Mountainside wreck kills father, sister

Twp. children recovering after crash

BY DONNA LOMAS

Two Plymouth Township children were recovering Tuesday after surviving a plane crash in the remote part of the Great Smoky Mountains last Thursday morning.

Their father and older sister were killed when the plane crashed.

Dead are Thomas J. Shrewsbury, 34, and Laura Shrewsbury, 13, both of Eric Pass in the Township. The father was piloting a light plane in which he and his three children were returning to Plymouth after a Thanksgiving trip visiting relatives in Florida.

Following five hours of surgery at University of Tennessee Hospital in Knoxville Monday, Jeffrey Shrewsbury, 10, was listed as "recovering and doing

very well," according to a source at the hospital.

Jennifer Shrewsbury, 8, was also recovering. The children both of whom attend Isbister Elementary School, will be in intensive care indefinitely, the hospital said.

According to a staff bulletin issued Monday by Isbister School principal Beverly Marshall, the children (Jeff and

Jennifer) said the plane was caught in the mountain downdraft, was pitched about and "finally was flipped upside down and crashed.

"Jeff either was thrown out of the plane or managed to get out some other way," said Mrs. Marshall. "He does not remember. Jenny was strapped in a back seat with her seat belt. She hung upside down for 26 hours."

A small transistor radio was given to Jeff, a sports enthusiast. "He wanted to listen, which seems like a good sign," Mrs. Marshall noted.

The school is now organizing mail that can be sent to the

Shrewsbury children through their mother. They ask that you address all letters and cards to Mrs. Carol Shrewsbury, University of Tennessee Hospital, 1924 Alcoa Highway, Knoxville, Tennessee, 37920.

"Their spirits are very good," said a spokesperson. "Both had minimal frostbite, but there was no tissue damage."

When rescued, both children suffered from shock, exposure and broken backs. Jeffrey is paralyzed from the neck down, the hospital said. Doctors at the hospital say it will be some time before they will know if the surgery will correct that condition. **Cont. on pg. 27**

New hope for senior housing?

A local group which several years ago acquired property on which it tried unsuccessfully to build a senior citizen housing facility would like to sell the land, but in the meantime, it is once again considering a senior citizen project for the site.

The property is located on the north side of Ann Arbor Trail just west of the C & O Railroad tracks. When state housing officials refused to support the original project because of its proximity to the tracks and a moratorium was placed on federal grants for such projects in 1973, the old plans fell through.

Appearing Monday before Plymouth City Commissioners, representatives of that group, Pilgrim Non-Profit Housing Corporation, asked the city to take back the title it once held to the property and reassume the tax obligations which are being borne by the group of investors. The group asked to be reim-

bursed back interest for a note it had paid to a bank and, should the land be sold within the next year, for taxes and interest accrued through that time.

Since 1974, when the group sought the housing facility for the site, the five investors - Bob Utter, Cliff Tait, Mel Blunk, Dr. Robert Van Ornum

No full-time cops seen yet

Canton Police Chief Walter MacGregor told The Crier that he does not expect the Canton Police to become full time until "at least" March 1.

MacGregor said sergeants tests and negotiations between the township and the Canton Police Officer's Association (CPOA) on police officer qualifications as two of the reasons for the 1978 full time date.

and newly-elected City Commissioner Jim Houk - have contributed \$3,000 each to costs of the property.

The group told the city commission that an option agreement for development of a new, six-story senior citizen project had been made in October with the Foundation for Cooperative Housing.

Said Utter in a letter to the city, "Once again, we anticipate that the plans will materialize and that a new subsidized housing development will be approved for the City of Plymouth."

He said plans for the new project could take up to a year to work out.

In the meantime, a spokesman said the Pilgrim Towers group owed the National Bank of Detroit \$145,000, for which the investors have already paid \$14,824 in interest.

The parcel has been on the market for some time.

'77 PCF campaign approaches deadline

The Plymouth Community Fund will wind up its annual drive this Friday, Dec. 9.

Thus far, the PCF has netted 65 per cent of its \$250,000 goal. The last report showed \$162,700 had been collected.

PCF chairman Dan LeBlond has said "I am very confident we will go over the top of our goal this year."

Donations will be taken right up to the deadline, LeBlond said.

Community agencies that the Plymouth Community Fund serves include Girl Scouts, Plymouth Opportunity House, Growth-Works, Salvation Army and the Red Cross.

County rep eyes sewer post

BY CHAS CHILD

Hoping to land a more influential job to help western Wayne County, County Commissioner Royce Smith said his "hat is in the ring" for the job of the county's Managing Director of the Department of Public Works.

Smith whose district includes Plymouth and Canton, said his main task in the job would be to oversee the county's "super sewer" project.

The super sewer is proposed to run from southern Oakland County down through western Wayne County to the Huron River which it follows east to Lake Erie.

Increased sewer capacity in this area could be a key factor in its future growth and development.

Who will build the sewer - Wayne County or a breakaway group of western Wayne County communities - is still in question.

Canton Supervisor Harold Stein is one of the leaders in the breakaway group and Smith said he encouraged Stein in his efforts to ensure that western Wayne communities maintained control of the sewer.

Both Stein and Smith have said that the sewer rates in

western Wayne are controlled by Detroit politicians on the County Commission.

If he gains the Directorship of the Department of Public Works, Smith said he would work to increase western Wayne representation on the Board and to persuade the breakaway group to support the County's effort to build the super sewer.

The vote by the Board of Public Works on who will get the new job will take place probably before Christmas, Smith said.

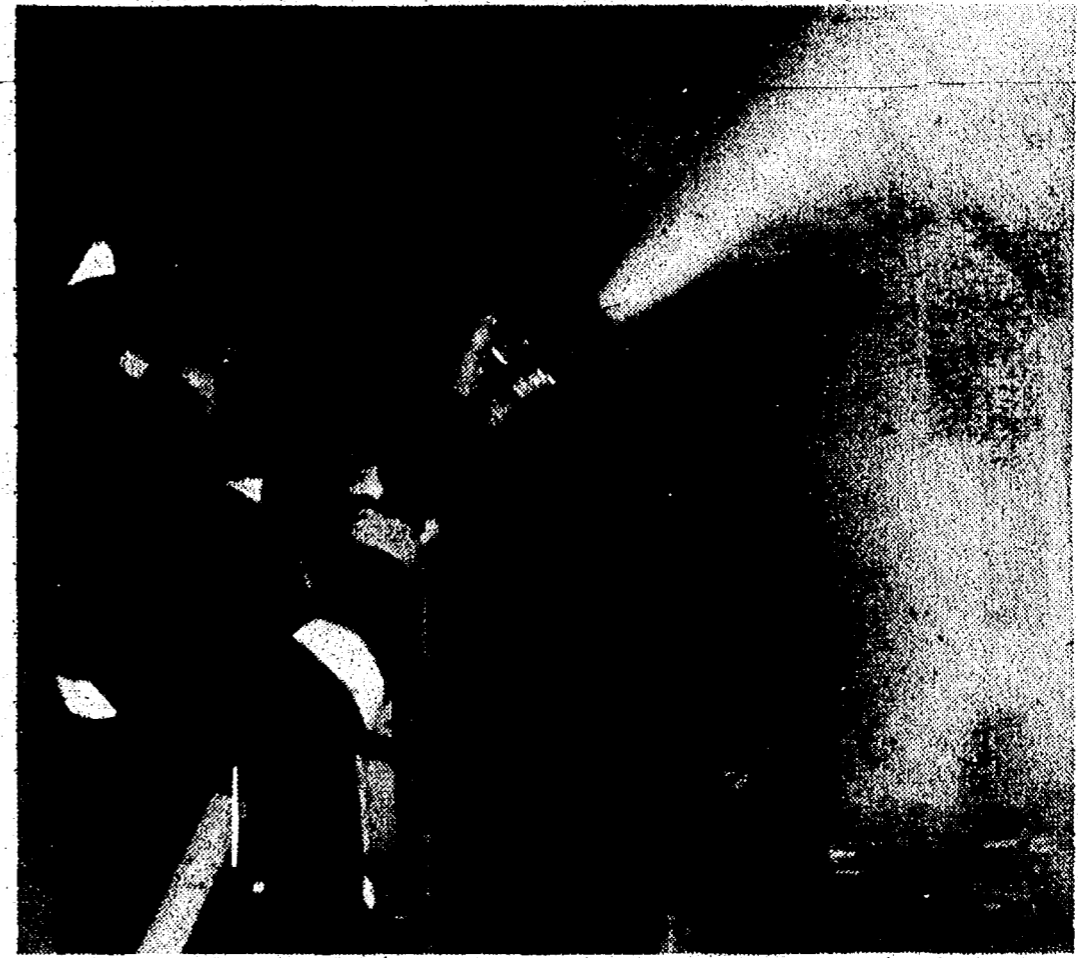

The job's salary has not been set, but it will probably be around \$35,000, said Smith. He emphasized that the salary has already been budgeted and is not coming out of the general fund.

Whoever gets the jobs will hold it until it is filled by the civil service process.

"I would say my chances of getting the job are good," said Smith.

NO ONE WAS INJURED in a fire Monday afternoon at 655 McKinley in Plymouth. City firemen doused the fire, which damaged one garage wall and burned a workbench in the garage. No firemen were injured. No cause for the fire has yet been determined. (Crier photo by Bill Bresler).

Canton still waits for fund

Canton Township has yet to receive word on the merging of the Plymouth and Canton Community Funds.

Right now, Canton is allied with the metropolitan United Fund Agency and much of Canton's donations are not funneled back to Canton, say Canton officials.

Supervisor Harold Stein proposed to the Plymouth Community Fund and the United Fund early this fall to combine both Plymouth and Canton's.

"SO far, all they've said is they're looking into it," said Stein Monday. "We've had no indication yet whether the answer might be yes or no."

"I've an idea they said they would answer by March but we can't let it go that long," Stein said.

Stein said he planned to wait until the first of 1978 and then take his proposed community fund merger before the township board and "let them decide."

THE COMMUNITY CRIER: December 7, 1977

City building heights need clear guidelines

The question of how high you can build a building in downtown Plymouth remains unanswered.

Talk about building a skyscraper here, or even a more modest multi-story structure, and you'll have a war on your hands from a powerful, articulate but -- if the last election of city commissioners is any indication -- minority group which believes anything higher than a church steeple threatens the sanctity of this little city.

Now the election is over. Every outspoken opponent of high-rises in the race, including incumbent Jack Moehle, were resoundingly defeated. The applicability of Footnote O, the provision in the city zoning code which permits taller buildings, has been shattered by the city attorney's new opinion that it is not legal. What now?

Footnote O should not become part of an updated city code, because it does not answer the question of how high is high. Or, to put it another way, it does not place sensible limits somewhere between the Ren Cen and the Mayflower on the height of new buildings.

Somewhere in there is a height that's tolerable and practical. It's bound to be too high for residents who cringe when an old garage is razed, and it's bound to be too low for some zealous developers.

Considering the bitter controversy which has marked attempts recently to win approval of tall buildings downtown, this question should have high priority for the newly-elected city commission.

Let's not wait for another proposed "high-rise" senior citizen housing project to decide the city code has a loophole or is too strict or makes no sense at all. It's time to go beyond Footnote O to create a standard of height restrictions for downtown Plymouth that may not suit all of us but will no longer be a mystery.

In Canton ZBA dispute Politicos reveal pettiness

Canton politicians and their lawyers have reduced themselves to one thing on the Zoning Board of Appeals issue: silly. The legal sparring over which

of the two ZBAs is legitimate has been going on for nine months now with no end in sight.

Circuit Court Judge Myron

Wahls recently decided that the five-member board appointed by Supervisor Harold Stein and the current Board of Trustees is legal, but that it can't meet until Jan. 1, 1978.

An appeal of the decision will be made in the time until then, said Dan Burrell, the attorney for Robert Miller, a member of the original zoning board appointed during the term of former Supervisor Robert Greenstein.

The months of haggling is doing nobody any good.

With a backlog of cases to be decided in the ZBA, why doesn't Stein, as supervisor of Canton take some leadership and settle the issue?

He should show some statesmanship and sit down with all concerned and work out a compromise.

Instead, he's dragged it out in the courts. In his defense, the members of the Greenstein ZBA have shown little desire to compromise either.

But Stein is the political leader of the township and should be able to look outside his own interests for the good of Canton.

Meanwhile, the citizens of the township who have business with the ZBA have only one thing to do -- wait.

Harvey corner is hazard

EDITOR:

A Right-Turn-Only sign is badly needed at the intersection of Harvey and Ann Arbor Road. I recently witnessed another near accident there in rush hour as a desperate left turner pulled out in front of two oncoming cars, narrowly

missing the second, which skidded as it braked. This happens often.

The Wayne County Road Commission and the City of Plymouth should tend to this problem.

Norman Rockwell Illustrations reproduced as Figurines and on Gorham Fine China

Here is a group of finely crafted porcelain figurines and fine china inspired by the cover illustrations of the Saturday Evening Post. Each of them depict highly popular and much talked-about selected scenes from the brush of Norman Rockwell. Covering a span of many years, these reproductions of the original paintings are exacting re-creations in proportion, color and detail — creatively executed and memorable tributes to a great Artist. These finely rendered figurines and china pieces are certain to bring great pleasure — as treasured gifts or collector's items — to Rockwell's many admirers.

Canton ponders district courtroom of its own

Santa visits Canton

SANTA ASKED Carol Dingeldey of Canton if she'd been good last week, when Carol visited Santa in his mobile Chamber of Commerce sponsored workshop, parked every Saturday at New Towne Plaza, Ford Road at Sheldon. Santa will visit local youngsters Friday at Meijer Thrifty Acres and Sunday at Harvard Square Shopping Center. (Crier photo)

The Canton Board of Trustees was expected last night to discuss the possibility of a 35th District branch court in Canton that would start next July.

Supervisor Harold Stein said in a report to the board, a court was "economically feasible" for Canton. He said total annual operational costs per year would be between \$88,000 and \$101,000.

Stein said a court in Canton

Township would be a convenience to Canton police officers. They could be called when their cases are heard instead of sitting in court all day, said Stein in the report.

Including in that cost are: roughly \$20,000 to convert a part of the existing township meeting hall into court facilities; \$12,000 for a second court clerk and occupancy costs (utilities and phone) estimated at \$7,000. Stein said the court would be in use "a few days a week." The rest of the time

the hall could be used for civic activities, Stein said.

However, the report says that revenues from a branch court in Canton would bring the township anywhere from \$105,000 to \$130,000. (Now, Canton receives about \$7,000 in court fines from the 35th District. It does not pay any portion of the total court expenses).

The report said Canton could expect to "quickly recover" the initial money spent for the court start-up.

Should Canton buy deputies' service?

County would sell protection

The Canton Board of Trustees was expected Tuesday to discuss a law enforcement proposal from the Wayne County Sheriff's office.

Loren Pittman, Undersheriff and Chief Deputy of the Wayne County force, asked the board on behalf of Sheriff William Lucas, to present to them a law enforcement proposal.

Three proposals have already

been presented to the Canton board by the Sheriff's Department recently.

Those proposals could cost the township from \$224,772 to \$431,953 per year. One package (the most expensive) would have the Sheriff's patrol with two cars, all day, seven days a week. The other two combine the Canton part-time force and Sheriff's patrol.

Canton Supervisor Harold

Stein said a month ago that the cost of the offers were what he would study before giving an opinion.

Chief Walter MacGregor of the Canton police commented recently when asked if the township would lose control over its own fledgling department, that "anytime you contract out anything, you lose control over it."

Snowstorm snarls traffic

The snowstorm which snarled traffic here Monday prompted school officials to shorten the school day for elementary and middle school youngsters, but created relatively few other problems locally, authorities say.

"Basically, it went pretty darn good," said Robert Houghton, director of the Plymouth-Canton Schools' transportation department.

Plymouth Township offices were closed about 3 p.m., while in Canton, employees who lived some distance from the township hall left work early, but neither township reported serious problems.

City of Plymouth, Wayne County and State Police received reports of minor auto accidents caused by the slippery conditions, and local rescue squads were kept busy much of the day.

Frozen meters give shoppers merry break

Although the City of Plymouth planned to offer free parking for the 11 shopping days just before Christmas again this year, early shoppers got an extra break.

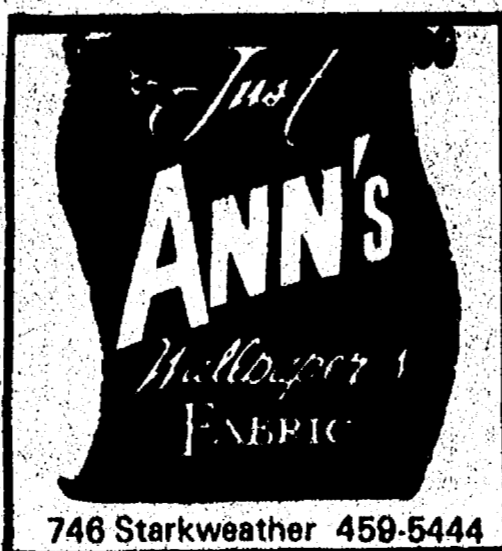

Plymouth Police reported last week that there have been some problems with frozen parking meters in the downtown area. The mechanisms froze and would not accept money.

Police were alerted to the situation by concerned shoppers - who were disturbed that the meters wouldn't accept their money.

Youth caught tossing eggs from rooftop

One youth was caught on the roof of Schrader Funeral Home and the nearby Penniman Market business after reportedly throwing eggs on Main Street Saturday night, Plymouth Police reported.

The youth was taken to the police station, booked and turned over to his parents. Police report that there may have been two other culprits but "they made good their escape" before the police arrived.

Cantonite Hawk reflects Goodfellow changes

BY PHYLLIS REDFERN

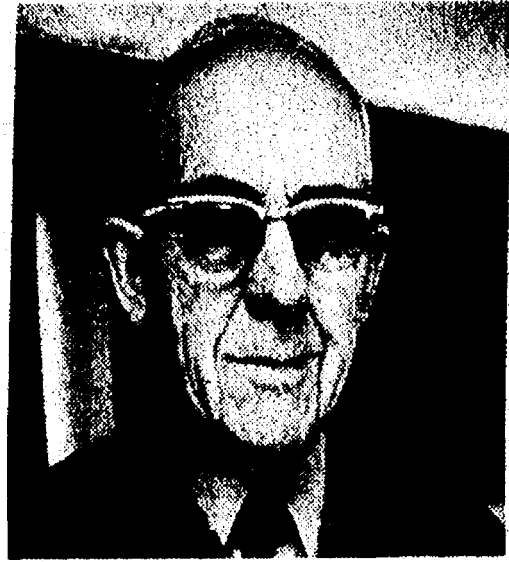

All children love Christmas -- at two or 92. That's exactly what the Canton Township Goodfellows had in mind when they, with some help for their neighborly Plymouth Goodfellows, decided "no kiddie without a Christmas".

That motto brings "the old newsboys" together every year to plan their paper sale whose proceeds benefit needy children and their families at Christmas.

One of the most familiar Canton Goodfellows faces is that of young at heart 86-year-old Ed Hawk. This year will be his 27th working for the Canton Goodfellows.

Talking with Hawk and his wife, Mary in their cozy Canton home he revealed many things about the Canton Old Newsboys and how the annual Christmas project has changed through the years.

"When the Canton group started back in the 50's, it was mostly farmers who were involv-

ed," Hawk said. The Goodfellows paper was considered a very special paper."

There was news of all the local clubs and organizations -- like 4-H and the Canton Center Community Club, and there was a section on homemaking hints and a page devoted to government business and tax reports, Hawk said.

Another big change through the years the Hawks said, is

what appears in each basket distributed to the families.

Twenty years ago the Goodfellows would get names, ages and sizes of all the children in a family.

"Then we would go to a store in Plymouth (there weren't any stores in Canton then)," said Hawk, "and pick out the right size clothes and put the child's name on the package."

"Since there weren't any school buses back then and most of the children had to walk to school, top priorities for the Goodfellow shoppers were shoes, boots, mittens and warm coats, Hawk said.

"They included dolls for little girls and toys that made a noise for little boys," he chuckled.

"We could buy a bushel of groceries for \$10 back then", said Hawk. Hawk also liked to go out to an orchard and get bushels of apples to accompany the Christmas packages. Part of Christmas for the needy children included big oranges, candy canes, coloring books and crayons.

"Today the emphasis is on pretty clothes instead of warm clothes," said Hawk.

the Crier's friends & neighbors

"Time and needs have changed through the years".

Instead of buying for indi-

vidual families, now the Goodfellows give shoe gift stamps that can be used at Canton stores. The bright red apples and candy canes are still popular today, however, and are always included in the food parcels.

The Goodfellows get reference names through churches, schools and neighbors and a rule they always follow Hawk said is never reveal the names of those who receive Goodfellow Christmas parcels.

The 1958 committee list includes many well known names as well as old-timers. Included are: Robert Waldecker, J. D. Clark, S. Grammel, Hawk, Perry

Hix, Russell Magraw, Ralph Burch, L. Gee, J. Julien, Robert Soth, L. Hanson, L. Longwish, Mel Paulun, H. Longly, Gordon Vetal, J. Collins, M. Allen, J. Clark, E. Schultz, Robert Simmons, M. Duthoo, H. Moyer, Walter Theisen, J. Albertson, E. Neiman, Harvey Vetal, John Flodin, E. Plant, D. McClue and Sam Grady.

Christmas Eve the Goodfellows, like Santa will once again make their deliveries, marking, hopefully, another successful year.

But Ed Hawk says this will be his last year of delivering for the Canton Goodfellows in his red truck.

Canton -- like Santa -- will surely miss the likes of 'good fellow' Ed Hawk next Christmas Eve.

New Year's Eve Excitement Weekend!

Freight house recycled

Old village has done it again -- a slightly shabby building has been turned into a handsome gift shop.

The old C&O Freight House used to be one of the busiest places in town. When the freight house was built 110 years ago, horse drawn carts hauled merchandise in and out of the area.

In the days of Daisy Air Rifle, that company alone received two or three train car loads of freight daily. According to C&O railroad employees, the LCO (less than car load) freight was discontinued more than a decade ago.

Through the years the freight house has been empty, it has been considered in plans for a

restaurant and offices. The plans never materialized and the freight house remained an old unused building until recently.

Saul and Adrienne Star brought life back to the building last week when they opened a new gift shop, The Village Freight House Gift Center following months of extensive renovation.

Poll reveals local support for new schools low

BY CHAS CHILD

Public support is still low for building new school buildings in the Plymouth-Canton School District despite an 88 per cent awareness of growth, a recent survey shows.

Sponsored by the schools, the survey also reveals that citizens strongly support expansion of the extended-year (ESY) program to handle the increasing student population.

The telephone survey of 381 citizens in the district is part of the Board of Education's effort to plan their strategy for a possible bond issue election this Spring to build new classrooms.

It was presented to the board Monday night at a workshop meeting.

"People are aware of the growth," said Florence Beier, Community Relations Assistant for the district. "We have to let them know that even if they decide they want a new elementary school, it takes two years to build one."

The board is also considering a bond issue in the Spring for renovation of existing buildings and the survey showed strong support for paying for it. Some 64.8 per cent said they would support renovation, 17.6 per cent said "no", and 17.5 per cent were undecided.

Only 28.3 per cent said they would vote "yes" on a bond issue for new buildings. 40.9 per cent said "no," and 29.7

per cent were undecided or had no answer.

Compared to results of a similar survey conducted in February, many more people in last month's questionnaire are undecided on the bond issue for new buildings. The "yes" column dropped about eight points, the "nos" fell about six points while the number of undecided responses rose about 14 points, from 15.9 per cent to 29.7 per cent.

Last February, 36.1 per cent indicated support for a bond issue for new classrooms, 47.1 per cent said "no" and a relatively low 15.9 per cent were undecided.

Students awarded

Four students from Salem and Canton High Schools have finished in the top four per cent on part one of a state-wide annual math competition, school officials announced.

The four students, all seniors, are Michael Etienne, Steven Horton, Kevin O'Connor and Kevin Price.

They are now eligible to compete in the second part of the 21st Annual Michigan Mathematics Prize Competition. They were among 1,081 students in Michigan to participate in the contest.

Winners will receive, between them, a total of more than \$7,000 in college scholarships.

Tom Yack, president of the school board, said the large number of undecided showed that the people "don't have enough information on the need for new buildings.

The survey indicated that support for a bond issue has not risen significantly since a bond issue was defeated in last April's school election.

In the election, 29 per cent voted "yes" on the bond issue. 28.3 per cent indicated support in last month's survey.

The citizens said they support ESY to handle the district's growth. Some 70.6 per cent indicated they favored expansion of ESY if a bond issue failed, while 16.5 per cent said "no," and 12.9 per cent were undecided.

Last February's poll showed that ESY's popularity has remained high, with 73.7 per cent said they favored expansion of the program then.

The alternatives to building new classrooms and ESY posed in the poll were: 1) Using available buildings in other school districts. 2) Bigger classes and 3) split or double sessions.

There was support for using classrooms in other districts (53.0 per cent), but the other two solutions got negative responses. Only 16 per cent favored bigger classes, and 31 per cent said they would like split or double sessions.

The total results of last month's survey are:

	% Yes	% No	% Undecided & No Answer
1. Would you support a bond issue for new school buildings?	28.3	40.9	29.7
2. Would you support a bond issue for school renovations such as new roofs, insulation, and wiring?	64.8	17.6	17.5
If we can't pass a bond issue for new buildings which of the following ... would you favor ...			
3. ... expansion of year-round program?	70.6	16.5	12.9
4. ... using available buildings in other school districts?	53.0	32.0	15.0
5. ... bigger classes?	16.0	69.6	13.4
6. ... split or double sessions?	31.0	48.0	21.0

Grants ready for local women

Scholarships for women including those living in Plymouth-Canton with educational interruptions are awarded annually by the University of Michigan Center for Continuing Education of Women (CEW).

Applicants may be planning graduate or undergraduate, full or part-time study at any University of Michigan campus. Approximately 28 CEW Scholarships will be awarded in April, 1978, with grants ranging from \$500 to \$2,000.

One hundred fifty-five scholarships have been awarded by the Center since 1970. Winners are selected on the basis of

strength of motivation, promise of impact in the chosen field, academic record and potential, creative and scholarly contributions, and financial need. The program is supported by individual and corporate contributors.

Applications for the 1978-79 Scholarships are available at the Center and are due at the Center by Jan. 18, 1978. Applicants may be in the process of applying for admission, but admission to the University of Michigan is a prerequisite for final consideration. The Center, open weekdays 8:30 a.m. to

5 p.m., is located at 328-330 Thompson Street, Ann Arbor 48109. Telephone (313) 763-1353.

City firemen douse fires

Plymouth Police report two fires in three hours from a dumpster in Central Parking Lot last Friday.

After putting the first fire out, firemen were called back later to put another out, police report.

A witness stated to police that several teenagers were seen around the dumpsters before the fire started, but couldn't identify any of them.

Another fire was started Friday in a building at Starkweather and Main streets, police report.

The fire was started in the northwest corner of the building in a small pile of straw police said. The fire caused no damage.

Hansel, Gretel pay symphony a visit

On Sunday, Dec. 11 at 4 p.m. the Salem High School Auditorium, the Plymouth Symphony Orchestra, under the direction of Wayne Dunlap, will present the opera 'Hansel and Gretel'.

The Piccolo Opera Company, directed by Marjorie Gordon, will provide the lead soloists and staging for this special Holiday treat said Fran Lang, president of the Symphony Society.

There will also be local students involved in the produc-

tion. Sandra Bissey, dance instructor, is busy-rehearsing 14 dance students to be the angels guarding Hansel and Gretel as they sleep in the forest.

Betty Weideman, vocal director at Canton High School, will have 16 Canton students singing in the final chorus as the gingerbread children in the witches fence. As the story ends, the 'gingerbreads' become children again and dance and sing.

The Plymouth Community Arts Council will display the

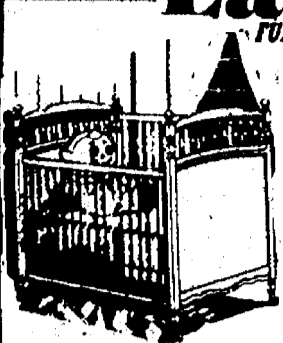

"Russell Isbister Memorial Collection" in the Main Hall for browsing prior to the concert, during intermission and following the concert. During the intermission, the Plymouth Symphony League will provide coffee, and Girls Scouts will provide baby-sitting service for pre-school age children during the entire concert. A bus will be available to pick up Senior Citizens at Tonquish Creek Manor at 3 p.m.

Tickets for this Holiday pres-

entation by the Symphony are now on sale at the following locations: Beitner Jewelry, Heide's Florist, Book World and Audette Office Supply. The prices are: adults, \$5, senior citizens and students (K-12) are \$2.50.

This program is made possible, in part, by a grant from the State of Michigan through the Michigan Council for the Arts, the Plymouth Symphony League and the Burroughs Corporation.

CEP teacher tapped for national panel

Dwight H. Anderson, English teacher at Salem High School, has been appointed to a committee of the National Council of Teachers of English (NCTE).

The NCTE is a professional organization of more than 120,000 members and subscribers from elementary through graduate school.

Anderson has been appointed to the NCTE Committee on High Interest and Easy Reading.

The aim of NCTE is to increase the effectiveness of teaching the English language and its

literature in the nation's schools and colleges. The organization conducts national conventions, regional meetings, and institutes on current issues in the teaching of English, and publishes books, professional journals and recordings.

Pastor Fred joins ITAA

The Rev. Fred Prezioso, pastor of Epiphany Lutheran Church in Plymouth, has been certified as a Clinical Member of the International Transactional Analysis Association, the church announced.

"The two roles (counselor and pastor) complement one another" Pastor Prezioso said. "Being a pastor is very helpful when people are trying to think through certain religious issues, although I usually leave it up to them to raise the issues. They appreciate the opportunity to talk to someone who is detached from the situation and can be more objective."

No Crier Dec. 28

The Community Crier will not publish an edition during the week between Christmas and New Year's Day. (Normal publication date would be Dec. 28.)

Hank Meijer, publisher of The Crier, said the week's respite will allow Crier staff members and carriers to enjoy the holiday season and to prepare for the following edition of Jan. 4 - the annual "Growth" issue which details the Plymouth-Canton community's development during the past year.

Offices of The Crier, at 572 S. Harvey St. in Plymouth, will be closed Dec. 25, 26 and 31 for the holidays.

Carrier collections for the month of December may be turned in from 9 a.m. to 5 p.m. at the office on Tuesday, Wednesday and Thursday, Dec. 27-29.

Mark leaves

Mark Ferraiuolo, of Plymouth, has resigned as advertising director of The Community Crier and as a director of The Plymouth - Canton Community Crier, Inc. the publishing corporation of this newspaper.

Ed appointed

Ed Wendover, of the Plymouth-Canton Community Crier, has been appointed as an Action Council Member to the National Federation of Independent Business (NFIB) in San Mateo, Calif. and Washington, D.C.

Holidays and birthdays are always a good excuse (if anyone needs an excuse) to get together with friends and family. If by chance those friends have moved, there's no better time to run the phone bill up a little, or take time to write a note. During the past few weeks we have heard from several ex-Plymouthites.

Lillian and Dave Haibeck recently moved to Fargo, North Dakota are busy remodeling their new-old home. Lillian writes that they miss all of their Plymouth friends, and are anxious to have all of their children visit with them at Christmas.

Jan and Chuck Newsome added on to their home in Arizona. They called to say how much they are enjoying the swimming pool and that they have room for company (what I would give to warm my toes in the beautiful sunshine!) It was a real surprise to open the door last weekend and see Chuck who was in town on business.

Shari and Jon Brooks recently moved into their new home in Mobile, Ala. They also are enjoying warmer weather. Just for the record -- Jon isn't 40 anymore, he is 38 now. That's ok Jon, you are still older than I am!

Ann and Ray Canafax now living in Newburgh, Ind. are enjoying all their family home. Jeff is home on leave from Guam till after Christmas. Our family is hoping to see them sometime over the holidays.

The Apple Run Garden Club held their Christmas party last night (Tuesday evening) in the home of Maggie Winter in Canton. The gals enjoyed a gift exchange while munching on hor d'oeuvres and desserts.

Wildlife artist Catherine McClung will display her works in the Plymouth Community Credit Union during the merry month of December. Cathy uses acrylics in a watercolor technique to create Michigan birds and waterfowl. An exhibit of framed paintings as well as wildlife done on barn and driftwood will be shown. Cathy is the exhibit co-chairman for the Three Cities Art Club.

Cheryl Neal, a violinist from Plymouth will be among the outstanding music majors at Schoolcraft College when they perform at an honors recital Dec. 8. The program will be at 7 p.m. at Holy Cross Evangelical Lutheran Church in Livonia.

Kathleen Harrington, daughter of Mr. and Mrs. Earl Harrington of Blunk Street and Carol Stone, daughter of Mr. and Mrs. Richard Stone of Linden in Plymouth participated in the Annual Christmas Concert at Western Michigan University. The concert was held Sunday, Dec. 4 in the James W. Miller Auditorium. Featured were the University Orchestra and Grand Chorus in a performance of "A German Requiem" by Johannes Brahms.

Chamber New Year's tickets on sale

The Plymouth Chamber of Commerce announced tickets are now available for the first Annual New Years Eve Benefit Ball, at the Chamber Office on Wing Street.

Cocktails and cash bar at 8 p.m. will be followed by appetizers and a full "Chateaubriand" dinner at 9 p.m. A live dance band will be playing from 10 p.m. to 2 a.m. with favors provided.

The Plymouth Chamber will receive the proceeds this year. The Chamber plans to make this an annual event with a local organization benefitting in years to come. Call the Chamber office at 453-1540.

County turkey dinner set

The Wayne County Office on Aging's Annual Christmas Special is set for Dec. 20 at Tonquish Creek Manor in Plymouth and at the Canton Township Recreation Center in Canton. Reservations for the dinner must be made by Dec. 14. Roast turkey with dressing and cranberry sauce will be served.

More than 4,000 persons from the out-county municipalities are expected to participate in the Christmas Dinners. Persons 60 years or older and their spouses are eligible.

The Nutrition Program is sponsored through Title VII of the Older American's Act. Although there is no charge for the lunch, a donation of \$.50 is appreciated.

Ho, Ho, Ho, another holiday has arrived and with it comes a present from our cooks! A seasonal lunch with turkey, Christmas jellos and festive cakes is their gift to the students.

This is the time of the year for peace and goodwill so I'm not taking any chances. A piece of coal in my stocking is not my idea of a Merry Christmas. So I offer to the cooks a truce and high praise in their preparation of the lunch menu this week.

However, beware of the columnist who bears gifts; a New Year's resolution to improve the menu had better be in the making!

2 killed, 2 badly hurt in Tenn. plane crash

Cont. from pg. 1

"Jeffrey's condition is stable, however", the hospital source said. "Both youngsters are quite alert and the nurses are having a lot of fun with the children. It's kind of a special case."

The two were rescued after spending nearly 48 hours atop a remote ridge in a heavily wooded part of the Smoky Mountains. The plane crashed just inside the North Carolina border, 30 miles from Knoxville. Both children were exposed to low temperatures and constant cold winds.

One source said a clearing had to be made for the rescue helicopter before it could land. Once that was done, the rescue team had to hike miles to reach the wreckage.

Both children were found wedged in the plane. They were conscious throughout the entire ordeal, according to one family friend. Dr. Robert Lash, a member of the rescue team and a staff doctor at the Tennessee hospital, said the children were scared and that they remembered nothing of the crash.

A family friend said Mrs. Carol Shrewsbury, their mother, was "doing very well. 'All kinds of people are helping,' she said. 'It's unbelievable.'"

"They are terrific people," said the family friend. "The kids are terrific - it comes from the parents. They were well-adjusted enough and could handle this tragedy."

"Carol always has time for someone else," said the family friend.

Shrewsbury was a marketing representative for IBM and a member of the Three A Flying Club in Southfield. His daughter, Laura, was a student at West Middle School.

The club owned the four-seat Cessna 172 plane. The Federal Aviation Administration said Shrewsbury had not filed a flight plan.

The plane left Blairsville, Georgia early Thursday morning, a spokesman said. The family had been in Blairsvilles since Sunday because of bad weather.

Laura Shrewsbury was

cremated Saturday in Tennessee. A family source said the government was not releasing the body of Thomas Shrewsbury for funeral arrangements until

reconstruction of the plane crash was completed.

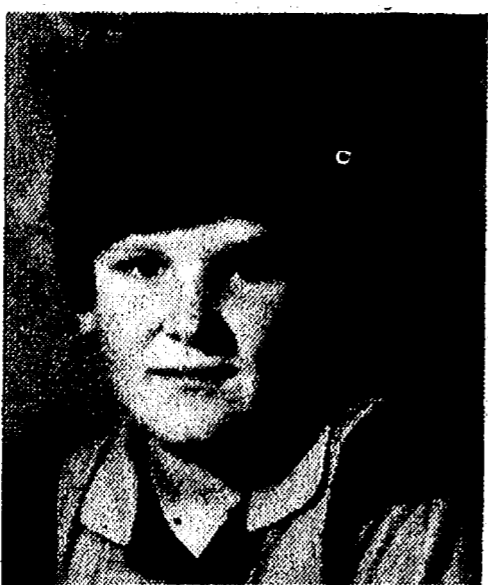

Laura was cheerleader at West Middle, said a neighbor, Kathleen Driscoll, whose sister

babysat for the family the night before the trip.

Mrs. Shrewsbury is employed by Real Estate One in Plymouth.

Flashy Mumford ends Canton's season, 63-54

BY CHAS CHILD

The irresistible force met the immovable object Friday and the irresistible force won.

The run-and-gun, "alley-ball" style of Mumford broke down the usually tight defense of the Canton girls basketball team to hand the Chiefs their first loss of the season, 63-54.

Mumford's victory on their home court made them district champions in the state playoffs. It also ended Canton's season.

Usually, tight defense prevails against run-and-gun, but not this time.

The Mustangs stormed down the court on their fast break time and time again in the third quarter to open up an unsurmountable 58-43 lead.

Combine their fast break with some fancy outside shooting, and Mumford looked unbeatable.

"They're a super team," Coach Mike McCauley said. "If they played like they did against us, they'll go all the way."

Canton kept it close in the first half with an effective four-corner offense which the Mustangs didn't seem prepared for.

Working the ball inside to Kelly Heaton under the basket, who scored 20 points in the game, the Chiefs were only behind by four points at half-time, 27-23.

The Mustangs hit their stride in the third quarter, however. Led by flashy Debra Walker, Mumford built up to a 15-point lead.

Two quick baskets at the beginning of the third stanza put the Mustangs eight points ahead, a deficit the Chiefs never overcame.

Mumford's fast break hurt, but it was three turnovers midway in the third quarter which sealed Canton's fate.

Throughout the game, the Mustangs played uneven defense, but they turned it on to converted the three turnovers into field goals.

The Chiefs started shutting

off Mumford's fast break in the fourth quarter, but the Mustangs got hot with shots from the outside.

Baskets by Evie Pasek and Heaton pulled the Chiefs within nine in the last minutes, but it was too little, too late.

High scorers were Heaton with 20, and Kathy Sochacki with 18.

With essentially a young team, the Chiefs could hardly have had a better season. Undeclared until they met Mumford, they held their opponents to an average of 26 points per game.

They had the best record in the suburban Detroit area, and would have been district champs in almost any other district in the state.

Only two players will graduate: Kathy Sochacki and Sue Rekuc.

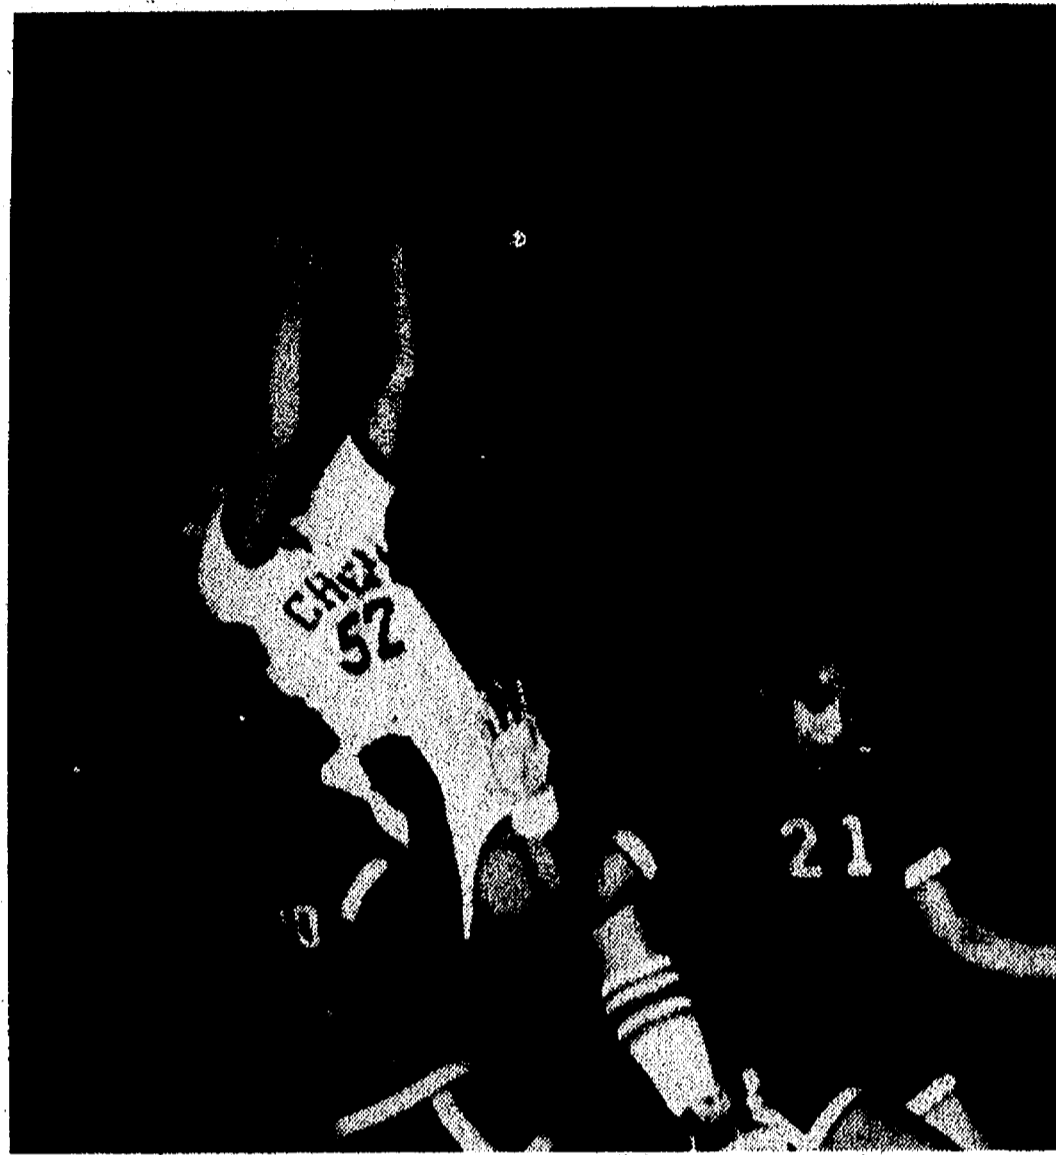

WSDP to air Salem contest

WSDP, the radio station of CEP, will broadcast tonight's Salem-Trenton regional game from Trenton.

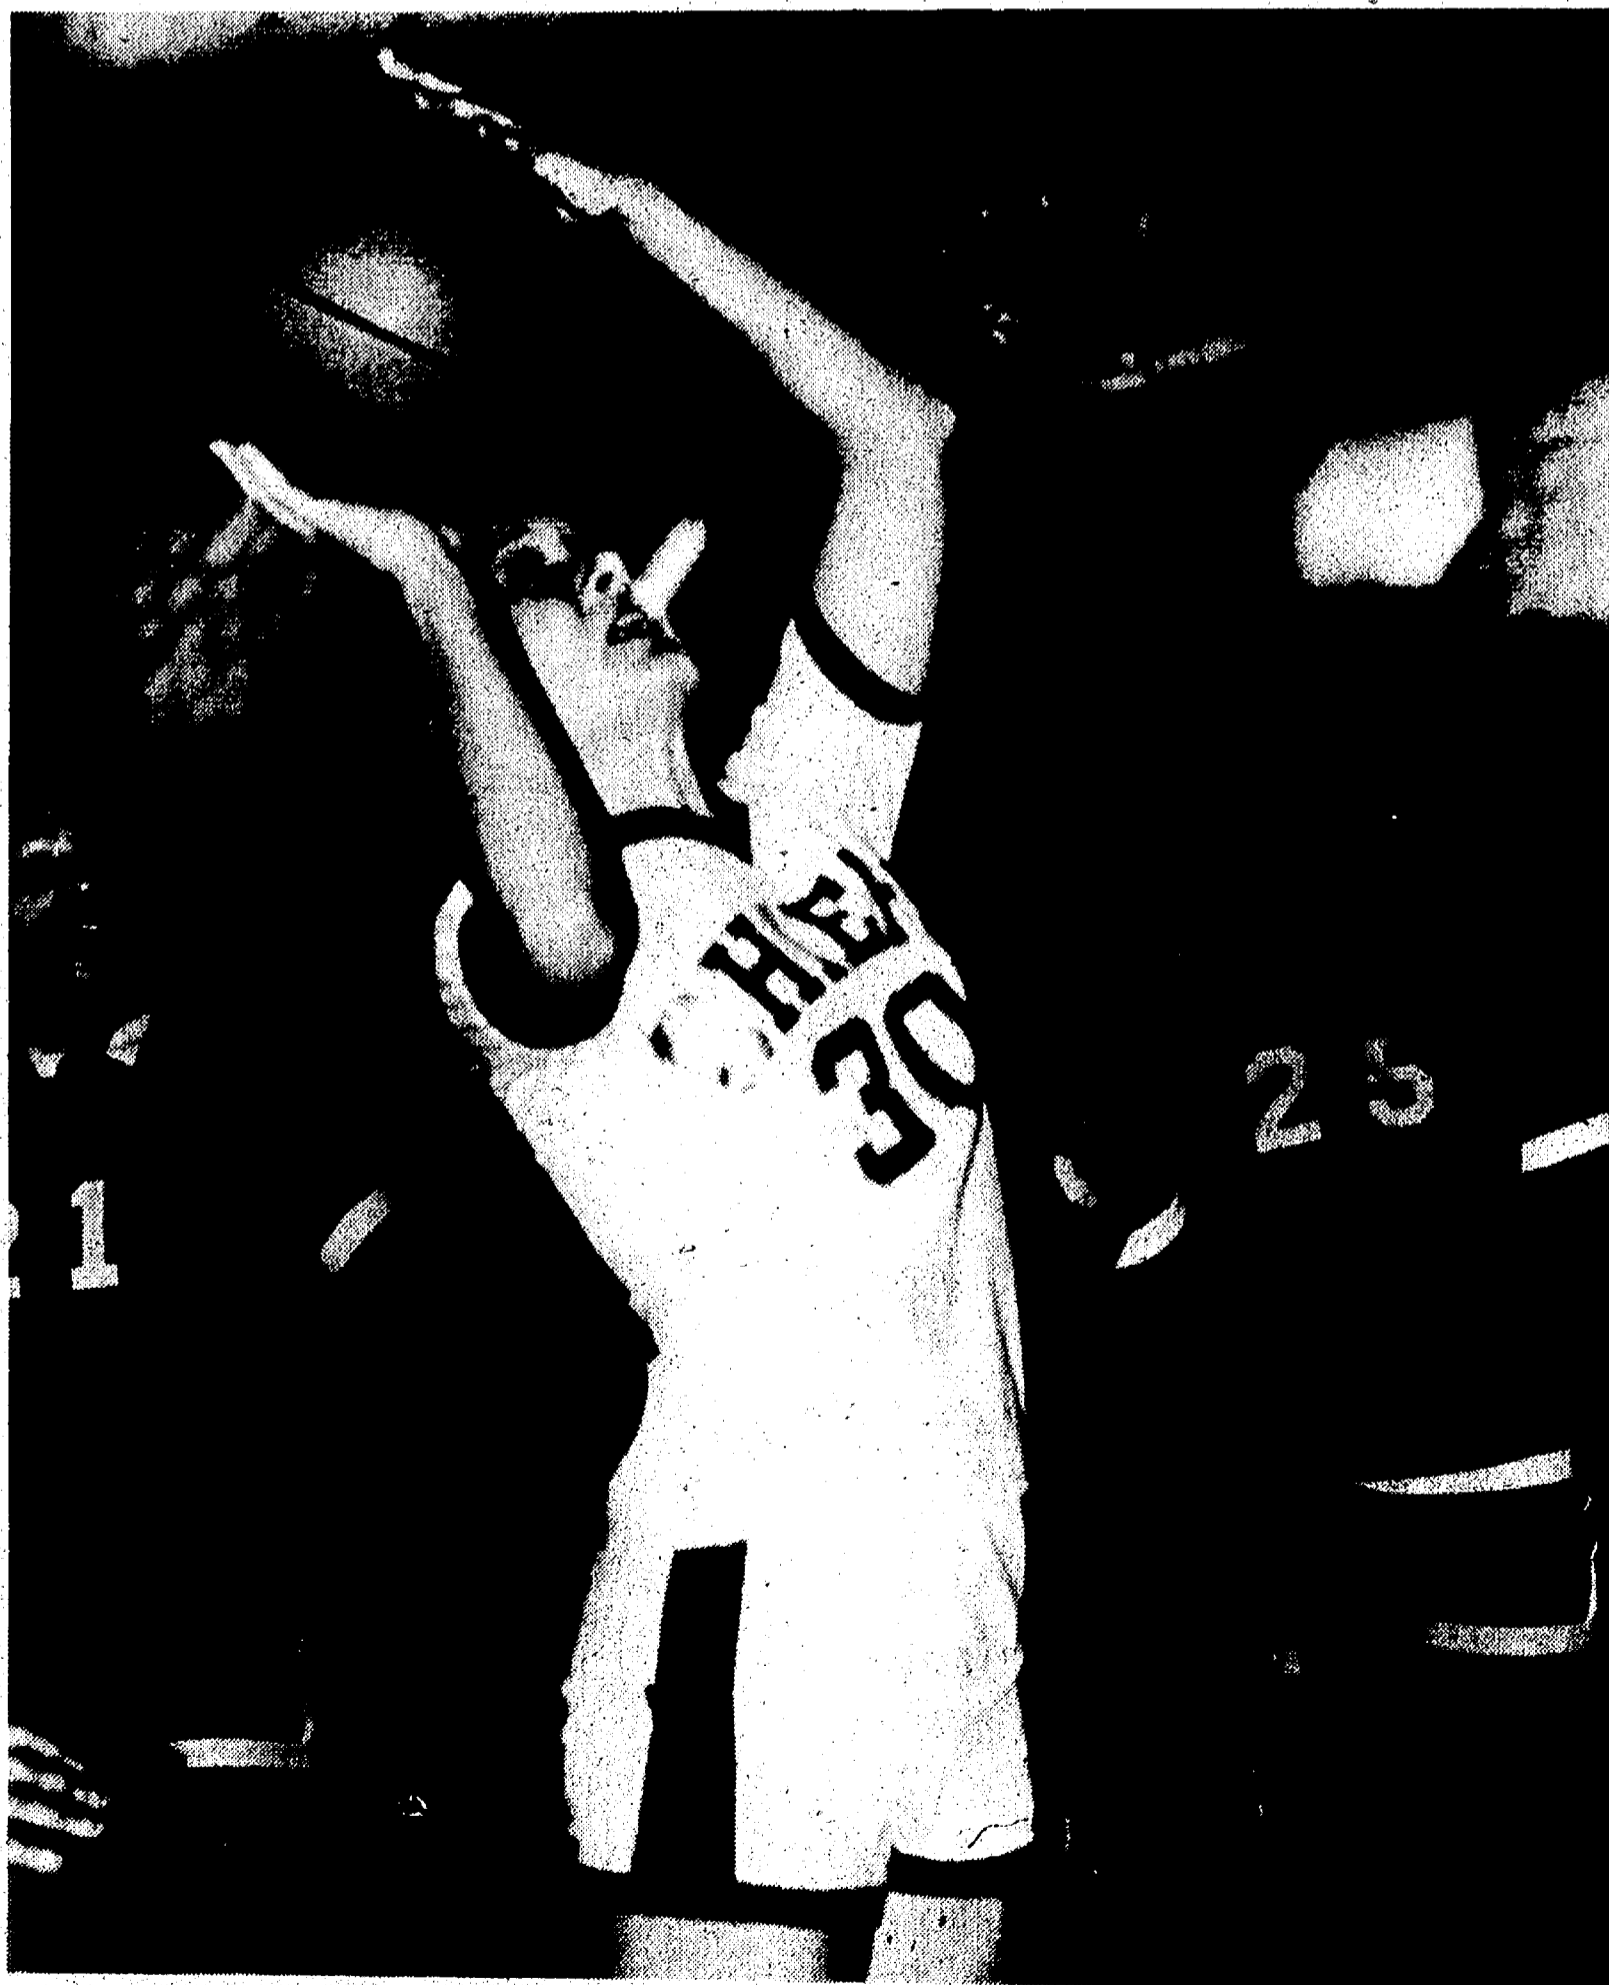

The station is at 88.1 on the FM dial.

The game begins at 6:30 p.m.

Rocks win district title...

BY CHAS CHILD

Salem walked away with the district crown last Wednesday by trouncing Dearborn Fordson, 50-28.

The Rocks used a tight man-to-man defense to win their first district title. They are now 15-6 on their year and with the loss, Fordson is 6-11.

Starting fast with a zone press, Salem jumped out to a 12-5 lead after one quarter. Fordson broke the press a number of times in the second quarter to keep even with the Rocks, but Salem still held a comfortable lead at the half, 24-16.

Fordson could only manage two points in the final quarter against the Rocks' defense.

Coach Debbie Hatcher pulled the press at the end of the first half and kept Fordson under control from there with a man-to-man defense.

The scoring for Salem was

very balanced, with only one Rock in double figures. Kathy Dillon tallied 12 points and behind here were Doris Hoelscher with eight, Debbie Pitera,

Four Rocks contributed four points: Brenda Davis, Erin Moore, Peggy Somers and Patty Weidman.

...face Trenton tonight in regional opener

"On the upswing."

That's how Coach Debbie Hatcher describes her district champion girls basketball team as they swing into the regionals tonight.

Salem shrugged off their mid-season slump and came on strong to capture the district crown, with the help of a solidified defense.

In their last eight games only one team has scored more than 40 points against the Rocks.

"Our attitude has been much better lately and we're working

hard," Hatcher said.

The Rocks take on Trenton tonight at 6:30 at Trenton High School.

If Salem can stop Trenton's 6' 2" Kim Nash, they'll be well on their way to victory. "We might try a zone defense against her to try to block passes before they get to her," said Hatcher.

Salem and Trenton split two games during the regular season. The Rocks won the first game 49-47, but Trenton, behind Nash, took the second game, 54-48.

Tigers rap Chief boys

A very quick Belleville squad ran past the Canton boys basketball team, 71-53, last night at Belleville.

In the second quarter, the Tigers poured in 24 points and held the Chiefs' leading scorer, Butch King, to no points to pretty much salt the game away.

The loss drops Canton's season record to 1-1.

Although Belleville sank 60 per cent of their shots in the second half, it was their defense which proved the difference.

"They were very quick," Canton Coach Casey Cavell said. "We didn't get enough second shots."

King was the only Chief in double figures with 23. Canton's other top scorers were Randy Rienas with nine, and Rusty Mandle and Brent Eccles with six points each.

King tallied 10 points in the first quarter to keep the Chiefs within four points at the end of the quarter, 20-16. But from here the Tigers took over.

Penetrating very well on offense and working the ball to Kelvin Patterson, Belleville

went into the locker room with a commanding 44-28 lead.

Patterson accounted for 22 points in the contest.

The Tigers' quickness prevented an effective press by Canton in the second half and they could never catch up.

"Our reactions were a little slow on defense," Cavell said, "and we're going to sharpen it up for our next game."

The Chiefs will be trying to get back on the winning track Friday in their home opener against Walled Lake Western. The Western Six contest starts at 6:30 p.m.

Stanwood places 5th and 8th at state meet

Salem's Marion Stanwood placed fifth in the 200-yard freestyle and eighth in the 500-yard freestyle to lead the Plymouth-Canton contingent in the state swimming meet Saturday.

No other Chief or Rock placed, although Salem's Amy McClumpha finished 14th in diving.

Those who qualified for the state meet but who failed to place were: Sarah Stanwood in the 100-yard freestyle, Sue Stan-

wood in the 100-yard butterfly.

Two Rock relay teams also failed to place -- the 200-yard medley relay foursome of Jill McCann, Collette Cabadas, Sue Stanwood and Sarah Stanwood; and the 200-yard freestyle relay of Marion, Sarah and Sue Stanwood and Madeleine Lakatos.

The two Chiefs who qualified but failed to place were Cindy Shelanski in the 100-yard backstroke and Kim Massey in the 500-yard freestyle.

Salem tankers trounce Thurston in opener

In their opening swim meet, Salem's boys sank Thurston, 119-52, at the Rocks' pool Thursday.

"We swam well for our first meet," Coach Chuck Olson said. "We'll surprise a few people if we keep going."

In the 200-yard medley relay, Salem's Brian Lazarus, Bob Simone, Rob Kuebler and Barry Lee touched first with a time of 1:52.5.

Kuebler also copped a first in the 100-yard butterfly and Simone was first in the 100-yard breaststroke. Rock Sophomore Craig Finley captured firsts in two freestyles, the 200 and the 500-yard races.

In other races, Salem's first place finishers were: Jeff Stella in the 200-yard individual medley, Mike Etienne in the 50-yard freestyle, Jim LaRiche in diving, and Tom Rubadue in the 100-yard freestyle.

Chiefs start fast; whip Harrison, 76-67, in opener

BY JEFF REY

For those who thought that the fall season sets the pace for the entire year, you should have been at Farmington Harrison on Friday when the Canton Chiefs basketball team, the same school that saw their football team go winless, trounced the Hawks, 76-67. The Chiefs were simply out to play basketball and besides demonstrating superb ball handling, Canton displayed high enthusiasm and excellent team discipline to bluntly out-class Harrison.

"We might have been a

little anxious, but we played good solid four-quarter basketball," said coach Casey Cavell.

Junior Butch King was the leading scorer and sparked the Canton offense with 25 points and 55% shooting from the field.

The Chiefs were red hot in the opening minutes of the game. King scored seven points in the first quarter and the defense repeatedly caused Harrison turnovers. Canton led 15-11 after the first quarter, but in the second period the Chiefs committed six fouls and the Hawks' offense began to roll.

"We started to get sloppy and commit too many fouls," Cavell said.

Canton lost their four point lead and were down 35-34 at the half. Whatever adjustments made at halftime were no doubt successful as the Chiefs worked in some players from the bench and capitalized on many opportunities to jump in front, 60-53.

Canton went to work in the final quarter, scoring 16 points and literally eating up the clock by keeping control of the ball. Harrison was forced to foul the Chiefs in order to create turnovers. The game finally ended with the Chiefs extending their lead by two and posting their first victory of the season.

Only two players beside King scored in double figures for the Chiefs. Rusty Mandle finished the game with 13 points and Randy Rienas scored 10. Mandle also had 13 rebounds followed by Mike Leary with 12 rebounds.

The Chiefs shot 62% from the line and an overall 51% from the field.

"Our defense played real well," said Cavell, "and we got some super help from our bench."

The JV squad also picked up their first win of the season by defeating Harrison 59-34.

"We were pretty much balanced in scoring," said coach Wayne Weimer, "everybody got a chance to play."

The Chiefs open their home season against league foe Walled Lake Western on Friday. JV starts at 6:30 p.m. and varsity at 8 p.m.

Rocks win third laughter

Salem rolled past another weak opponent Friday, smashing Allen Park 81-54.

The game was pretty much decided before it was ever started, as nine Rocks saw action in the first quarter and the whole team got in the game by the end of the first half.

"Our team play is really coming along," said Coach Fred Thomann. "It will be the key to our season. I feel we're only as good as our weakest player."

Along with team play comes balanced scoring and the Rocks proved this by getting six players in the scoring column in the first quarter.

Tom Ellinghausen tallied seven points in the first quarter; Mike Christie, six; and four Rocks copped two points: Mike

Etienne, David Monk, Steve Horton, and Doug Agnew.

The Rocks led 21-12 at the end of the first stanza and kept right on going to build an unsurmountable 42-20 lead at the half.

Thomann had special praise for his point guards, Etienne

and Paul Dillon. "They played very well," he said.

High scorers were Ellinghausen with 18 points, Christie with 13 and Monk chipped in 11.

The victory gives the Rocks a 1-0 mark in the Suburban Eight and a perfect 3-0 record on the season.

Chief wrestlers roll

With five pins, the Canton wrestlers overwhelmed Livonia Bentley last Tuesday, 60-9.

Meeting tougher competition Saturday, however, the Chiefs finished eighth in a field of 15 teams in the John Glenn Invitational.

Against Bentley, Jay Parks at 98 pounds recorded the quickest pin of the day, 29 seconds.

Tommy Harreld, at 105 pounds, wrestling up a weight class from his usual 98 pounds, pinned his opponent at 1:38 in the match.

Craig Lee, also wrestling up a weight class, got his pin in the second period. Also recording pins for the Chiefs were George Hamblin (178 pounds) at 1:06 and Paul Haarz (191 pounds) at 1:18.

The Chiefs' other winners

were Jeff Rey, who blanked his opponent 7-0 and Scott Collins, who won 13-4.

The highlight of the John Glenn Invitational for Canton was Harreld, grappling at 98 pounds. He won his first three matches to get into the finals but lost to a John Glenn wrestler.

Collin was Canton's next best finisher. He got a bye in the first round, pinned his opponent in the second round, but lost his next two contests to place fourth.

"Harreld did an outstanding job," Coach Dan Chrenko said. Canton garnered 53 points for eighth place. Wayne Memorial won with 213 points.

The Chiefs start their Western Six schedule tomorrow at Farmington Harrison. The dual meet starts 6:30 p.m.

Rock grapplers win Invitational

Running his streak of consecutive pins to nine, Salem's Rene Leist pinned three opponents Saturday to capture first place in the Allen Park Invitational.

Besides Leist, three other Rocks captured first in their weight class to lead Salem to the invitational's crown: Jimmy Ross, Wally Brown and Bob Dasher. Among the four grapplers there is only one loss. Leist's record is 9-0, Ross is 8-1, Brown boasts an 8-0-1 mark and Dasher is 4-0.

Dasher also had three pins in the invitational.

On Thursday, the Rocks rolled past Dearborn in a dual meet, 59-12. In the Invitational, two Rocks lost in the finals to finish second. Jimmy Schultz

was ahead in points in his final match but by a bad break, got pinned. Bruce Piper, sporting eight consecutive pins through the semi finals, defaulted the finals for fear of aggravating a minor injury. The default gave him a second. Finishing third were three Rocks: Randy Viperman, Bob Barrackman and Joe Piccola. Viperman has a 9-1 season record.

Jeff Brown copped a fourth. Overall, 10 of the 13 Rocks placed from first through fourth.

"It was a good tune-up tournament for us," Coach Ron

Krueger said. "I think Leist, Ross and Dasher are doing real good jobs."

COOKIE MONSTER Tony Mosti bites into a cookie baked by Canton Cub Scouts at Miller School.

Scouts compete with cookies

BY PHYLLIS REDFERN

Getting mother out of the kitchen was the duty of many Canton Cub Scouts last week as the boys and their fathers concocted prize winning recipes. The big occasion was the Miller School Cub Scout Pack No. 854 Father and Son Bake-Off.

Mothers were not allowed in the kitchen while the scouts and dads mixed, sifted and baked. The results were fantastic!

Larry Backoff, cubmaster said it was a good chance for the boys to show they could do something other than mechanical things.

The grand prize winner was Kenneth Danielski and his father Jim who made a Russian cherry cheesecake. The cheesecake had three layers and they used cinnamon graham crackers for the crust.

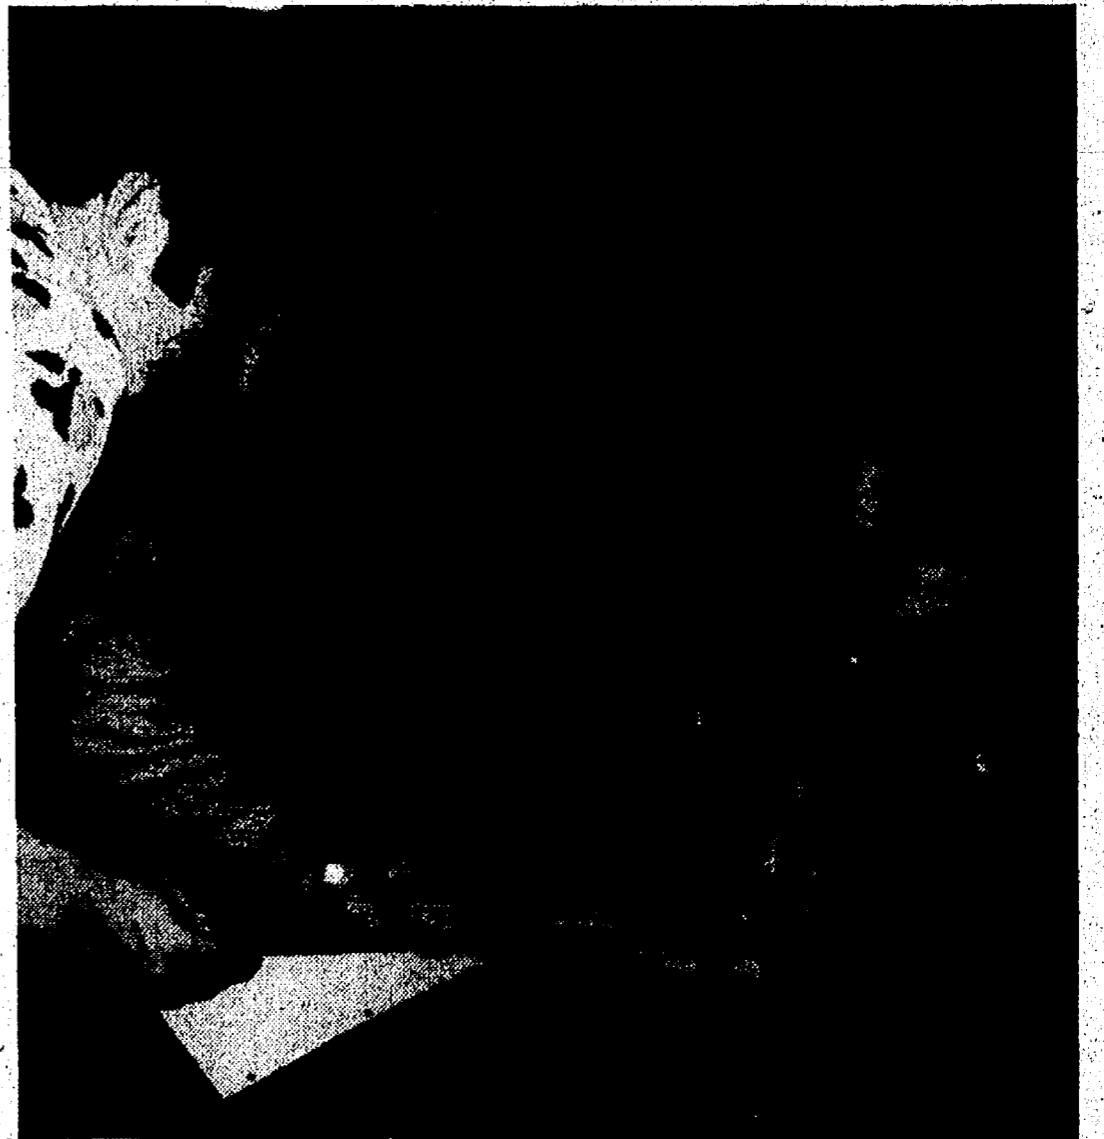

The seven runners up who also won trophies were: Kelly Jones and his father Max Miller for Kelly's banana nut bread (made with grape nuts and rum); Steve Janik and his father Gene, for cherry nut pudding cake (the cherry sauce really made the cake); John McKimmy and his dad John made cherry tarts (vanilla wafer crust and sour cherries); Dan Carrigan and his dad Pat, for mint brownies (green mint frosted the brownies topped with chocolate); Scott Magaldi and his father Bud made pumpkin bread (moist with just the right spices); Ralph Robinson II and his father made carrot cake (cream cheese frosting made it perfect); and Jason Connor and his dad Gary baked peanut butter crisscrosses (everyone's favorite - traditional peanut butter cookies?)

The judges based their decisions on color, originality, texture, quality and taste. How recipes were followed also entered into choosing the winners.

Chairmen for the bake off were Tom Ford, Pat Mosti and Sharon Thidoleau.

The judges were Hester Griffin, head chief at the Mayflower Hotel; Jerry Lutheran, head chief at the Roman Forum; Rich Holloway, from Holloway's Bakery; Larry Wendle from Terry's Bakery and Theresa Cimino, head cook at Miller School.

The judges all agreed that the boys did a "real good job" and that it was a hard decision picking a winner. Mrs. Cimino said she was glad she hadn't eaten any dinner after sampling all the desserts.

KEN DANIELSKI, 9, (below) and his dad, Jim, won the grand trophy for their Russian cherry cheesecake. Above, Cubmaster Larry Backoff measures the troop's spit and polish during inspection.

BY WILLIAM DECKER

REALTOR

ON OLDER HOMES

Every year, twice as many American families buy older (or previously-occupied homes) than they do new houses. Depending upon the age of the home, naturally, there may be some unknown risks in the area of construction, plumbing, or wiring. However, these can be obviated by a professional inspection.

But there are also some major advantages to buying an older home. It normally contains far more space than a new home in the same price range, and there are a great many more older homes than new homes for sale which gives you a wider opportunity to make a good buy. Also, many older homes

have a charm, location, and graciousness that can't be found in a new home.

True, a new home will give you fewer maintenance problems and more modern built-in appliances, however, there is much to be said for the older home too. The best approach is to look at both and weigh the merits. We'll be happy to show you a fine selection of both older and new homes to choose from.

If there is anything we can do to help you in the field of real estate, please phone or drop in at REALTY WORLD, Wm. Decker, Inc. Realtors, 670 S. Main St., Plymouth. Phone: 455-8400. We're here to help!

In an emergency, take P.A.R.T.

When Santa came to "Old Village" for the Christmas Walk he and Mrs. Santa were so anxious to talk to Alice at The Little Angel Shoppe. They wanted to get some lovely clothes for the children at the North Pole . . . (This was left out of our Special Christmas Story last week).

KC: a stitch in time saves nine.

HAPPY BIRTHDAY BOB VAN FLEET -- just wanted to see if you read this far into the paper.

ANOTHER ARNHOLT enters the scene!! Welcome Ryan . . . even though you took your time getting here, eh Rose? Congratulations to Plymouth-Canton newest journalist from The Crier folks.

Asst. Chief Johnson: Many thanks to you and all responsible for recovering my checkbook. Merry Christmas! Bill Bresler

It sure would be nice if the Redfern's could get one car running log enough to get the other one fixed -- Steve don't give me that story about the parked car running into you.

POSTING AND FILING OF CITY COMMISSION MINUTES - CITY OF PLYMOUTH, MICHIGAN

Notice is hereby given that on the 6th day of December, 1977, true copies of the minutes of the regular meeting of the City Commission held on Monday, November 14, 1977, at 7:30 p.m., were posted on the official bulletin boards of the City of Plymouth, located at the Southeastly corner of the intersection of S. Main Street and Penniman Avenue; the Southeastly corner of the intersection of Starkweather Avenue and W. Liberty Street; the South entrance of the Central Parking Lot facing S. Harvey Street, and also on the bulletin board in the City Hall at 201 S. Main Street. These minutes are posted in accordance with Section 5.11 of the City Charter for the benefit and information of all interested citizens of the City of Plymouth.

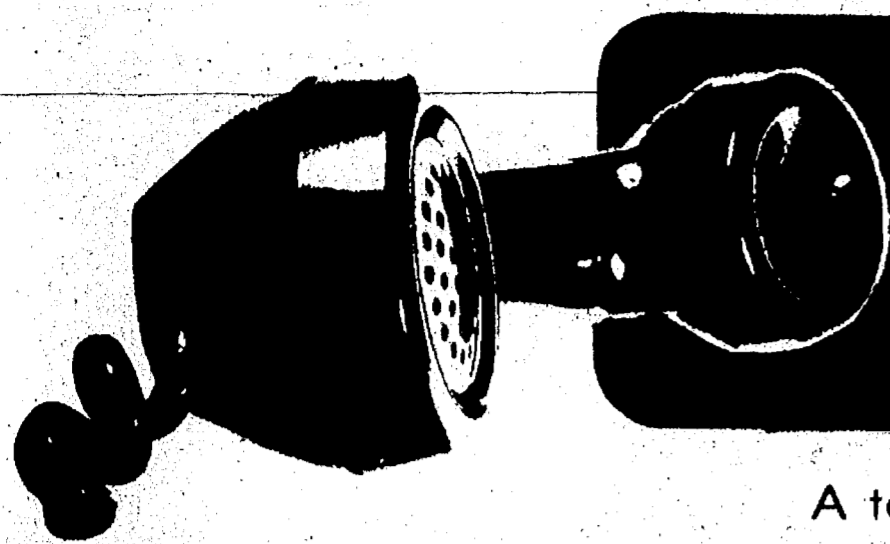

PAUL V. BRUMFIELD, CITY CLERK

TOWNSHIP OF PLYMOUTH BOARD OF TRUSTEES - REGULAR MEETING NOVEMBER 22, 1977

All members were present.
Mr. West moved approval of the minutes of the regular meeting, November 8, 1977 as submitted. Supported by Mr. Gornick and carried unanimously.
Mr. Gornick moved approval of the payment of the bills in the amount of \$105,492.46, as submitted. Supported by Mrs. Fidge and carried unanimously on a roll call vote.
Dr. Gary E. Hall. Re: Storm Sewer serving the office building at 42801 Schoolcraft Road. After discussion by the Board Members, David Smith and Dr. Hall, Mr. Gornick moved to table this item for up to sixty days to allow time for the Supervisor, in consultation with our Township Engineer and/or with our Township Attorney to get some recommendations as to both the long and short term possibilities involved, whether or not we are talking about administrative policy, an ordinance or that each case be treated on an individual basis. Supported by Mrs. Fidge and carried unanimously.
Thomas P. O'Rourke. Re: Requesting a change in street name from Cohasset Court to Beacon Hill Circle. Mr. Breen moved that we pass this request on to the appropriate authorities, including the Board of County Road Commissioners to the attention of the Managing Director, Mr. Thomas O'Rourke that we concur in their recommendation and they may do as they wish. Supported by Mrs. Fidge. Mr. Gornick and Mrs. Richardson disagreed with the request for street name change as the plat had already been recorded and felt that the developer, Mr. Gould should be contacted prior to any change in street name. The following roll call vote was taken: Yes: M. Breen, L. Fidge, J. West, F. Millington, T. Notebaert. No: R. Gornick, H. Richardson. The motion carried 5-2.
Milton P. Rotenberg, President-Rescom Development Corporation. Re: Requesting approval of minor modifications to dimensions of the plat of Westbriar Subdivision No. 2. Mr. Gornick moved to approve the proposal to proceed with a gross area of 39,814 acres and contingent upon the general lot layout and circulation pattern originally approved will remain substantially the same and that any minor adjustments to the lot layout made necessary by the new information will not result in a variance request for open space requirements and minimum lot area, lot width or lot depth requirements. Supported by Mr. West and carried unanimously. Mrs. Richardson moved approval of the request for a street light at the corner of Ann Arbor Trail and Beacon Hill Drive. Supported by Mr. Gornick and carried unanimously.
Township of Plymouth Planning Commission. Re: Action taken at their meeting of November 16, 1977. (a) William Fehlig-J. Moon, Application No. 358. Re: Final Preliminary Plat of Beacon Trail Subdivision No. 2. Mrs. Richardson moved approval of the Final Preliminary Plat of Beacon Trail Subdivision No. 2, Application No. 358 with the two conditions that

were mentioned: Firstly, that the Building Department make every effort to see that construction traffic use the outlet to Ann Arbor Trail and secondly, that the sump pump situation is followed through per the committee's report. Supported by Mr. West and carried unanimously.
(b) Standard Federal Savings and Loan, Application No. 392. Re: Land Split on the southwest corner of Ann Arbor Road and Haggerty. Mr. Gornick moved approval of the land split as requested in Application No. 392. Supported by Mrs. Fidge and carried unanimously.
(c) Holtzman & Silverman, Application 384. Re: Tentative Preliminary Plat of Hidden Heights Subdivision, located on the south side of Ann Arbor Trail between Terry Street and I-275. Mr. Gornick moved that Application No. 384 be referred back to the Planning Commission for restudy, re-consideration and a re-hearing based upon the submission of the revised plat to that body showing access to Ann Arbor Trail. Supported by Mr. West and carried unanimously.
Thomas G. Notebaert. Re: Establishment of a M.T.A. Wayne County Chapter. Mr. Breen moved approval of the recommendation of the Supervisor to form a Wayne County Chapter within the M.T.A. and the annual dues of \$25.00. Supported by Mr. Gornick and carried unanimously.
Helen Richardson, Clerk. Re: Transfer of funds. Mr. Breen moved approval of the Transfer of Funds as submitted by the Clerk. Supported by Mr. West and carried unanimously.
(b) Amendment to Schedule of Fees for Planning Commission. Mrs. Fidge moved approval of the amendment to the schedule of fees for Site Plan Review for Existing Buildings in Commercial, Office and Industrial zoned land as recommended by the Clerk. Supported by Mr. Breen and carried unanimously.
James P. Curran, Jr. - Director, Office of Program Development & Coordination. Re: 1978 Community Development Block Grant Program. Mr. Gornick moved approval of the Resolution as suggested by Wayne County which would allow the Township's population to be used in computing for qualification to participate in the program. Supported by Mr. West and carried unanimously.
City of Inkster. Re: Requesting support of House Substitute Bill no. 5418 which would allow local governments to compile and update lists of homeowners who submit statements that they do not want to be contacted by realtors about selling their property. Mr. Breen moved that the Clerk send a supporting letter of House Substitute Bill No. 5418 Supported by Mr. Gornick and carried unanimously.
Mr. Gornick moved to adjourn the meeting. Supported by West. Supervisor Notebaert adjourned the meeting at 9:52 p.m.
Approved,
THOMAS G. NOTEBAERT,
SUPERVISOR
Respectfully submitted,
HELEN I. RICHARDSON,
CLERK

These proposed minutes are a synopsis. Cassette Tapes of the meeting are on file in the Clerk's office.
