

MIDNIGHT MADNESS swept downtown Plymouth last Wednesday night as local merchants opened their doors for an unusual night of shopping. See story on page two. (Staff photo by Robert Cameron.)

Plymouth students better state wide test scores

Plymouth School District fourth and seventh graders met or exceeded the attainment levels of their counterparts statewide on the mathematics and reading objectives of the Michigan Educational Assessment Test. "Our fourth and seventh graders by and large did better than children in the same grade levels statewide," said Dr. Ed Page, director of pupil personnel services for the Plymouth Schools. The tests, which were administered here last October, in effect measure the effectiveness of a school's third and sixth grade curriculums in teaching students the skills they need to attain specific objectives in math and reading.

"The data we're getting back is much more meaningful than it was in the past," Page said. "The

did last, with an increase in percentage of objectives attained that was also greater than that registered statewide.

The "objective-reference" tests pit students throughout the state against a given set of learning goals, rather than against each other.

"Last year our teachers were able to go back and modify their curriculum to objectives" we felt were important, Page said. Plymouth youngsters also fared better this year than they

City OKs sale of **Pilgrim Towers site**

The Plymouth City Commission Monday gave its permission to the Pilgrim Non-Profit Housing Corp. to try to sell the defunct senior citizens houtsing site at Ann Arbor Trail and the C & O tracks to the U.S. Postal Services as a site for a new post office.

"We expect to know in less than three months whether this parcel will be their prime choice for a new post office," Pilgrim President James Houk told the commission.

The Post Office has set May 2 as the deadline for owners of property in which the post office might be interested to submit bids.

Postal officials say they won't condemn property in order to gain enough land for a building at a given site, so all property owners on a parcel in which the post office is interested would have to be in accord before land would be acquired.

The Pilgrim Towers would have to be rezoned from residential to office use to suit a post office.

The Michigan State Housing Development Authority earlier this year rejected the Pilgrim property as a site for a senior citizen's high-rise, ending any hopes Pilgrim officials had of receiving federal or state aid to subsidize construction of such a facility there.

Houk said the site would be offered to the post office at cost.

math objectives for fourth graders and 40 for seventh graders, as well as 19 and 20 reading objectives respectively. These represent only selected objectives and are not intended (continued on page 13)

Sheldon widening planned

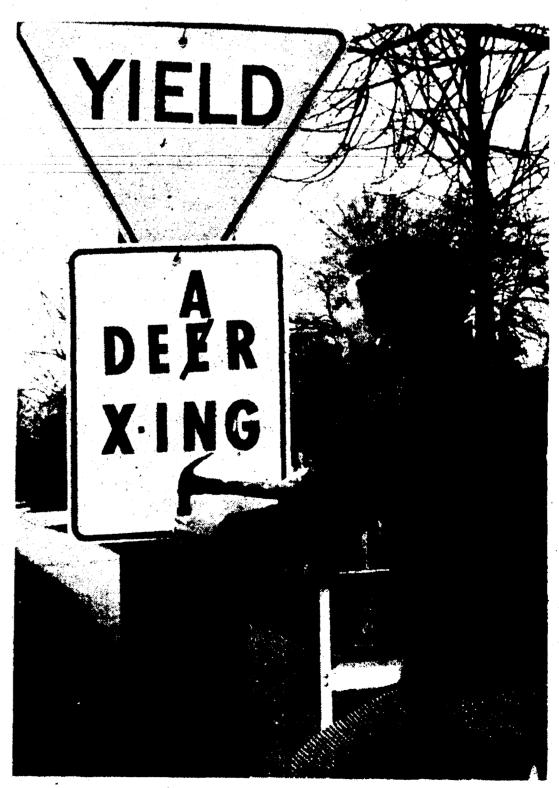

The Wayne County Road Commission will be taking bids Thursday on the widening of Sheldon Road at the intersection of Ford and Sheldon in Canton Township.

According to road commission spokesman William La Gosh construction could begin within about a month on the widening of Sheldon fo four lanse from where four - lame pavement ends about a quarter mile north of the intersection down to about 180 feet south of the intersection.

Ford Road would be widened slightly at the intersection to make it uniform with its width in front of shopping centers immediately to the west, LaGsoh said.

With good weather the work on the corner, which some residents claim is one of the worst in the area, could be completed within three months.

Sheldon is a county road, while Ford belongs to the state. La Gosh said the state pays for work done in the intersection itself.

SERVING NOTICE on motorists that Woodland Place in Plymouth is no place to speed. Mrs. John Stathakis tried some warning signs of her own last weekend. Plymouth Police persuaded her to take down the signs, but Chief Tim Ford acknowledged that measures need to be taken to slow down drivers on the curve near the Stathakis residence. Midnight Madness draws crowd

There was more than a touch of madness in the air last Wednesday night - and Plymouth merchants loved it.

"Midnight Madness," a bargain-filled commercial happening, drew hundreds of shoppers to stores in the central business district, Old Village and the Sheldon-Ann Arbor Road centers. Parking lots were jammed and the consensus among merchants, according to chamber of commerce officials, was that similar projects may soon be in the works for later on this year.

"The turn-out went beyond our farthest expectations," said Jim McCartney, executive director of the Plymouth Community Chamber of Commerce. "I've been here since October and I've never seen the Central Parking Lot full. You couldn't physically get into some of the stores, I was very impressed.

"As I walked around and talked to a lot of people I got the feeling it wouldn't be too long before merchants are ready to try it again.

"Some of them weren't planning on participating, but then they saw all the action and they decided to open their stores."

"The response was overwhelming," said one Old Village merchant.

Dody Kennedy, chairman of the chamber's retail committee and proprietor of the Pick o' the Wick shop, shared McCartney's enthusiasm. "This place was wall-to-wall people," she said. "At 7:30 p.m. the Central Lot was full. It was a great success. I haven't talked to anyone who wasn't real pleased."

McCartney said he had feared shoppers might neglect Old Village and Sheldon-Ann Atbof Road shops, but merchants at both locations reported good crowds.

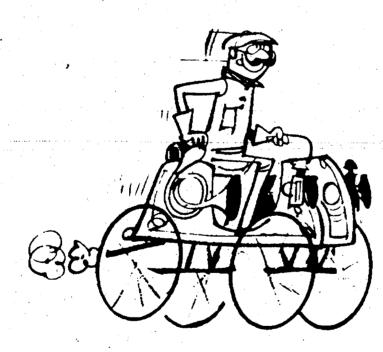

Mrs. Kennedy predicted that another such sale might be held this fall.

SETTING THE STAGE for this weekend's presentation of the "Barber of Seville" in the Plymouth - Salem High School auditorium are (from left) spotlight operator Gene Whitlock, auditorium supervisor Jim Kaiser and light board operator Matt Foor. The event is scheduled for Saturday night. Tickets are \$6 at the door or \$5.50 at the Plymouth Community Arts Council box office in the Detroit Edison office, Main and Ann Arbor Trail. The Friday rehearsal of the Michigan Opera Theatre production is also open to the public. (Staff photo by Robert Cameron.)

Restaurants may lose unused liquor licenses

Restaurants partially completed on Starkweather Street in Old Village and on Forest in downtown Plymouth may lose their liquor licenses if work on them isn't resumed soon.

The Plymouth City Commission voted Monday to ask the Michigan Liquor Control Commission for a July 1 cut-off on any extensions on liquor licenses now held by Calvin Boles Jr. for his Golden Spike Restaurant at 885 Starkweather and R. Terry Cuson on his project at 555 Forest in the old Consumers Discount Building.

The commission had recommended approval of class C licenses for both developers Feb. 19, 1973. Work has been halted for several months at both sites with little likelihood that either owner will be able to open his facility in the forseeable future.

Commissioner Harold Guenther opposed denial of extensions on Cuson's license.

"If construction started by July 1 they would probably be granted an extension," said City Manager Fred Yockey.

Secretaries, building staff vote on AFSCME pact

Canton Township's nine secretaries and five building department employees are scheduled to decide today (Wednesday) whether they will join the American Federation of State, County and Municipal Employees AFSCME')

Employees in these two departments are currently nonunion. The Township's DPW empliyees voted to join AFSCME last summer. They are currently negotiating their first contract with the township as an AFSCME bargaining unit.

Report favors expansion

Mettetal's future discussed

KATHY KUENZER

Nearly 50 members of the Pickwick Village Assn. met with Canton Township Supervisor Bob Greenstein last week to discuss the future of Mettetal Airport.

Bill Vitti, president of the association, said the meeting was an informal discussion of the recently released Mettetal storage. The airport runway Airport Feasibility Study written for the township by R. Dixon Speas Associates Inc., of

Minneapolis.

"The report is a favorable one to the expansion of the airport," said Vitti. "Just generally it says that, to make it a profitable venture, there would need to be more airplanes based there, more airplane movement in and out, possibly including turbo-props and small jets, and more fuel

to 4,000 feet.

"Naturally, we're opposed and we challenge some things in the airport. We are not against the airport as it is today, although sometimes they fly low over our homes. We just don't want to see any expansion in our direction."

Vitti said the meeting with Greenstein was a "decent" one with good discussion. "He

YOUNGSTERS at the Plymouth Center for Human Development now have a chance to choose some of their own wardrobes in the center's newly - opened clothing store. Plymouth merchants Fred Hill (above) of John Smith Men's Wear and Julie Thoman of Wayside Gifts served as members of an advisory committee which helped center staff and residents create a real-world store. To keep the establishment well-stocked, the center, located on Sheldon Road just north of Five Mile, welcomes donations. (Staff photo by Hank Meijer.)

Bids opened for new State Police post

Bids were opened yesterday for the proposed construction of a new State Police post in Northville that would consolidate operations now housed in the Plymouth and Redford posts.

According to Plymouth Post Cmdr. Lt. William Tomczyk, construction could begin soon at the new site - on Seven Mile Road just west of Northville State Hospital - if the bids are determined to be "within reason."

Tomczyk said state officials are aiming for completion of the facility in October, 1976.

Politicians broke ground at the site last year, but work has yet to begin.

Meanwhile, painters are

refurbishing three floors in one wing of the state hospital to accomodate single State Policemen. The hospital wing has also been planned as a temporary post that would replace Plymouth and Redford until the new building is completed, but money for that remodeling job has yet to be authorized by the state.

When the new building, which will be State Police second district headquarters, is in use, the crime lab and more than two dozen troopers and sergeants will work out of there.

The sub-post now in use on Mill Street in Plymouth will be returned to its owner and former tenant, the Plymouth Community School District.

would have to be expanded toward Warren Road from its present 2,600 feet to from 3,800 (Greenstein) said he rémains open on the airport's future and that a public hearing will be coming up at a later date."

Paving bid way under estimate

Residents of sections of Burroughs, Hamilton, Herald, Maple, Roe, Virginia and Byron streets in the City of Plymouth slated to be paved this summer will be assessed nearly \$5 less per front foot than anticipated.

Bids on the project came in far cheaper than city officials expected, City Manager Fred Yockey told the city commission Monday.

- A total of 19 contractors submitted bids on the project, which had carried on estimated

It's time for dog tags

uary.

Depending on whether you live in Canton or the City of Plymouth, Plymouth Township, you have either passed the expiration date for purchasing a dog license or you have a month or two left.

According to a Canton Township official, the expiration date for purchasing licenses at \$4 was Feb. 28. After that rates went up to \$5 per dog. Canton, as with Plymouth and Plymouth Township, requires an up-to-date certificate of rabies

cost of about \$196,000. The commission agreed to award a contract to Cunningham -Gooding contractors of Ypsilanti at a cost of \$146,322, or about \$50,000 less than anticipated.

Residents whose streets are paved will be assessed at a rate of \$14.20 per front foot, rather than \$19.11 as originally estimated.

"I hope this gets sufficient publicity so that the people who were here for the public hearings see it," said Commissioner

One of the most popular operas of all times (even we low class, non - opera fans can recognize it as that), "The Barber of of Seville," is coming to town this weekend.

Not that I normally would have anything to do with barbers, but I'm planning to go.

So you cna't appreciate the production like a school of music grad van - but if you can appreciate singing, instrumental music and acting as individual arts, why not all at once?

My wife and I once had the very rare (we hope) privelege of seeing the opera "Carmen"

Finally, it ended. An even after it was all said and done, we can still say we gained some

of its most impressive undertakings - "The Barber of Seville."

But when you really come

Canton needs 2nd fire hall

Treasurer Carl Parsell is right: the impetus for another try for a public safety millage in Canton Township should come from the people, not from the township board.

فأبرج فيجر وتوجريج ودبرا الأخصص يهوا بالتعوير المارد فعاتنعهم

Canton residents rejected two millage requests last year that would have empowered the township board to levy up to five mills for the creation of a police department and construction of a second fire station.

"Although the danger still exists that the Wayne County Board of Commissioners will end Sheriff's road patrols in the township, that threat doesn't seem to be enough to prompt people to vote five mills in new taxes.

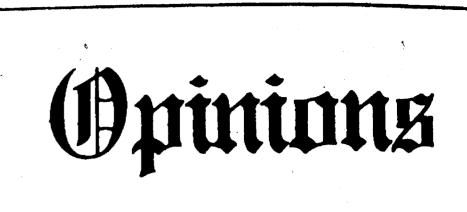

The need for a second fire station is here now. The township has dropped some strong hints that such a station is overdue - witness the designation of its only fire station, located at Canton Center Road and Cherry Hill, as "Fire Station No. 1."

Then there's the new sign which describes township property on the north side of Warren Road east of Haggerty as the "Future Site of Fire Station No: 2."

Plymouth Township, with only two-thirds the population of Canton, is equipped with two fire stations. Canton has only one.

Township officials, who often have trouble finding common ground seem to be in accord that a second station is necessary.

But if Carl Parsell is right, if a millage try is to succeed this time, let the pressure come from Canton residents. This issue, as much or more than any other. should win the support of civic. associations and homeowner groups.

THE COMMUNITY CRIER

Page Six

Like the clean-up project planned by members of the Northwest Canton Homeowners Assn., it seems to be an ideal rallying point for all township residents, whatever their political affiliations.

The homeowner groups, perhaps better than the township board, are in a position to present a united call for funds. They have a stake in seeing a station built closer to many of their populous subdivisions.

This time, however, let's separate requests for police and fire needs.

As the road patrol gets one reprieve after another, few township voters are likely to entrust the board with the authority to levy additional millage. Support for a township police force should come swiftly if the county ever carries out its threat.

A millage large enough to provide for both police and a fire station is too expensive and vague to stand much change of approval in today's economic police department somewhere down the line.

April 23, 1975

The fate of the fire station would not by tied to legal and political squabbles over extension of road patrol service. -HANK MELJER

Athletes thank schools for their banquet

Editor:

I would like to use your column to express publicly a heartfelt thanks from Plymouth -Canton High School athletes and their families to Mrs. Orlean Baker of the Canton High School Staff;

She has spent much time and effort in making "favors" which will always be cherished by the students, and has arranged many nice details for banquets and other hinors ceremonies.

"Thank you Orlean."

MRS. W.D. DEN HOUTER P.S.I do like your compact little newspaper.

cedonian program.

enjoyment from the production. This weekend the Plymouth Symphony will be offering one

Opera is an intricate production and, as such, tends to scare away laymen like us.

Oh, the opera itself was alright it's just that we saw it in Skopia, Yugoslavia and it was, in Macedonian - an unusaul language, to say the least.

In addition to being hampered by the landuage problem (which never deters adedicated) journalist), it was hot and the Slavs never heard of air conditioning.

Since we couldn't really tell what was going on (or even come close), we thought the eyent was mercifully over after each act and prepared to leave. (It was no help to read the Madown to it, opera is the culmination of the performing arts it's everything for the price of one.

At least this weekend's production (Saturday at 8 p.m. in the Plynouth - Salem High School aufitorium), is in English so we'll be able to understand a little bit more than if it were in Macedonian.

It's not very often we get the opportunity to broaden our horizons beyond Lt. Columbo, Hogan's Heroes and M.A.S H. This weekend's one chance to do so. See you there.

Schools' safety group attacks AAA report

Plymouth School District Safety Committee members Thursday attacked an Automobile Club of Michigan report released last month which ques-

tioned the safety of district corners and the need for an overpass at Sheldon and Ann Arbor Trail.

AAA traffic enginner Robert

WIZARD WILL Bill Heiney and his dove, Romeo, will entertain youngsters and adults alike Friday night at the Bird School Fair. The event, which will include a hot dog dinner, a magic show and rooms full of games, will run from 5:30 to 8:30 p.m. Looking forward to the PTO-sponsored carnival are (from left) Darren Floyd, Kristopher Stathakis and Luci Uppleger, all kindergarteners at Bird.

Smith joins fight

Wayne County Commissioner Royce E. Smith (D-Belleville) has joined the fight against a proposed airport here.

The area where Wayne, Oakland and Washtenaw counties abut is being studied by the Michigan Department of State Highways and Transportation's Bureau of Aeronautics and the Wayne County Road Commission as the possible location of a general aviation airport for business and private craft. Bureau representatives will conduct an informational panel at a public hearing set for 8 p.m. Thursday, May 1 in Plymouth City Commission chambers. Individuals and groups will be allowed to make oral or written statements. "In my opinion, there is no need for another airport in that area, and there is no way an airport can be located there

without stirring up a hornet's nest of opposition," Smith said. He added that at least 200 homes would have to be condemned in order to assemble enough land for an airport.

"This would be a waste of public money and a needless imposition on more than 200 families," he said. "When I-275 is completed – and that will be before any airport could be in operation - Willow Run and Pontiac airports will be only 30 minutes away from that area by motor vehicle."

C. DeCorte, author of the report and himself a member of the sa-- fety committee, told others on the committee that spending \$55,000, or about half of the district's earmarked safety millage funds at a single intersection would not leave enough for other safety programs in the schools.

"There is not a big enough problem at that intersection to spend \$55,000 there," he said. "Your're dropping half your eggs in one basket.'

"I hesitate to spend all this money at one location...an overpass is not a cure - all. I've heard that too many times. It's going to create some problems you've got to be aware of. As long as there's no guards around the kids won't use it.'

"In my opinion these alternatives (DeCorte's suggestions of more in- school safety programs) are laughable," said one safety committee member . "Are they alternatives for spending my money or alternatives for getting my children across the street?"

"It's our responsibility to provide a safe way for children to cross, not a guarnatee that people will use it."

"If you know that what you are buying may generate some problems with youngsters going up and down and jaywalking down th street - if you're prepared to deal with that - then an overpass is an absolute improvement," said Plymouth Police Chief Timothy Ford.

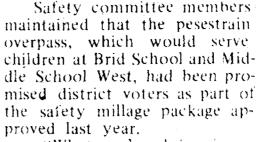

EXQUISITE

11:30 a.m.-11 p.m.

DINING

SINCE

1934

"What we're doing is rehashing past history", said safety committee member Toni Barr. "The overpass is a fact, it will be built sometime in August."

Safety committee officials cited one hour during a survey last. October when 2,378 cars used the intersection at Sheldon and Ann Arbor Trail while 376 elementary school youngsters also had to cross the corner.

Chairman Flossie Tonda noted the crossing guards there see cars run red light at the intersection several times a week.

"There are more cars than kids." DeCorte responded. "Cars are bigger and faster and heavier and if I were those kids I'd get out of the way."

"If a child disobeys a signal, he's dead," said safety committee secretary Phyllis Sullivan. "If a motorist disobeys he gets a small fine." At the close of DeCorte admitted that an overpass "is the safest way of they (youngsters) use it, but you've got to get them on the bridge."

The committee also questioned DeCorte's recommendation that stop signs at Spring and Holbrook in fornt of Starkweather school be reversed to make Holbrook non - stop and Spring a stop street.

CANTON HURLER Bill Parson tossed shutouts Monday and last Wednesday, humbling Churchill and Northville batters. (Staff photo by Robert Cameron.)

Softball squads drop debuts

Crier Flyers lose opener

A seventh-inning rally fell short for the Plymouth - Canton girls' softball team Thursday as the Chiefs fell one run short of victory over Northville, 10-9. They scored two in the first, one in the second, five in the third and the final tally in the seventh to account for their nine-run total. Canton, with 10 hits, was paced by Kathy Sochacki, who collected three and added four RBIs. Judy Freiman chipped in with two hits and Kim Zoladz had two **RBIs**.

the outcome of the Livonia Churchill contest played last night (April 22).

THE COMMUNITY CRIER

Parson's no-hitter stuns Northville

Sharp Chiefs blank foes

BY DENNIS O'CONNOR

Bill Parson, the Plymouth -Canton Chiefs' righthanded pitching ace, threw back to back shutouts this past week against Western Six League opponents Livonia Churchill and Northville.

The 5-0 victory over Northville last Wednesday was a no-hit performance by the 16-year old junior. He backed that gem up with a three-hit, 2-0 win Monday over Churchill.

It was a typical Canton -Churchill baseball contest of the sort that is turning into a celebrated rivalry. Last season, each team won one game, Canton by a 1-0 score and Churchill by a 4-1 tally in 13 innings.

Parson and Warren Wallis of the Chargers were locked in a pitcher's duel through the first five innings before the Chiefs took advantage of two base on balls and their only two hits of the game to score twice.

Keith Randazzo led off with a walk. Tom Close beat out a bunt for an infield hit and Chris Martucci loaded the bases with a walk. Clean-up hitter Mike Verduce scored Randazzo and Close when he ripped a clutch single into centerfield.

Parson went all the way in beating last year's state champs, giving up three walks, striking out six and hitting one batter.

The Chiefs' non league game against Livonia Franklin was cancelled last Friday because of rain.

going the full seven innings, Parsons foiled the Northville batters to perfection, his pitches out 14 opponents.

Bill walked only one batter and hit another. The closest the Mustangs came to scoring off the junior righthander was in the sixth inning when they placed runners on second and third with only one out. This threat was the result of three Chief errors in the inning. But Parson calmly got the next two batters out on a pop up and a striking out the side in the bottom of the seventh.

Canton scored its first run in the opening inning. With two down, Chris Martucci doubled into the left centerfield hole. After Tom Close walked, Mike Verduce jumped on the first

pitch and delivered an RBL single, schoring Martucci from secor.

The Chiefs tallied agian in the second without the benefit of a hit. Scott Dunagan walked with one out and raced all the way to third on a throwing error by the Northville pitcher on an attempted kick off. Ed Pariseau scored Dunagan when he laid down a

perfect suicide squeeze bunt.

The other three Chief runs were knocked in by hot - hitting shortstop Brian Stemberger. Keith Randazzo and Verduce scored on Stemberger's two run double in the third. Close came home on Brian's triple in the fifth stanza.

Canton collected only four hits all afternoon, but took ad vantage of Northvilles' sloppy fielding.

Fall Fest road race planned

The Fall Festival Board has tentatively scheduled the first Annual Plymouth Community Fall Festival Five-Mile Road Run for Saturday, Sept. 6 of Fall Festival Weekend.

The five-mile course will start at the corner of Main and Ann Arbor Trail and will run all around the town. Men and

Gymnasts earn regional honors

Twelve girls placed recently in regional gymnastics competition at the Plymouth gym. Two teams (13, 14, 15 and over)finished with point totals second to Bloomfield Hills, allowing them to compete in state competition at Mount Pleasant.

women in all age groups are urged to enter.

Four age groups are planned for men and three for women. All entrants will receive a t-shirt and a certificate saying they ran the course. Trophies and ribbons will be awarded to the top five finishers in each age group.

Wendy Gray, Jill Moorehead, Leslie Bublin and Renee Rochette will represent Plymouth in the 13-14 bracket. Lori Agnew, Patti Muraske, Dana Worsnop and Annette Kubiske are the four gymnasts in the 15-over competition that made state qualifications.

This opening loss put Canton at an 0-1 record, not including

The opener of the Plymouth -Salem girls' softball season was not a happy one for the Rocks. They lost a free - slugging affair to Westland John Glenn 18-11 last Wednesday.

Julie Shearer led the Rocks' 10-hit attack with three safeties. She scored three runs. Donna Goodrich added two hits and Lisa Szczodrowski also scored three runs.

Julie Minier and Debbie Pitera worked on the mound for the Rocks.

Sports Happenings

The PLYMOUTH-CANTON BASEBALL TEAM has three Western Six League games scheduled for this week. The first one is this afternoon (April 23) at home against Farmington Harrison. The Chiefs hit the road Monday as they face Walled Lake Western and return to the Central Middle School field next Wednesday (April 30) for a home game against Waterford Mott. Game time for all three contests is 4 p.m.

The PLYMOUTH-SALEM BASEBALL TEAM has two suburban eight league games on the road this week. The Rocks are at Allen Park Friday and travel to Dearborn Edsel Ford Tuesday (April 29). Both games start at 4 p.m.

LES ANDERS TOURNAMENT play for both Plymouth-Salem and Plymouth-Canton baseball teams was cancelled Saturday (April 19) because of the wet weather. First-round games are now set for this Saturday (April 26). The Rocks face Bishop Borgess at Cass Benton Field, while the Chiefs encounter Redford Union at Perrin Field.

The PLYMOUTH-CANTON JUNIOR VARSITY BASEBALL TEAM is at home Monday (April 28) against Walled Lake Western and on the road Wednesday (April 30) at Waterford Mott. Both games begin at 4 p.m.

The PLYMOUTH-SALEM JUNIOR VARSITY BASEBALL TEAM is home for two games this week. The Allen Park Jaguars visit Plymouth Friday (April 25) and the Edsel Ford Thunderbirds invade next Tuesday (April 29). Game times are 4 p.m.

Both PLYMOUTH-SALEM AND PLYMOUTH-CANTON BOYS' TRACK TEAMS have meets Thursday (April 24). The Rocks are at home against Allen Park, while the Chiefs visit Livonia Churchill. Both are league meets. The Salem competition begins at 4 p.m., with the Chiefs starting at 3:30 p.m.

The PLYMOUTH-CANTON GIRLS' TRACK TEAM is in action today (April 23) at Livonia Churchill in a 3:30 league meet. The Chiefs return home next Wednesday (April 30) for a non-league clash with Redford Union. Starting time for that one is 4 p.m.

The PLYMOUTH-SALEM GIRLS' TRACK TEAM is at home today (April 23) for a meet against rival Livonia Bentley. The Rocks remain home next Tuesday (April 29) as they host non-league opponent Livonia Stevenson. Starting time for both meets is 4 p.m.

The PLYMOUTH-SALEM TENNIS TEAM plays three matches this week. Dearborn Edsel Ford visits Plymouth Thursday (April 24) for a 4 p.m. Sub-8 match. The Rocks remain home Monday (April 28) against non-league opponent Livonia Stevenson in a 3:45 p.m. match and hit the road the following day (April 29) for a 4 p.m. league match at Allen Park.

The PLYMOUTH-CANTON TENNIS TEAM travels to Walled

on the chin last Thursday, losing to mighty Dearborn Edsel Ford

Plymouth took first in two events, five second places and seven thirds to account for its 29-point total.

Kim Woody won the pole vault and Ted Burton took the shot put event for the Rocks.

Canton, Salem track gals fall

After the opening meet for the Plymouth - Canton girls' track team was cancelled last Thursday because of rain, the Chiefs' debut was delayed until Monday, when they lost a close meet to Ladywood High School, 48-57.

Sophomore Meagan Ford led the way for the Chiefs. She won three individual events: the 110 hurdles, the 100 dash, and the long jump. Freshman Veronica Gray took firsts in the 220 dash and the high jump. Carolyn Rumberger was a winner in the shot put event.

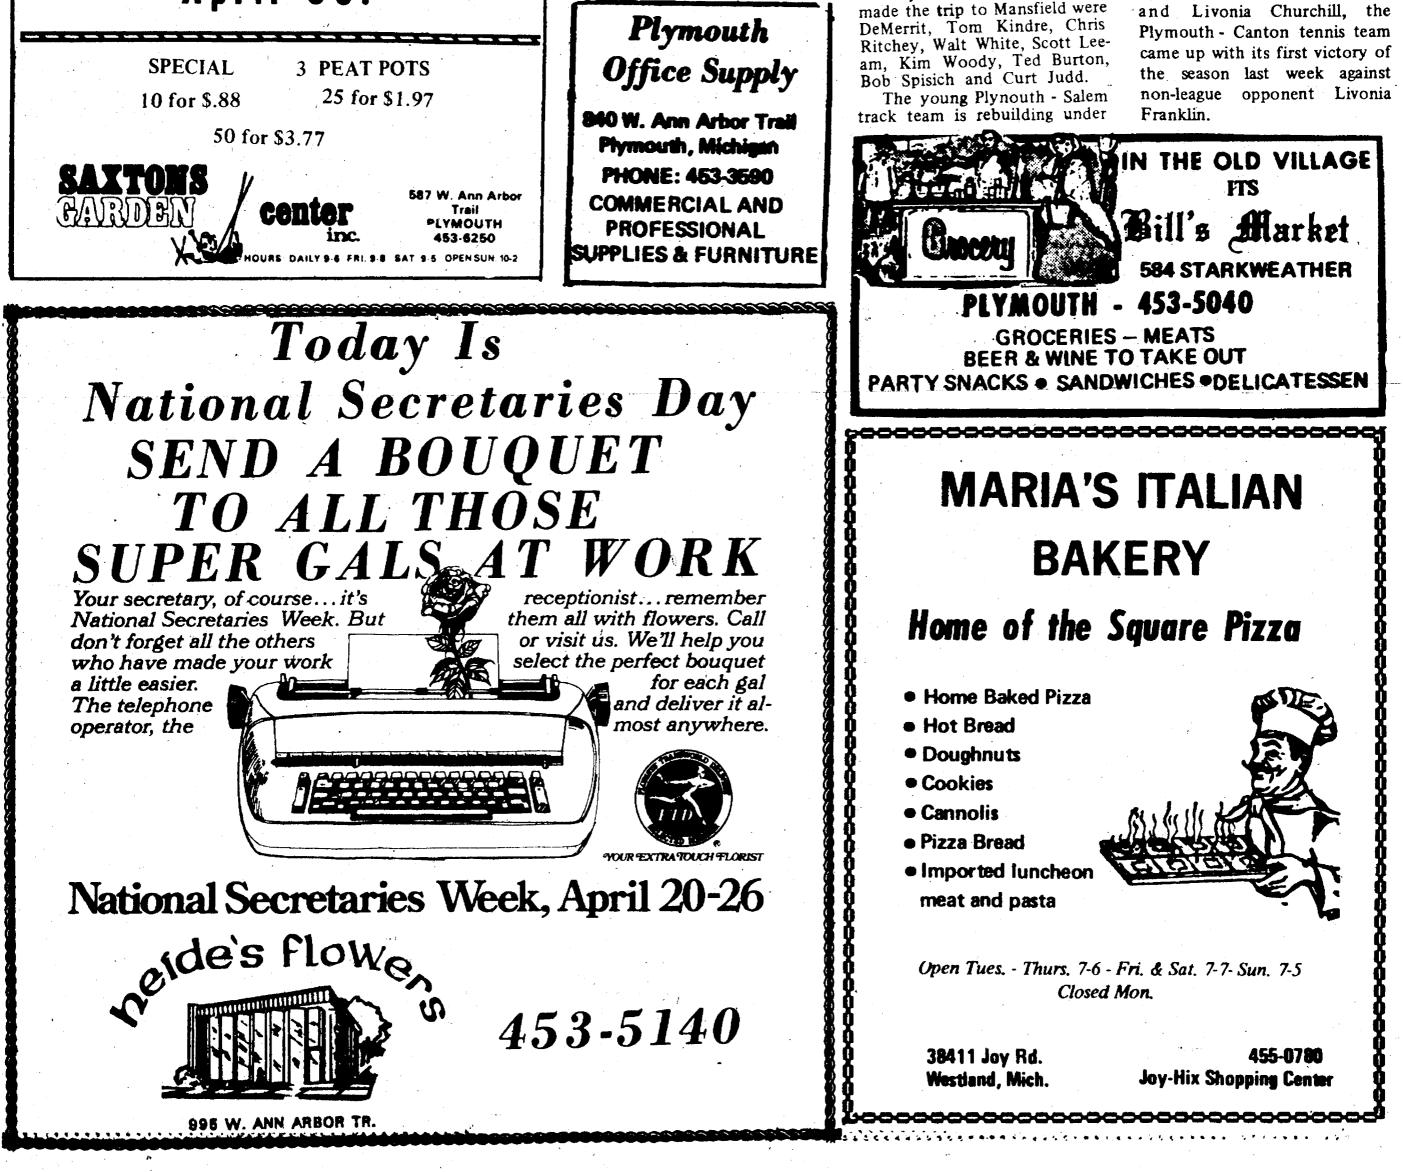

The Plymouth-Salem girls track team won five individual events and a relay in a 42.5-62.5 loss to a tough Walled Lake Western squad last Wednesday at

Rock JV wins

The Plymouth-Salem junior varsity baseball team raised its record to 4-1 for the year last week, winning three contests in four starts.

Chiefs are 2-0

The Plymouth-Canton JV baseball team won its first two games of the season last week as they downed Northville and Livonia Churchill.

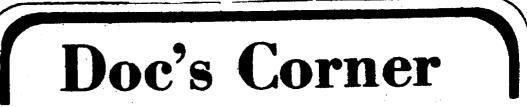

the Plymouth track.

Linda Agardy won the shot put with a toss of 28-feet, 3-inches. Barb Croci took the 880 run in 2:35.03. Debbie Lyberger won the mile in 6:19. Jackie Croci placed first in the

440 dash in 1:00.8. Runi Holter won the last individual event, running the two-mile in 13:55.8.

The mile relay team of Sandy Ezzo, JoAnn Langkable, Barb and Jackie Croci finished on top with a time of 4:26.1.

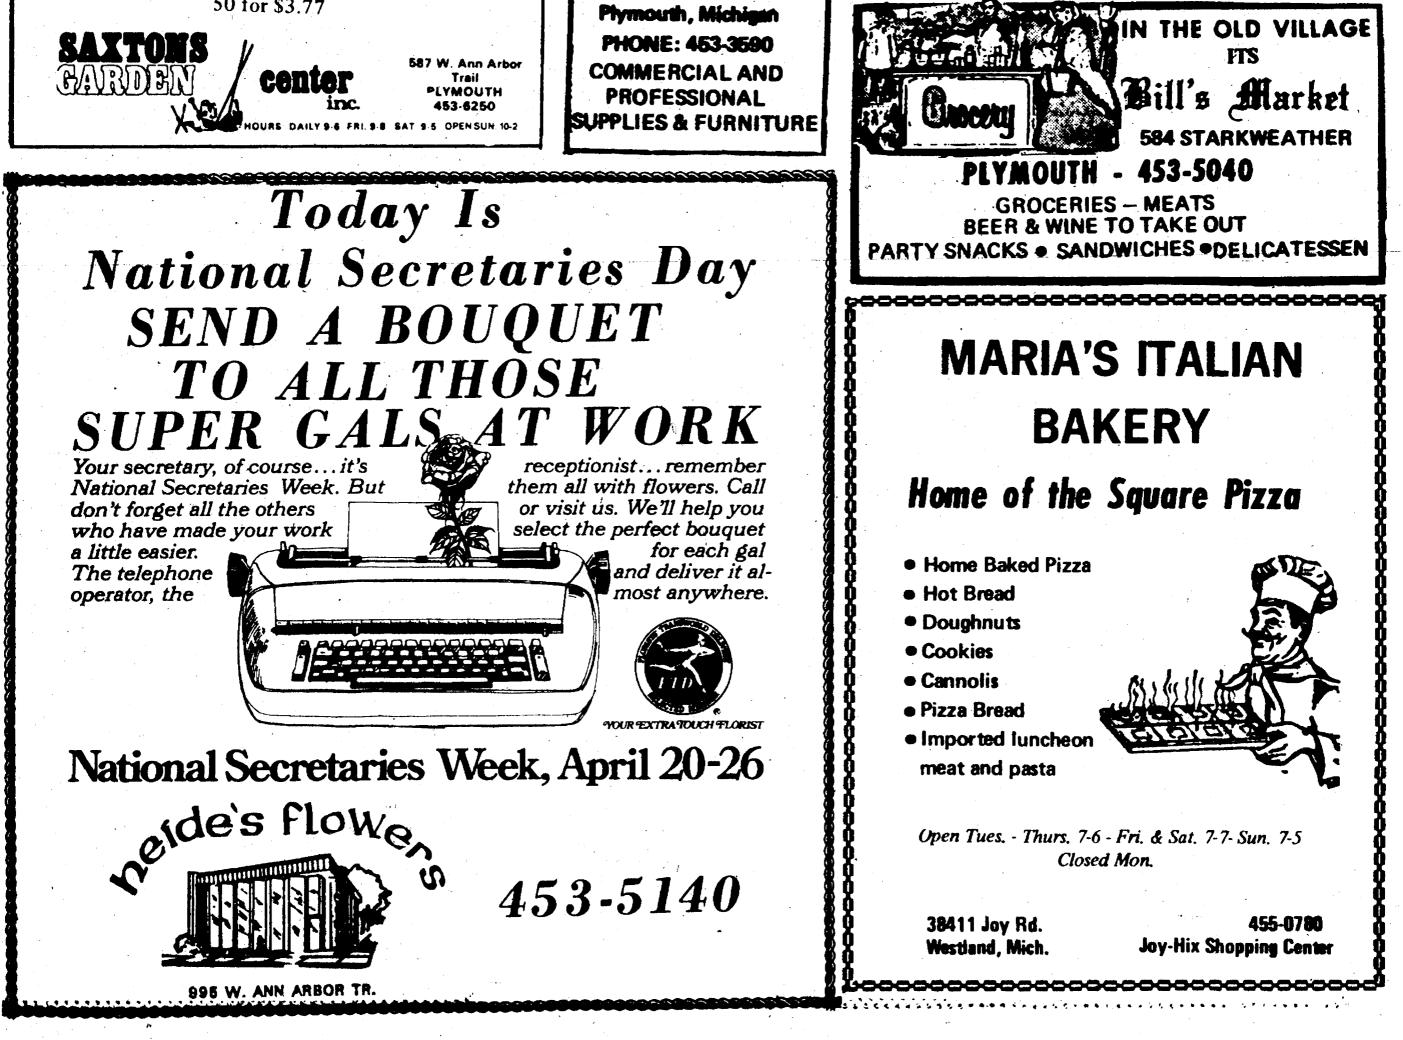

BY DENNIS O'CONNOR

High school football teams have their summer conditioning camp trips and the baseball team have their spring training excursions. So the Plymouth - Salem boys tracks team took off for Mansfield, Ohio to participate in the prestigious 44th annual Mansfield Mehock relay's April 11 - 13

These famous relays dra high school trackmen from all over the Midwest. This years relays had 235 schools in competition involving a massive toatal of 2,222 athletes. Some of the country's most promising young trackmen were on hand. A few of these youths will be future Olympians.

Top Salem finishes came from the medley relay team and quarter miler Mark DeMerritt. The Rock medley foursome relay finished second in its 26 - teams heat. DeMerrit ran a 51.2 440 tp place in the tip 15 out of more than 120 entries.

Plymouth track men who made the trip to Mansfield were

first -year varsity coach Gary Balconi. Among the reaxons why Balconi wanted to take such a take such a trip was to give his athletes more experience and a chance to witness some of the greatest young athletes of the Midwest.

In traveling down to Ohio these nine youngsters brought back to their team some valuable experience and a needed positive attitudes that every team needs.

This positive attitude is reflected when Coach Balconi says "The attitude of the kids on the team is super. They realize they are young but depsite their first two losses and whatever others come later, NOBODY'S QUIT-TING. Everybody's enjoying the season and working hard. We are bound to get better.

Chief netters 1-2

Before losing Western Six League matches to Northville

Willette, Rocks win 4th, shut out Dearborn

It took a weekend of waiting, but that didn't seem to bother the Plymouth - Salem Rocks, as they shut out a strong Dearborn team 4-0 Monday in a make-up game of their scheduled Friday contest which was rained out.

The win, combined with triumphs over Livonia Bentley and Livonia Franklin last week, raises the squad's record to 4-1overall and 2-1 in the Suburban Eight League.

Tom Willette, the three-year letter winner and lefthanded ace of the Salem pitching staff, was the star of the Dearborn win as he breezed to his fourth victory of the season, hurling a three hitter, striking out 13 and walking only one.

A the plate Willette was equally effective, scoring the first run and knocking in another as he accounted for two

of the Rocks' six-hit total. Brian Wolcott also collected two hits and knocked in a run. Dave Pierce had another big blow, hitting in the final run on a double in the seventh.

Livonia Franklin forced Plymouth to go into extra innings before the Rocks scored three runs in the ninth to put the game in their win column last Thursday.

Dave Pierce scored the first run of the game in the third inning when he singled, stole second and then came home on an RBI single by Brian Wolcott. The score remained 1-0 until the bottom of the seventh, when the Patriots scored an unearned run as the Rocks were only one out away from victory. With a mers on first and third, Franklin tried a double steal, forcing second baseman Pierce to make a wild

throw that scored the tying run.

Plymouth finally put the game away for good in the ninth with three runs. Tim Dillon opened with a single and promptly stole second. Tom Willette was safe on an error, allowing Dillon to move to third. Pierce made up for his earlier mishap when he delivered his fourth hit of the day, scoring Dillon with the eventual winning run. Moore knocked in the second run of the inning, while the third was scored on an error.

John DenHouter started the game on the mound for Plymouth, doing an excellent job in his first start of the young season. He worked the first five innings giving up only five hits and no runs, striking out seven and walking two.

Willette came into the game in the eighth inning to face two

batters, stifling a Patriot rally. In doing so he was credited with the win, with Thomas picking up the save for his work in the final inning.

The first Suburban Eight League win for the Rocks came against rival Livonia Bentley last Tuesday 5-2. Plymouth was in control of the contest all the way, building up a 5-0 lead before Bentley scored two meaningless runs in the last

Salem netters take 2

The Plymouth-Salem tennis team raised its record to 3-1 for the season winning two of its three matches last week.

The Rocks beat Northville and Bentley after losing to Dearborn High.

Plymouth won two singles matches and all the doubles

Willette went all the way on the mound, recording a win which saw him strike out 10 and walk two.

The Plymouth runs were knocked in by Pierce, Doug Tripp, Willette and Vern Nagel. The other tally came on a double steal by Pierce and Tripp. Willette and Nagel led the Rock's' seven-hit attack, collecting two each.

competition to take a 5-2 non-league win over Northville. Steve Nickoloff and Ken Bloom won the singles matches, with the combinations of Jeff Bearup and Carl Schultz, Pete Wiltse and Pat Mainville, and Dean Jabara and Matt Schoeder winning their doubles matches.

Plymouth Board of Education Minutes

Following is a synopsis of minutes of a special meeting of the Board of Education held on March 22, 1975, in the Board of Education Administration Building, 454 S. Harvey Street, Plymouth, Michigan, beginning at 9 a.m. Member Yack was absent. All other members were in attendance as well as Supt. Hoben, Adm. Assistant-Personnel Kee and several citizens.

The purpose of the meeting was to discuss plans for implementation of 45-15 program at Miller School.

Following discussion, it was moved by Member Lawton, seconded by Member Mirto, to postpone the discussion of 45-15 implementation until Mrs. Spaniel is present. The motion carried unanimously.

Comments for and against 45-15 implementation were expressed by citizens.

It was moved by Member Berry, seconded by Member Borowski, to establish a committee to begin planning for a survey of residents throughout the district on their opinions of the 45-15 program. The motion carried unanimously.

granted an easement to improve gas service to Smith Elementary School. An advertisement to publish for sale the 15.96 acre school site on Haggerty Road was approved, with bids to be opened on April 28 at 8 p.m.

Personnel Administration Action Items: Leaves of absence and maternity leaves were approved for five teachers, and resignations and retirements were accepted for seven teachers. An unemployment tax consultant service was discussed, and administration was authorized to spend up to \$2300 for an inservice training program for the Business and Personnel Departments in pending unemployment tax matters.

Old Business: A report was made to the Board on latest developments at the Windsor Park School Site. Several citizens spoke to the Board and possibilities were discussed. It was approved that the Board seek legal counsel to determine the District's recourse with regard to a temporary road. In addition, the architect was directed to include an alternate bid to provide for construction equipment to the site to move on and off via a temporary access from Lilley Road to supply specifications for such a temporary road to the County if they so requested. The legal firm of Draugelis and Ashton was approved to deal with the issue at hand. Following a recess, the matter of a hockey program for 1975-76 was again discussed. Three citizens spoke in opposition to that program. Financing of such a program was felt to be of primary concern. A motion was passed which would cancel orders previously placed for two buses and one van for a savings of \$41,292.72, since those vehicles were to be placed in reserve and not as rolling stock. The matter of priorities was again discussed if more money were to be available to the District. A motion was defeated which would have established a girls' gymnastics program and a girls' golf team and, in addition, a motion to allocate \$10,000 in the 1975-76 athletic budget for an interscholastic hockey program was also defeated on a 3-3 tie vote with one abstention. New Business: The area Bicentennial Committee was allocated the sum of \$200 from the District and recommendations made that both a student and teacher be added to the Committee as well as a principal and Board member if so approved by the Committee.

Projections Committee, a Plymouth Observer and Eccentric Newspaper representative and interested citizens.

Following discussion of the 45-15 program, it was moved by Member Lawton, seconded by Member Yack, that administration be directed to poll the parents of children who will be in the Miller Elementary School attendance area in 1975-76 to determine whether they want their children on the 45-15 program at Miller School and, if not, to indicate three alternate schools in order of preference where they would like their children to attend. The motion carried unanimously.

Member Borowski cautioned that parents being polled should be aware-available space probably exists at East and Allen Elementary Schools.

Member Lawton moved, seconded by Member Berry, that administration proceed with all possible speed to study the realignment of staff to provide for the orderly and efficient implementation of the 45-15 at Miller Elementary School. The motion carried unanimously.

It was moved by Member Borowski, seconded by Member Benson, to hold a special meeting on Tuesday, March 25, 1975 in the Board offices 454 S. Harvey Street, to discuss cost and other matters relative to implementation of the 45-15 program at Miller School when Mrs. Spaniel, Principal, can be present. The motion carried unanimously.

The meeting was adjourned at 11:15 a.m. THIS IS A SYNOPSIS OF MINUTES AND COMPLETE SET MAY BE REVIEWED IN THE BOARD OF EDUCATION ADMINISTRATIVE OFFICES.

Following is a synopsis of minutes of a regular meeting of the Board of Education held on March 24 at Canton High School. All Board members were present as well as Administrators Hoben, Leary and Kee. Minutes of March 10 were approved and minutes of February 22 were amended.

Administrative Action Items: The Board asked administration to meet with Cavalier Village Planned Unit Development representatives in Canton Township to determine price and access routes for a school site. Mrs. Sally Posthill gave an interim report to the Board on proceedings to date of the Centennial Park Citizens' Committee. Mrs. Elaine Kirchgatter who was Chairperson of the Attendance and Boundary Committee presented the written final report and recommendations as developed by members of the Committee, and it was moved that those members who wished to continue on an on-going basis should meet from time to time to advise on further policies for attendance and boundary problems.

The Citizens' Advisory Election Committee co-chairpersons were announced as James Jabara and Mrs. Nancy White, and a budget study session was set for March 31 to consider millage possibilities. A Board member and administrator were suggested to work with Canton Township government on their Master Plan, especially as it relates to future school sites, and to extend that same cooperation to other areas within the District if population growth takes place.

Business Administration Action Items: Bills in the amount of \$896,594.78 were approved, with the exception of 11 invoices to be held for further information and detail. Administration was granted permission to pay those 11 bills after review by a Board member. Consumers Power Company was

Policies: Policies on Use of Facilities were received for first reading.

Safety: The Safety Committee report was received and the Board asked that the Committee solicit representatives from the three new elementary schools as soon as feasible. The matter of a 15-watt transmitter and 18 mobile units for buses was again brought to the attention of the Board and it was reported that the Purchasing Department is soliciting bids for same.

* * *

An executive session of the Board was called to consider the matter of Administrative Contracts and, upon reconvening, that matter was delayed until the March 31 meeting. The meeting was adjourned at 12:21 a.m.

Following is a synopsis of minutes of a special meeting of the Board of Education held on Tuesday evening, March 25, 1975 in the Board Room, Administration Building, 454 S. Harvey Street, Plymouth, Michigan, beginning at 7:40 p.m. Members McClendon and Mirto were absent. All other members were present, as well as administrators, members of the Citizens' Attendance Areas and

The meeting was adjourned at 10:05 p.m.

THIS IS A SYNOPSIS OF MINUTES AND COMPLETE SET MAY BE REVIEWED IN THE BOARD OF EDUCATION ADMINISTRATIVE OFFICES.

A special meeting of the Board was held on March 31 at the Administrative Offices, mainly for the purpose of discussing the 1975-76 budget. All Board members and Administrators Hoben, Hogan, Leary and Kee were present. The Superintendent reviewed the proposals as prepared by the Business Division as well as projected revenues possible. Several issues were raised by Board members and discussed; millage possibilities were reviewed. A motion was passed which would provide that the Board place on the ballot at the June election the 5.15 renewal and an additional millage of .46 mills as a separate proposal which would be used to absorb additional cost of operating the District. The millage proposals would be placed on the ballot on the basis of six years. The .46 mills would not be additional millage at this time, but would represent the .4 mills now assessed for safety purposes, and the .06 which would be deducted from debt retirement this year. The cost of opening new schools was also discussed, but it was felt this could be absorbed by the .46 mills when the schools are ready for occupancy. The Board went on record that it was their intention that if state aid and other revenues were higher than anticipated millage as approved on the June ballot would not be levied.

The matter of the Pedestrian Overpass for Bird and West Schools was placed on the April 14 agenda in order that Board members might study the Auto Club report and to meet with the Safety and Attendance and Boundary Committees regarding such overpass.

The Superintendent requested that time be set aside at the April 7 workshop to review pedestrian problems at Gallimore School and it was suggested that a committee meet with the Attendance and Safety Committees regarding that issue.

A motion was passed which would extend the administrative contract for Robert Houghton for an additional year.

The meeting was adjourned at 9:25 p.m. COMPLETE FILES AND TAPES OF MINUTES OF BOARD OF EDUCATION MEETINGS ARE AVAILABLE IN THE **BOARD OFFICES**
