road after a long illness. Services were held in First United Methodist Church of Plymouth with arrangements by Schrader Funeral Home. Rev. Paul M. Cargo and Rev. Dale M. Miller officiated. Burial was in Riverside Cemetery.

Mrs. Burr is survived by her husband, George S.; a son, Sanford of Plymouth; a daughter, Mrs. Margaret Kidston of Plymouth; sisters, Mrs. Marion Morrow of Cheboygan and Mrs. Ida Mae Woodall of Tuscon and four grandchildren. She was a lifetime resident of Plymouth and president of the

historical society in 1970-71. She was a supporter of plans for the Plymouth Historical Museum and a past president of the Women's Club of Plymouth. She was also a member of First United Methodist Church and past president of its women's society. She was formerly a teacher in Detroit.

Memorial contributions may be made to the memorial fund of First United Methodist Church or the Historical Society of Plymouth.

C.L. Woodward

Charles L. Woodard, 73, of 202 Longfellow Dr., South Lyon, died Jan. 25 in University Hospital, Ann Arbor. Services were held in Schrader Funeral Home with Rev. Dennis M. Metzger officiating. Burial was in Riverside Cemetery.

Mr. Woodward is survived by his wife, Iole May; his daughters, Mrs. Edna Mulholland of Plymouth, Mrs. Janet Eddington of Stockbridge, Mrs. Beulah McCuaig of Ada and Shirley McIntosh of Grand Rapids; sons, Earl, George, Vern, Charles, Gerald and Bob; a brother, Arthur, 25 grandchildren and eight great-grandchildren.

He was a production worker with Ford Motor Co.

Mayme Campbell

Mayme A. Campbell, 83, of 14601 Robinwood, Plymouth Township, died Jan. 27 in St. Joseph Mercy Hospital. Services were held in Schrader Funeral Home with Rev. B. Edwin McDonald officiating. Burial was in Evergreen Cemetery, Lansing.

Mrs. Campbell is survived by her daughter, Mrs. Doris Holly of Plymouth; her sister, Mrs. Marguerite Renox of Sun City, Ariz.; three grandchildren and two great-grandchildren.

NEWS BULLETIN

Heide's Greenhouse Needs Space

Our Easter crop of lilies, tulips, hyacinths and mums, etc. Need spacing in the Greenhouse NOW! Proper spacing is a must to maintain the high quality plants grown at Heide's Greenhouse.

To meet the amount of space required we must sell our entire stock of green plants.

On Valentine's Day, Feb. 14 we are sacrificing prices on all tropical plants.

And Ladies don't forget to tell that man about our other low, low prices on Valentine's Day - Roses \$7.50 & \$10.00 per doz., Potted Plants from \$6.00, Fresh Floral Arrangements from \$5.00.

Our Hours will be from 8:00 a.m. to 8:00 p.m.

All the Services of the Past Will Continue

Heide's Greenhouse is once again a retail Florist.

The services which began here in 1899 are now continuing.

All types of Floral arranging, weddings, artificial flowers, potted plants, wire service anywhere. Free delivery in the Plymouth area and very important - An Open Credit to Anyone. No questions asked. Just call us, we are as near as your phone.

Compare our prices. Since we grow our own plants we eliminate the middle man, saving you money.

The prices in the adjacent ad speak for themselves and our quality is Second to None.

Resale Shop to Open Soon

Something all of you have been waiting for is coming soon at Heide's Greenhouse. YES! A Resale Shop.

Opening early in March, Heide's Resale Shop will be a total resale outlet. Not only will clothing be handled, but many other items also. Sporting equipment, jewelry, baby needs, tools, art collections, household needs and many others.

So start saving all those items around the house that are no longer needed. Starting early in March - Heide's Resale Shop will turn them into ready cash for you.

For further information call 453-5240.

Chiefs Clip Hawks At Buzzer

BY DENNIS O'CONNOR

Brian Stemberger broke a 59-59 tie with less than a second showing on the clock Friday night as he calmly sank two free throws to give Canton a 61-59 Western Six win over Farmington Harrison.

This dramatic victory, coupled with the Chiefs' earlier whitewash of Woodhaven on Tuesday (Feb. 4), raises Canton's record to 8-9 for the year.

With Northville's two-point win over Waterford Mott, the Mustangs dropped Canton out of league title contention, but the Chiefs surely played their spoiler role well against Harrison, handing the second-place Hawks a 5-3 record and assuring Northville of at least a share of the title. Canton is now tied for third place with a 4-4 record and only one game out of second.

The Chiefs started slowly in the Harrison contest as the Hawks jumped out to an early 8-2 lead. After two Chief hoops made the score 8-6, Harrison reeled off 15 points to Canton's six to take a 23-12 lead after the first eight minutes of play.

Thanks to an 11-point second-quarter performance by the future hero of the game, Brian Stemberger, Canton roared back to pull within four at the half, 35-31.

Harrison stretched its lead to nine with three minutes gone in the third period, going ahead 42-33. But 10 unanswered Chief points in the next two and a half minutes of play boosted Canton into the lead for the first time in

the game. Joe Waid and Keith Osborn hit four points each and Stemberger made the go ahead bucket, accounting for the 10

points. The rest of the period seasawed, with the teams deadlocked at 45-45 going into the last quarter.

Harrison held the upper hand for most of the final quarter, and in fact held a four-point lead, 59-55, with only 31 seconds remaining on the clock. A Dave Edwards free throw cut the margin to three with 24 seconds left. Six seconds later, Tom Close stole a Harrison pass and was fouled. Close sank his first charity toss to bring the Chiefs within two. His second shot went off the side of the rim, but Ron Lack came up with an offensive rebound and put it in to tie things up at 59-59.

On the Hawks' next time down the court Stemberger stole the ball away from the Harrison guard with four seconds left. He dribbled back and forced a shot at the buzzer.

After all the commotion had ceased, the referees ruled Stemberger had been fouled in the act of shooting, setting up the last-second heroics.

Stemberger led the Chiefs'

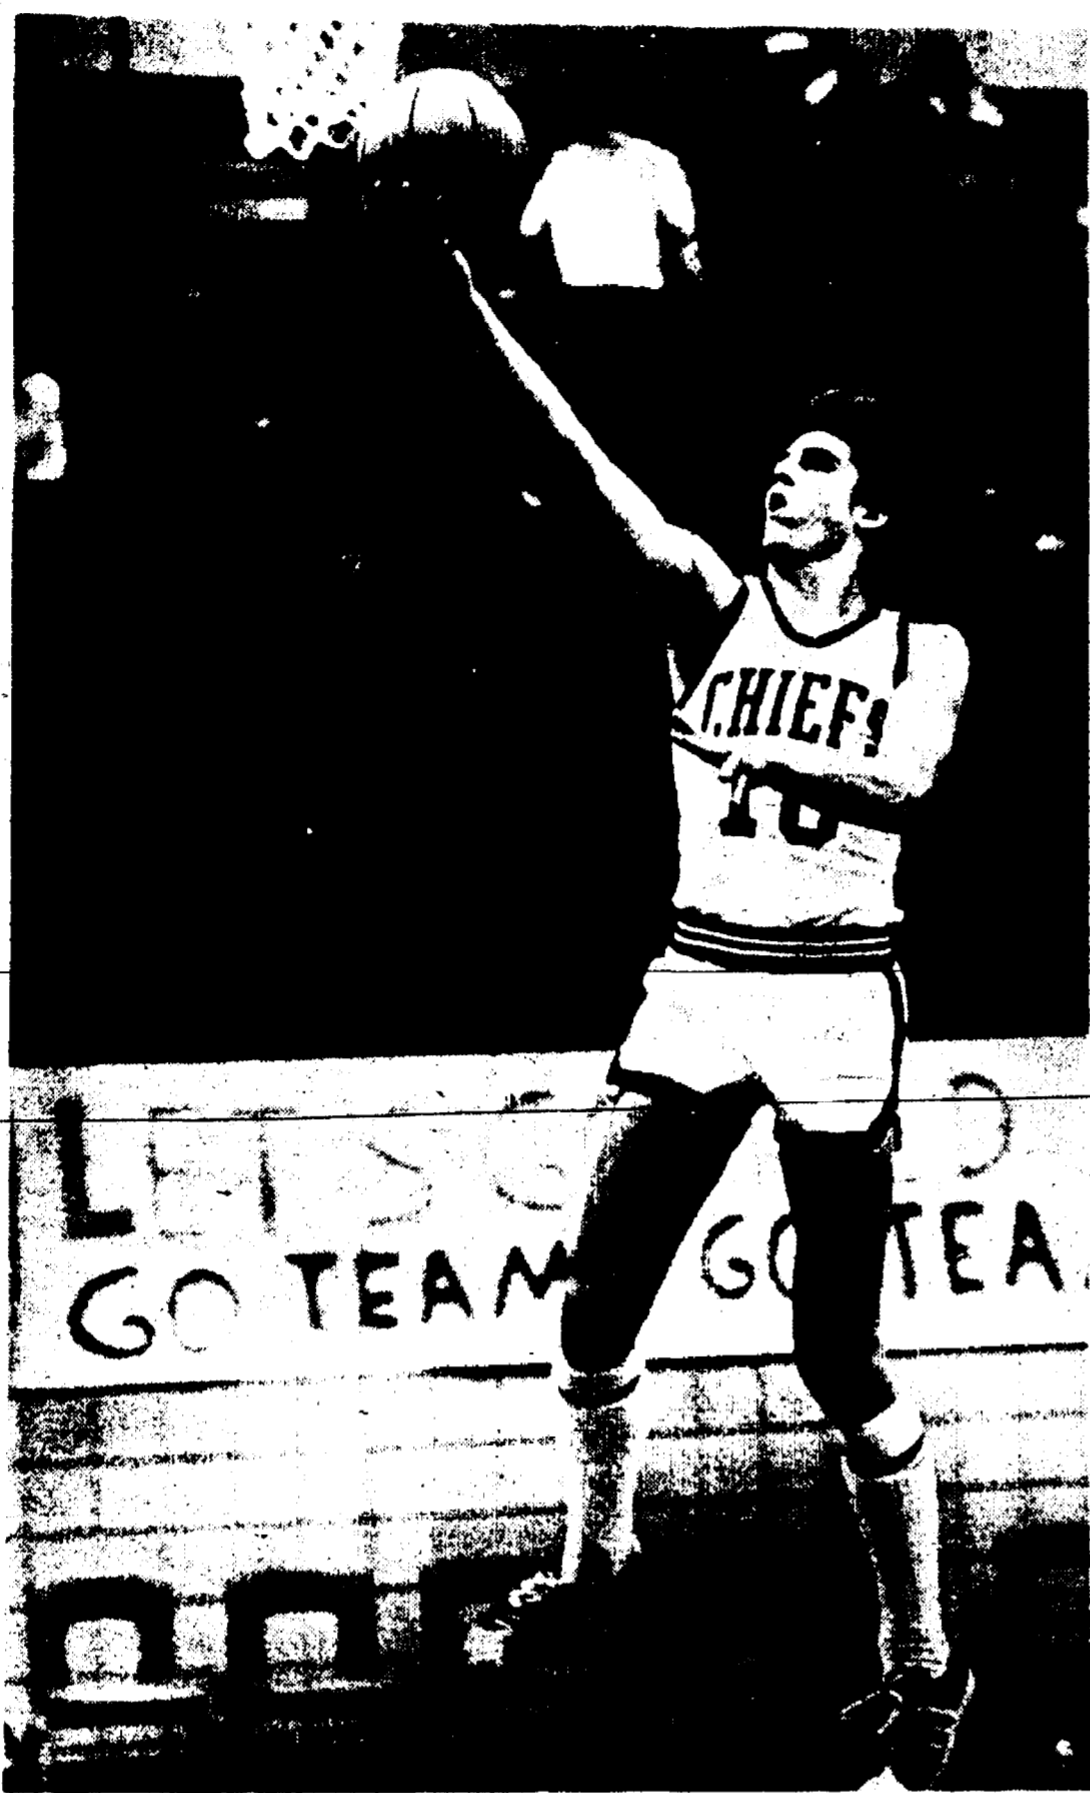

scoring with 15, followed by Lack with 12, Waid with 10 and Rick Thom with eight. Canton shot a hot 51 per cent from the floor (25 of 49), including seven of eight in the third period.

Ray Mandle came off the bench in the fourth period to run the Chief offense in the final eight minutes. In that short time Mandle had four assists and one steal.

Tom Close's 16 points paced Canton to a 64-44 non-league romp over Woodhaven last week Tuesday. Canton jumped out to a 16-7 first quarter lead and was never threatened after that. All the Chiefs saw action in the contest.

Canton Box Score (against Harrison)

	FG	FT	P
Close	2	1-4	5
Stemberger	4	7-8	15
Lack	6	0-0	12
Waid	5	0-0	10
Edwards	2	1-2	5
Osborne	2	0-0	4
Mandle	1	0-2	2
Thom	3	2-4	8
Totals	25	11-20	61

BRIAN STEMBERGER'S team-high 15 points and clutch free throws made the difference Friday as the Chiefs won their second game of the week, edging Farmington Harrison 61-59.

Rock Rally, Belleville Upset Hand Salem Sub-8 Lead

Despite an upset loss to the Belleville Tigers last week, the Plymouth-Salem Rocks held onto first place in the Suburban Eight League with a 50-47 victory Friday over Dearborn Edsel Ford at the Edsel Ford gym.

The win raised Plymouth's record to 13-2 overall.

But Salem didn't hold its first place position without a little help from its rivals, the Bentley Bulldogs. The Belleville loss, only the second setback for the Rocks this year, put them into a tie with Belleville for first place going into Friday night's action. Just as the Rocks fell earlier in the season in the Bentley gym, Belleville felt the Bulldog bite, losing 64-59 and leaving Plymouth alone on top with only three conference games remaining.

The Thunderbirds from Edsel Ford got off to a lightning quick start against Plymouth, converting on numerous layups and short jumpers. Ford made eight out of its first nine shots

from the floor and finished the initial quarter with 10 of 14 and two free throws to take a 22-14 lead.

Deliberate play by the T-Birds, who spread out in a semi-stall offense, turned the rest of the contest into a defensive struggle. Ford managed only five shots in the second period, converting on only three enroute to a nine-point quarter. Jim Ellinghausen's second six-point quarter led the Rocks to 11 second-period points to bring Plymouth within six at the half, 31-25.

Plymouth finally took the lead in the third quarter, as Ford managed only two of five shots and one free throw for a mere five points in the entire stanza. The Rocks converted on seven field goals and a free throw, giving them 15 points and a 40-36 lead after three periods.

Eric Agardy committed five second half fouls, the last coming with one minute gone in

the final period, and had to sit out the rest of the contest.

Without Agardy, the Thunderbirds caught Plymouth at 45-45 with three minutes left in the game. But the Rocks controlled the play the rest of the way, outscoring Ford five to two for the victory. Guard Tim Dillon scored three points in the entire game, but those three couldn't have come at a better time, as he accounted for three of the final five Plymouth points.

Ellinghausen had another good night at both ends of the floor. Not only did he lead the Rocks in scoring with 17, but he also played outstanding defense, blocking 10 shots.

Agardy had 14 points in his shortened appearance.

Plymouth shot 22 of 48 from the floor for 46 per cent. Ford was 18 of only 32 shots for 57 per cent. Plymouth outrebounded Ford 18-16. Captain Dan Moore chipped in with seven assists.

Is Plymouth-Canton High School serious about sports?

Is the Plymouth-Canton basketball team "the most stumbling in the area?"

The sports section of a certain Livonia-based newspaper, which covers the Livonia, Garden City, Westland, Clarenceville, Redford and Plymouth-Canton communities has observed in the past month that Canton High is NOT "serious about athletics" and that the varsity basketball team IS "perhaps the most stumbling team in the area."

The comment about Canton not being serious about athletics alarms many of us.

Students, teachers, coaches, parents and even Canton principal Kent Buikema are disturbed by such remarks.

"Our athletes and coaches are serious and dedicated in their pursuit of athletics," Buikema said. Evidence aplenty justifies his statement.

Go back to last spring's baseball team, which did not have a single senior. You will find that the Chiefs' overall record was above .500 and that they finished second in the league with a win over the

eventual state champions, Churchill. In other sports, five Canton athletes and a relay team qualified for state meets. "That shows seriousness to me," Buikema said.

If you look at the performance of Canton's athletic teams so far this year, you will notice that both the football and girls basketball squads finished second in the Western Six League conference. The cross-country team finished a respectable fourth and the golfers ended up second in the Western Six Match at the end of the year. The boys swim team and girls volleyball squad are playing above the .500 mark and the so-called stumbling cagers are 8-9 for the year, have won two in a row, and are one game out of second place in the conference.

As for dedication, the 1975 football team is already set up on a weight program directed by football coach Jim Muneio. That's dedication, eight months before the season even starts.

Records will show that the Canton varsity basketball team is not the most stumbling in the area. Canton has been around the .500 mark all season. The Chiefs' current record is the seventh best out of the 14 teams covered by the other paper. Seventh out of 14 is definitely no sign of being the most stumbling squad in the area.

Canton is a new school without years of tradition. It shares athletic facilities with Plymouth-Salem. Like any new school, it has to build from scratch a winning way and a tradition. These take years to develop. Many newer schools in operation five and six years now are still having trouble building their "traditions."

Unfortunately, Canton is overshadowed by bigger schools, like Plymouth-Salem and Livonia Churchill, which have winning traditions. But Buikema noted that even Plymouth-Salem has had lean years in the past when it came to winning, and Churchill couldn't win

Doc's Corner

by Dennis O'Connor

KENT BUIKEMA, principal of Plymouth - Canton High School, whoops it up for school pride following the Chiefs' basketball victory over Farmington - Harrison Friday night.

consistently in its second year of existence. Its basketball team is in the midst of a losing season right now.

Canton's teams have been treated unfairly. Chief athletes, coaches and everyone connected with the athletic program have made fantastic advances in the year and a half they've had. They've shown all the seriousness and dedication that each school needs. The Crier Sports Section will continue to chronicle the progress of Plymouth-Canton athletic teams.

It's worth noting that Canton's student population is less than 1,500, compared to about 2,200 at Salem.

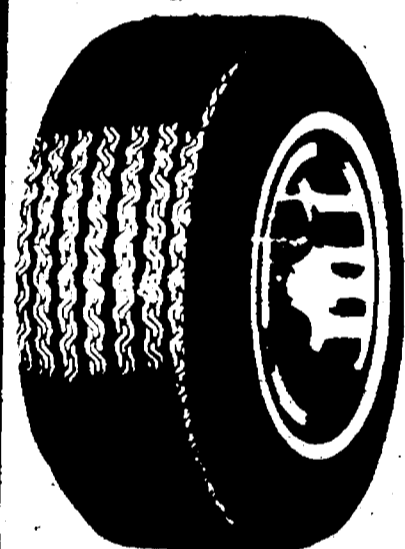

The time is long overdue for fans and sportswriters alike to recognize that the Plymouth-Canton Community

has two high schools - Plymouth-Salem and Plymouth-Canton. Both deserve our support. Both are well represented by hardworking student-athletes.

As the sports editor of the Community Crier, it has been my policy and that of the publishers and editor to cover Plymouth-Canton and Plymouth-Salem sports events without bias.

While the coverage of Canton in the other paper has been unfair and unequal compared to that which other schools receive, I will continue to treat both schools as fairly as I can.

If one team or school happens to get more headlines, that's the result of our judgment of what is of news interest to the community. Both schools will always have a place in the Crier.

Salem Tankers Fall 101-69

Byron Williams' Plymouth-Salem swimmers fell to Edsel Ford last Thursday 101-69.

The meet was not a total loss,

however, as two Rock records were broken.

Randy Skalski, who finished seventh in the 100-yard breaststroke Saturday at the Michigan High School Invitational swim meet, broke Bill Sick's record for that event by recording a 1:04.5 time.

The other Rock record setter was Bill Marks. The senior set a new diving record, amassing 259.35 points.

What's Happening in Sports

THE PLYMOUTH-SALEM BASKETBALL TEAM will face Allen Park on the Plymouth floor this Friday (Feb. 14) in a Suburban Eight League contest. Game time is 6:30 p.m. for the JV with the varsity beginning at 8:15. The Rocks hit the road on Tuesday (Feb. 18) when they go to Dearborn for another important conference game. Game time for that one is 7:45 p.m., with the JV starting at 6.

PLYMOUTH-CANTON'S BASKETBALL TEAM will be active on Saturday (Feb. 15) at home against Walled Lake Western. Game time is 8:15 p.m. for this Western Six confrontation, with JV play starting at 6:30. The Chiefs are on the road Tuesday (Feb. 18) as they travel to Southfield Lathrup for a non-league contest. Starting times are 6:30 p.m. for the JV and 8:15 for the varsity.

THE PLYMOUTH-CANTON FRESHMAN BASKETBALL TEAM travels to Northville on Friday (Feb. 14) for a 4 p.m. contest.

PLYMOUTH-SALEM FRESHMEN CAGERS will be home Friday (Feb. 14) to host Fierce of South Redford at 3:30 p.m.

PLYMOUTH-SALEM'S GIRLS VOLLEYBALL TEAM travels to Dearborn Thursday (Feb. 13) for a match starting at 7:30 p.m.

PLYMOUTH-CANTON'S GIRLS VOLLEYBALL TEAM is home Monday (Feb. 17) for a 7:30 p.m. match against Waterford Mott.

PLYMOUTH-CANTON WRESTLERS compete in the annual Western Six League meet on Saturday (Feb. 15).

PLYMOUTH-SALEM WRESTLERS host Edsel Ford Thursday (Feb. 13) for the last home dual match of the year. Starting time is 6:30 p.m. for the JV, with the varsity starting at 7:45 p.m. The Rocks then travel to Belleville on Saturday (Feb. 15) for the annual Suburban Eight League meet.

PLYMOUTH-SALEM SWIMMERS travel to Bentley this Thursday (Feb. 13) for a Suburban Eight contest at 7 p.m.

PLYMOUTH-CANTON SWIMMERS are home against Walled Lake Western on Thursday (Feb. 13) for a Western Six meet beginning at 7 p.m.

Grapplers Slam Belleville

BY BRUCE GERISH

"It was the best match of the season: Belleville's only loss prior to this was to Trenton and our kids did a whale of a job," said Coach Ron Krueger after his Plymouth-Salem wrestling team defeated an overpowering Belleville squad 30-22 Thursday.

Bob Zalimeni pinned his man to give Salem a 6-3 early

advantage.

Rick Saunders followed suit to up the lead to 9-3, but three straight losses gave Belleville a comfortable 16-9 lead.

Then Jerry Brink defeated Rick Bracken 5-4 in the last six seconds after trailing throughout the match. Krueger felt that this victory was the pivotal point in the Rock win.

Jeff Kenney and Dave Champion then gained shutout victories to go along with Dan Ross' pin and give the Blue and White a 24-22 lead.

Ken Blenda then pinned his man in only 38 seconds to wrap things up.

The victory gives Salem a 6-3 overall mark and an even 3-3 record in Suburban Eight competition.

Rock stars Les Hassen and Brink are on the brink of setting new Plymouth wrestling records of total victories. Each has 18 wins thus far and the season mark is 21.

Thursday, Feb. 20 the Rocks close their season against Dearborn Edsel Ford in the Salem gym. It will be the annual parents' night.

School Sports Shorts

Brian Gilles' girls' volleyball team made it two in a row last Wednesday with a win over Redford Union 15-3, 15-9.

The victory was the Rocks' third in four outings, but the Blue and White will face their biggest test tomorrow (Thursday) against Dearborn.

The Plymouth-Salem junior varsity lost two more games this week as its overall record dropped to 4-11 for the year.

Cold Shooting cost the Rocks the game against Belleville last week Tuesday as Plymouth was never in the contest losing 63-43.

The Rocks lost a heartbreaker Friday to Edsel Ford by the single point margin of 45-44.

The Plymouth-Canton Junior Varsity won two games this week to raise their record to 5-12 for the year. The first win came on Tuesday (Feb. 4) as they totally demolished Woodhaven 82-18. Coach Wayne Weimer cleared his bench in this rout as all the Chiefs saw action. Guard Rob Mandle led the overwhelming offensive attack with 14.

The Plymouth-Canton wrestling team lost a home match to Waterford Mott last Thursday by the score of 49-12. Freshmen Craig Lee (101 pounds) and Mark Bartlett (107 pounds) both won their matches.

The Plymouth-Canton swim team lost a Western Six League meet to a tough Farmington Harrison squad 97-73 last Thursday at the Harrison pool. Canton's record is now 5-4 for the season.

Scott Wales won the diving competition with a score of 197-75. Glen Peterson was the only double winner for the Chiefs, winning the 50-yard freestyle with a time of 23.6 seconds and the 100 breaststroke in 1:07.2.

Pat O'Donnell's freshman basketballers outscored Redford Hilbert 23-8 in the third period to take an insurmountable 54-30 lead enroute to a 60-36 victory.

The Plymouth-Canton Freshmen Basketballers lost 54-48 to Pierce of South Redford last Friday (Feb. 7) at the Plymouth gym. The Chiefs record is now 3-6 for the year.

Central's eighth grade basketball team raised its season record to 5-1 last week whipping Clarenceville 50-28.

Pioneer Middle School's eighth graders evened their record at 3-3 with a 33-17 shellacking of Pearson of Redford Union.

Mike Shay's Middle School West Bulldogs made it six in a row last week as they beat the Hilbert Panthers 46-28.

East Middle School was tripped up last week at Northville as the Mustangs won handily.

PLYMOUTH COMMUNITY SCHOOL DISTRICT BOARD OF EDUCATION MINUTES

This is a synopsis of approved minutes of a special meeting of the Board of Education held on Saturday morning, January 25, 1975 at the Administrative Offices of the Board, and called to order by Vice-President Benson at 8:07 a.m. Members Benson, Berry, Borowski, Lawton and Yack were present, with President McClendon and Member Mirto absent.

The meeting was called to consider the matter of the 1974/75 School Year Revised Budget and the 1975/76 Projected Budget. Asst. Supt for Business Hoedel distributed a report which listed the revised budget forecast for the current year, and also included an analysis of revised revenues and expenditures. Net increase in both revenues and expenditures was shown to be \$125,000, with excess expenditures over revenue of \$80,000. This amount was proposed to be deducted from fund equity accounts. The entire budget for the 1974/75 school year was proposed as \$15,025,000 in revenue and \$15,105,000 in expenditures.

Several questions and discussion on all items concerning the proposal took place, especially on the matter of use of fund equity. Member Lawton favored cutbacks in expenditures rather than any increase of \$125,000 at this time. Supervisor of Maintenance Symonds joined the meeting to discuss the amount of money which must be added to the budget for salaries for custodians at this point, due to a low estimate made at time original budget was set up. It was pointed out that the entire budget estimate was only off .83 of 1%, which is an excellent estimate for the year. All Board members and administrators suggested ways and means for bringing about changes which would balance the budget if possible. Board was reminded that decisions regarding a millage election and campaign therefor would need to be made soon.

Member Lawton moved, supported by Member Borowski that a resolution passed at a former meeting be rescinded which would order administration to suggest \$300,000 in cuts, in light of the fact that basis for taking that action no longer exists. Member Lawton then moved, also supported by Member Borowski that the Board approve the revised established budget of \$15,105,000, as presented by the Business Division for the 1974/75 school year.

Another special meeting of the Board was set for 9 a.m. on Saturday, February 8, to continue the budget study and proceed to go through the line items and to work from the various materials available to Board members. All motions carried unanimously.

Member Yack asked the Board for direction on

proposed State legislation regarding legality of teachers' strikes and the matter of collective bargaining. He presented eight points which must be considered for consensus and reported to the Michigan Association for Improved School Legislation. Member Lawton and Member Borowski requested that a special meeting of the Board be called for Wednesday, January 29, at 10 p.m. at Junior High East to consider the matter.

This special meeting was adjourned to 12:25 p.m.

Following is a synopsis of the approved minutes from the regular meeting of the Board of Education in Plymouth, held on January 27, 1975, at Canton High School. Four members were present, Members Borowski, Lawton, McClendon and Mirto. Several administrators and guests were in attendance. Minutes of the regular meeting held on January 13, 1975 were approved as written for the Board.

Administrative Action Items: A request to extend a school bus route No. 43A to Ladywood High School in Livonia was denied, on a motion by Member Borowski, seconded by Member Lawton. (All motions carried unanimously unless noted. Four members present constitute a quorum of the Board.)

Business Administration Action: Member Lawton moved, supported by Member Borowski, to approve the recommendation to allow an Option to Purchase Land in the total amount of \$60,600 by the Michigan State Highway Commission for 10 acres of school property on West side of Ridge Road between N. Territorial and Five Mile Roads, monies to be redeposited in Building and Site Fund No. 1. The sale of 364.08 feet of frontage, 27 feet deep, in front of Tanger Elementary School to the Wayne County Road Commission for \$5,750.00 was approved on a motion by Member Lawton, seconded by Member Borowski; monies also to be returned to Building and Site Fund No. 1. A motion was made by Member Lawton, seconded by Member Mirto, which would approve a proposal by Graham-Culotta Architects to provide all professional services for 2nd floor renovation for the School District Administrative Offices which was an item included in 1974 bond issue election. The motion was not carried, Member Borowski abstaining from the vote, since she questioned whether such an architectural contract should not be let out for bids before decision was made.

Instructional Administration Action: The proposal of the Curriculum Coordinating Council Science Study Committee Report was accepted on a motion by Member Borowski, seconded by Member Lawton,

with the direction to move toward Phase VI of the study, financial estimates.

Personnel Administration Action: Recommendations for tenure as reviewed by principals and tenure coaches were presented and tenure was granted to 13 teachers at this time who have qualified for that status, on a motion made by Member Lawton, seconded by Member Borowski. A new contract was offered to Faith Schweiss, to teach vocal music at Pioneer School (1/2 time) on a motion made by Member Borowski, supported by Member Lawton, and also to accept the resignation of Linda Davis, a second grade teacher at Allen School. Member Mirto moved, seconded by Member Borowski, to approve formally the letter sent by the Board President to the PEA Grievance Committee, which denied their grievance 5-74-75 and accepted grievance 4-74-75.

Policies presented for the first time for Board review were duly noted, and those policies ready for adoption and amendment were deferred to the next meeting of the Board. A proposal to set up the time line for completion of new buildings was also noted and held for future agenda.

The meeting was adjourned at 8:55 p.m.

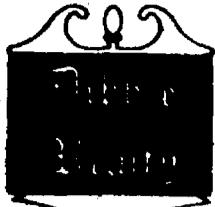

THIS IS A SYNOPSIS OF MINUTES AND COMPLETE SET AS WELL AS TAPE RECORDING OF PROCEEDINGS MAY BE REVIEWED IN THE BOARD OF EDUCATION ADMINISTRATIVE OFFICES.

Following is a synopsis of the approved minutes from the special meeting of the Board of Education in Plymouth, held on January 29, 1975, at East Middle School. The meeting was called to order by Vice-President Benson at 10:29 p.m. Four members were present, Members Benson, Berry, Borowski and Lawton. Superintendent Hoben and Administrative Assistant for Personnel Kee were also in attendance.

The meeting was called to consider the eight points for consensus relative to proposed State legislation regarding the legality of teachers' strikes and the matter of collective bargaining.

Member Lawton moved, supported by Member Berry that Member Borowski, Superintendent Hobel, Adm. Assistant for Personnel Kee and Member Yack be appointed to represent the School District at the Metropolitan Association for Improved School Legislation meeting and that the consensus of these four represent the views of the School District relative to Public Act 379. The motion carried unanimously.

The meeting was adjourned at 11:15 p.m.
