## By 242 votes, Poole upsets Culbert

BY DAN BODENE

For the first time since the early 1960s, Canton will be administered by a Republican-dominated Board of Trustees.

James Poole, a former Canton trustee, won the supervisor's seat by 242 votes in an election that saw a surprising turnout of 17,392 voters, of a possible total of 25,794 registered township voters -- 67 per cent.

Poole is the first Republican supervisor in nearly 20 years, and will head a township board with fellow Republicans trustees Stephen Larson, Loren Bennett and Robert Padget. Democrats Carol Bodenmiller, re-elected as trustee, Treasurer Maria Falkiewicz and Clerk John Flodin will complete the board.

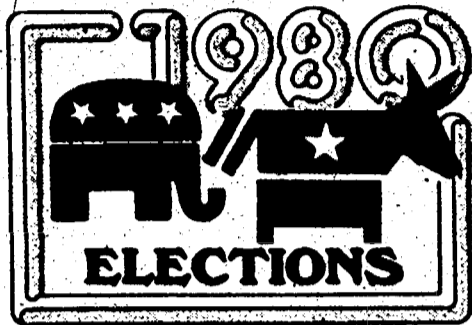

Poole will replace Democrat Noel Culbert, the third township supervisor in a row to be ousted after only one term.

Before all the results had been tabulated on election night, Culbert predicted a close race. "There's still a few precinct totals out, but it's too close to even call," he said.

Deputy Treasurer Maria Falkiewicz bested Republican challenger James Kearney by 315 votes for the treasurer's race, losing five of 16 precincts. She will replace incumbent Treasurer James Donahue, who relinquished his duties earlier this year.

Clerk John Flodin ran unopposed again this election, garnering the single greatest vote total -- 9,385.

Robert Padget was the second highest voter-getter bringing in a total of 9,014 ballots. He will serve with incumbent Stephen

Larson, previously the only GOP trustee. Larson garnered a total of 7,773 votes.

Rounding out the new board will be Loren Bennett, who campaigned with a grass-roots approach, and incumbent Democrat Carol Bodenmiller.

Bennett summed up his win by observing, "It took a lot of hard work. I went out and talked to the people, and I intend to continue talking to the people for the next four years."

Republican Duane Bordine missed the mark by a good margin, trailing Bodenmiller at 6,760 by 553 votes. Bordine, like Bennett, appealed to township voters with a folksy, common-sense campaign.

Democrat Mary Dingeldey likewise failed to garner enough votes, although she placed strongly in several precincts. She was sixth in the vote total, with 6,298 ballots.

Democrats Larry Bowerman and Gary Roberts, who both had tried before, completed the voting picture, gathering 6,195 votes and 5,769 votes, respectively.

## Republicans capture all seats

# Breen sweeps past Levitte for Twp. supervisor

BY PATRICIA BARTOLD

Joining the Republican landslide, Maurice Breen emerged victorious in yesterday's race for Plymouth Township supervisor, sweeping easily past Democratic challenger Carol A. Levitte.

CHARLIE BROWN and his gang will stage a performance this weekend at Central Middle School as the Plymouth Theatre Guild presents "You're A Good Man, Charlie Brown." Curtain time is 8 p.m. Friday. For more about the play, turn to pg. 10.

In the race for the Board of Trustees, Republicans Barbara Lynch, Gerald Law, Lee Fidge, and Andrew Pruner snatched the four trustee seats. They easily beat their Democratic opponents, Donald Skinner and F. Patrick Downes.

Clerk Esther Hulsing and Treasurer Joseph West, both Republicans, had no opposition in yesterday's election.

About 10,000 voters cast their ballots yesterday of the 14,600 registered voters in the township, said Hulsing, representing about 75 per cent of the registered voters.

Unofficial tallies showed Breen with 6,869 votes compared to 2,979 for Levitte.

In the trustee race, Lynch drew the highest number of votes, 7,077, followed by Law with 7,062, Fidge with 6,313, Pruner with 6,138 Skinner with 3,509 and Downes with 2,688.

A former Plymouth Township supervisor from 1970-72, Breen is currently a member of the Board of Trustees. He upset incumbent Supervisor Thomas Notebaert in the Aug. 5 primary by 170 votes.

Although obviously pleased with yesterday's victory, Breen said last night he campaigned hard "to remind voters that there was an election in November (after August's primary)."

Breen, along with other Republican victors, gathered at Plymouth's GOP headquarters last night to tally their precinct-by-precinct totals. It was a victory party from start to finish as the Republicans swept

racers from the township level to the presidency.

During the celebration, Breen talked about Plymouth Township's future. He favors a strong administration at Plymouth Township Hall, a proposal he will discuss after the newly-elected board is sworn in Nov. 20. The board will serve for four-year terms.

He hopes to establish a "congruous relationship" between township administrators and trustees and "maintain a good working relationship."

However, Levitte did not concede vic-

tory to Breen easily. "This has been a negative experience," she said. "I find it frustrating not to win, particularly when I believe I was the best choice."

"I'm unhappy. I wanted to win."

She said that she would not seek the supervisor's job in 1984. "No, I'm not running again in four years. I hope that I'll be in an entirely different (job) situation."

Furthermore, she said that she and her

## Joyner survives GOP swamping

County Commissioner R. William Joyner survived a scare yesterday from Republican Darrell Kress in the 27th District, which includes all of the Plymouth-Canton Community.

With only two precincts in Westland not reporting, Joyner had a total of 19,457 votes, versus Kress's 18,976.

Joyner lost his home community, Plymouth Township; but sizable majorities in the heavily Democratic areas in Sumpter and Van Buren townships boosted him past Kress.

Kress outpolled Joyner 5,131 to 3,927 in Plymouth Township, while the Belleville native won the City of Plymouth, 2,105 to 1,934.

## Voting was a waiting affair all over

BY W. EDWARD WENDOVER

Long lines and complicated ballots made an experience out of exercising the right to vote in the Plymouth-Canton Community Tuesday.

The award for patience goes to Jim Lulek, of Arlington in Canton, who finally voted at 10:50 p.m. after waiting three hours in line at Canton's Pct. 7 at Salem High School. He was the last voter there.

As if that wait weren't bad enough, Lulek had gone to vote at 8:45 a.m., waited half an hour and gave up because he was afraid he'd be too late for work.

Long lines were not the only problems faced though.

One man in Plymouth, was seen kneeling in the voting booth trying to read the lowest ballot items.

On two separate occasions, City of Plymouth voters complained of delays and con-

fusion caused by misnumbering of voter application slips. Another complaint centered on voting machine levers slipping down on ballot proposals because they were loose.

There were good points too.

About noon at Pct. 4 in Plymouth, the

mother of a young infant had been waiting for an hour to vote and finally got up to the machine. Without hesitation, poll worker Mary Lindsay took the baby and rocked it in her arms while the mother went through the ballot behind the curtains.

## Congressman Ford whips self-proclaimed racist

U.S. Congressman William Ford apparently swamped Republican challenger Gerald Carlson in Michigan's 15th District, which includes all of Canton Township.

Unofficial and incomplete results showed Ford piling up about a 2-1 edge over Carlson, an avowed white supremacist.

With 37 per cent of the votes in at about 12:15 a.m. this morning, Ford had 49,356 votes and Carlson had 25,243. In Romulus, for example, Ford polled 5,169 votes, while Carlson received 1,896.

Carlson attracted national news attention for his anti-black views.

## Berg to sit on Charter Commission

Republican Bart Berg apparently defeated Democrat Walter Hink to win a seat on the Wayne County Charter Commission from the 27th District, which includes all of the Plymouth-Canton Community.

Berg built up a huge lead in Plymouth Township and Canton Township, his home, to carry the district, which also includes Belleville, Van Buren Township, the City of Plymouth, Sumpter Township, and the City of Wayne.

Results early this morning were not available from Sumpter and Wayne, but any Hink victories there were not expected to overcome Berg's lead in other areas.

Long active in Canton politics, Berg is expected to be one of only two Republicans elected to the charter commission.

In Plymouth Township, Berg received 5,628 votes to Hink's 2,276. And in the City of Plymouth, Berg won 2,362 to 1,526.

## Waiting

U.S. Congressman Carl Pursell defeated a substantial challenge from consumer activist Kathleen O'Reilly yesterday in Michigan's 2nd District, which includes all of Plymouth and Plymouth Township.

Democrat O'Reilly held an edge in Monroe and Washtenaw counties, but huge Pursell margins in Plymouth, Plymouth Township, and Livonia provided victory for the incumbent.

A Plymouth Township resident, Pursell earned his third term in Congress. He was first elected in 1976.

Incomplete totals, with about one-half the vote recorded early this morning, showed Pursell with 46,578 votes to O'Reilly's 37,154.

A check of key precincts by Pursell's campaign staff indicated similar results. These results gave Pursell about 58 per cent of the vote.

O'Reilly campaigned hard for consumer rights, aiming to appeal to the student vote at the University of Michigan and Eastern Michigan University.

The suburbs in Wayne County, though, stuck solidly with Pursell, giving him the victory.

## Canton brooms Dems

Cont. from pg. 1

Canton's switch to a GOP majority on the township board apparently followed a general trend country-wide. The change seems particularly dramatic in Canton, however, due to the traditionally Democratic political base of township voters.

Although there will be much celebration in Canton's Republican camp, many of those who watched Tuesday night's results say the most poignant scene of the evening was that of a dejected Tina Pratto leaving Township Hall, an indirect loser to the political switch of Canton voters.

# After high-speed chase, Pruner finds it hard to relax

BY CHAS CHILD

Sheriff's Deputy Andy Pruner will be content never to fire his service pistol again. And for that matter, he'd just as soon never chase an armed and dangerous man at speeds up to 100 miles per hour, either.

Pruner was still shook and on edge Saturday after courageously stopping a murder suspect who led police on a two-county, 20-minute chase last Monday.

After emptying his pistol at Larry Adams, 38, of Wayne, Pruner rammed the suspect's pick-up truck with his patrol car, forcing Adams off the road. This enabled police to surround, fatally wound, and capture him.

A Plymouth Township resident, Pruner was recommended for a departmental citation for his "professionalism, bravery, and maturity."

While he appreciates this recognition, Pruner said he values more a less-formal honor: a "Congratulations" card signed by about 20 of his fellow Wayne County officers.

During the chase, which ended on U.S.-23 and started in the City of Wayne, Adams fired his shotgun at pursuing police officers. "His gun looked like Big Bertha," said Pruner. "I was simply thinking, 'How could I stay alive?'"

"Somewhere in my head I retained the training I had in pursuit training," he said. "This, plus the safety equipment, seat belts and helmet, saved me."

The image of the shotgun, which Adams "lowered like a railroad crossing gate" back at chasing police, said Pruner, still haunts the 41-year-old officer. He has had trouble sleeping at night and relaxing during the day, he said.

"I'm very thankful to the close friends and neighbors who have helped me go through the adjustment," Pruner said. "They've

helped by just being there and listening.

The shots fired from his .38-caliber pistol were the first of his 10-year police career. "If I never shoot it again it will be too soon," he said. "I've had enough excitement for the next 11 years until I retire."

The brush with death, though, has given him a keener appreciation of even the most common experience. "I don't care if it's raining or sleeting, every day is beautiful," he said. "I enjoy feeling the cold wind. I even like stubbing my toes. That's the honest-to-God truth."

Considering that an innocent man was killed in a different high-speed police chase earlier last month, was the Adams chase necessary? Pruner said "yes."

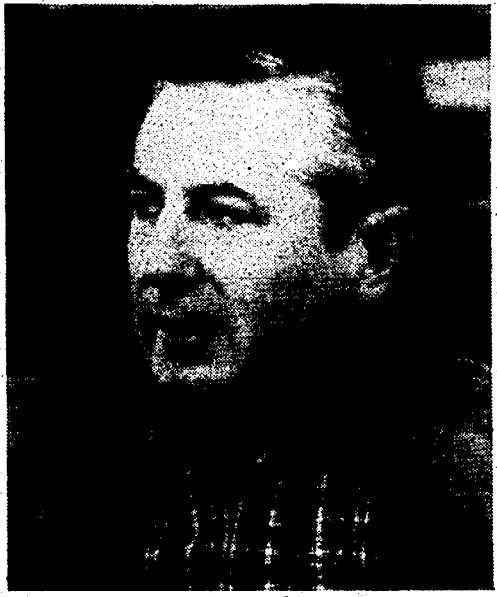

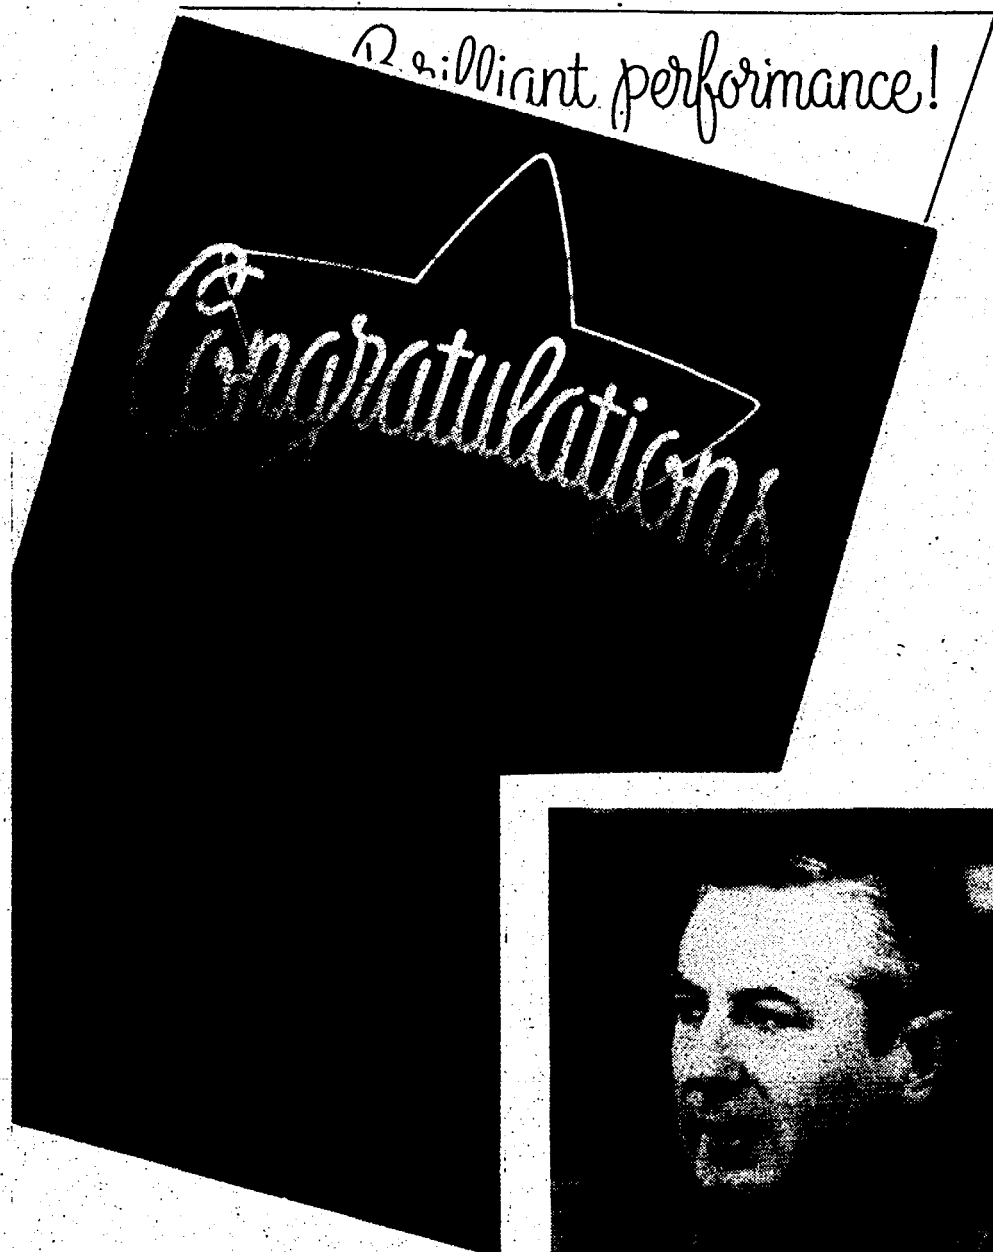

Adams was extremely dangerous and was firing his gun on the open road, he said. "We couldn't take the chance that he'd just run out of gas. And we used extreme caution not to draw gunfire on Ford Road (in Canton)."

High-speed chases are a "necessary evil," he said. "Police officers don't relish them. They're dangerous for us, too."

A state law governing when authorities can detain disturbed people like Adams has also been questioned. Unless they commit an act of violence, mentally ill persons can't be held against their will, according to the law.

"The law is designed to prevent people from arbitrarily putting other people away," said Pruner. "Often the patient had no recourse."

While there were abuses under the old regulations, Pruner believes the pendulum has swung too far the other way under the new law. "With minor changes in the law it could be a lot better," he said. "There should be some way to intervene."

PG. 6 **Twp. approves \$1.9 million budget, 17% higher**

THE COMMUNITY CRIER: November 5, 1980

BY PATRICIA BARTOLD

A \$1.9 million budget was Ok'd by the Plymouth Township Board of Trustees last Wednesday night. The 1981 budget represents a 17 per cent increase over the \$1,675,160 budget approved by trustees last year.

Trustees aim to balance the budget by keeping revenues equal with expenditures in 1981, a task they will have accomplished by the end of 1980 -- if their revenue estimates are accurate through the end of the year.

Anticipated revenues in 1981 include \$700,000 in state revenue sharing funds, representing nearly one-third of the township's total revenues.

Township officials, however, were awaiting the outcome of Proposal D -- the Tisch Tax Plan -- in yesterday's election before voicing certainty about receiving expected revenue from the state. "We'll just have to wait and see if Tisch passes," said Clerk Esther Hulsing, adding that the township expected to lose thousands of dollars in revenue if Tisch is approved.

Under revenue from property taxes, the township is expecting a decline. The 1980 actual receipts are estimated at \$945,099 while the 1981 anticipated receipts are \$800,000. Although the SEV (State Equalized Valuation) of homes has increased, the decline can be attributed to the rollback

imposed by the Headlee Amendment, said Treasurer Joseph West.

A major decline in the township's revenues for 1981 can be attributed to the decline in the housing industry.

Although the township projected it would receive \$79,000 in building permit fees in 1980, actual receipts for 1980 are estimated at \$17,317. These estimates are based on the first six months of 1980.

Similar declines are evident in revenues collected from electrical, heating, and plumbing permits.

"Hopefully, we'll see an upturn in residential building in March or April (of 1981)," commented Joseph Attard, chief building official. "Although we've seen an upsurge of commercial and industrial building recently, we're still hurting residentially."

"If the interest rates would come down and stay down, it would help," he added.

Another decrease in revenues is attributed to an anticipated decline in interest on investments. According to Hulsing, the township has spent money on expanding the Hilltop Golf Course from nine holes into an 18-hole course. "So, we simply won't have the money to invest at high interest rates," she said.

How does the township spend its money? Increases for township administrators, board members and some employees are included in the 1981 budget. They were ap-

proved by the board several months ago and included about an eight per cent pay hike for administrators.

Election expenses were also higher in 1980 than in 1981 due to the expense of general election yesterday.

For police services with the Wayne County Sheriff's Department, the board has allocated \$315,900 in 1981. This expense includes other related police activities, such as the township's two constable salaries, said Supervisor Tom Notebaert.

In September, 1979, township residents approved a one-mill levy for police services. One mill will generate \$293,000 in 1981. "This money will be enough to pay for the contract with the sheriffs," said Notebaert. It costs \$261,000 annually.

The township's fire department was allocated \$594,322 in 1981. Last year's budget was \$471,517, which exceeds the money collected from the one-mill levy approved by residents years ago.

Christmas is coming!

Plans for the Yule season have been announced by the Plymouth Community Chamber of Commerce and the First National Bank of Plymouth.

Santa will arrive downtown officially at 6:30 p.m. on Friday, Nov. 28 in a horsedrawn carriage. The welcome ceremonies will include lighting the giant Christmas tree in Kellogg Park and carolling led by the Centennial Educational Park students.

Once in town, Santa will hold office hours in his house in Kellogg Park on Fridays from 4 to 8 p.m., Saturdays from 10 a.m. to 5 p.m., and Sundays from noon to 4 p.m.

He will have his mailbox at his house again this year to accept letters to Santa.

The Old Village Christmas Walk will be held from noon to 5 p.m. on Sunday, Nov. 30 -- the day Plymouth holiday store hours begin, says the chamber. Through Christmas, the chamber requests, Plymouth shops should be open Sundays noon to 5 p.m., Saturdays 10 a.m. to 6 p.m. and daily from 10 a.m. to 9 p.m.

The Canton Chamber of Commerce is planning its Yuletide promotions and will release those details soon, say chamber officials.

# Canton OKs 1981 budget

BY DAN BODENE

Canton trustees adopted police, fire and general fund budgets, totalling \$6.7 million, last Tuesday night. The board expected to break even on each, according to Mike Gorman, Canton's finance director.

During public hearings on all three budgets, held simultaneously at the board of trustees meeting, Gorman explained the township's overall 1981 budget included a \$700,000 surplus.

Under the general fund, revenues of \$3,931,709 are expected from taxes, licenses, intergovernmental revenues, and charges for services and other revenues.

Although general fund revenues from taxes decreased due to a 0.61 mill rollback, intergovernmental revenues increased from \$666,000 on the estimated 1980 budget, to \$1,608,800 for the projected 1981 budget. Most of the increase resulted from an added \$1 million in expected sales tax revenues for 1981.

Expenditures from the general fund for 1981 increased most dramatically in the areas of township supervisor and public works. Supervisor Noel Culbert said an added \$56,220 for his office operation includes expenses for hiring an industrial coordinator, including salary and conference and seminar fees. More public works funds were budgeted due to projected engineering fees for a recently implemented grading complaint policy, according to Gorman.

In addition, \$250,000 has been earmarked

## Yule festivities

Cont. from pg. 6

In conjunction with the Plymouth-Canton Christmas activities, the First National Bank of Plymouth has announced it will again sponsor a promotional program for local shoppers and merchants.

An area-wide program to encourage residents to "Christmas Shop Plymouth" has been announced by Kenneth D. Currie, president of the bank.

Each participating merchant in Plymouth will display window posters and counter cards encouraging residents to "Christmas Shop Plymouth."

According to Currie, "The program is designed to create awareness of the wide selection of merchandise being offered by local merchants, and to encourage area residents to shop in their own hometown FIRST this Christmas season."

The program, which has proven to be very successful in previous years through the saving of gasoline for shoppers and the strong support of our hometown merchants, has again been endorsed by the Plymouth Community Chamber of Commerce.

Currie concluded, "It's not necessary that people shop ONLY in Plymouth, but because our dollars really work harder when they're spent at home, we encourage everyone to 'Christmas Shop Plymouth'."

## Thank you

for farmland preservation from the general fund, by resolution of the board.

Expenditures from the 35th District Court are also expected to rise approximately \$50,000. However, revenues from the court have steadily dropped through 1980. From an initial 1980 budget figure of \$384,000, estimated revenues from court fines are projected at \$338,000 through the end of the year, reported Gorman.

Expenditures for law enforcement and other protection were eliminated from the general fund for 1981, due to the phase-out of constable and civil defense fees. Library expenditures were also dropped because contractual services with Wayne County were eliminated. Canton recently opened its own library in township hall.

Total general fund expenditures for 1981 are expected to drop \$20,000, according to budget estimates, and will exactly match projected revenues.

Police Department revenues are expected to rise by approximately \$200,000, mainly due to a sharp increase in tax funding. The tax revenues, however, also offset a \$95,000 reduction in funds from contributions and other areas.

Expenditures in the police department rose mainly from salary increases. Earlier in October, board members approved promotions to corporal for five patrolmen. Fringe benefits for policemen, including insurance costs and pension contributions, were also increased.

Budgeted miscellaneous costs also rose, mainly due to repair and maintenance costs and a dramatic increase in gasoline expenditures. The 1981 budget will set aside \$75,000 or transportation costs, in contrast to \$44,000 budgeted last year.

Police Department expenditures also match expected revenues of \$1,448,000.

Canton's Fire Department posted a large increase in its revenues from an administrative shift of 2 mills of funding to the department budget from the general fund. Interest on investments from the funding shift also add \$25,000 to departmental revenues.

However, there will be no funding for 1981 from unused revenues of the previous year, as had been the case in 1980.

Salary expenditures will increase by \$13,000 in 1981 to provide funding for a clerical position in the department.

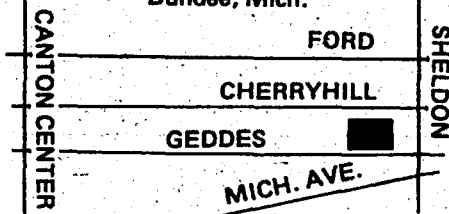

Another significant expense budgeted for 1981 is \$70,000 for capital outlay of land and building costs for a new fire station.

# Good work, Andy Pruner

Any time police chase at high speeds and exchange gunfire, citizens should question whether it is necessary.

For example, a high-speed pursuit resulted in the death of an innocent man driving home from work last month in Detroit.

But the more recent chase, in which Plymouth Township resident Andy Pruner, a Wayne County sheriff, performed bravely, seemed entirely justified.

The suspect, Larry Adams, was beyond a doubt a public menace. He was firing his shotgun on the highway, often across the median at police cars.

In such cases, special measures must be taken to protect the public, including prudently returning the fire to wound the driver or force him off the road.

Pruner, who joined the chase on Ford Road in Canton after it started in Wayne, ended it by ramming Adam's pickup from the rear at 80 miles per hour.

It was a fine bit of police work. Thank you, Andy, and all involved.

### Bartold ya'

by Patricia Bartold

#### A rare victory over the IRS

IRS -- 0. Bartold -- 1.

For those who read my column recently on my scuffle with the Internal Revenue Service, you'll be glad to know that I received their reply Friday and the terse comment: "Send this amount to IRS -- \$10."

This represents a clear-cut victory for me. Originally, the IRS said I owed them \$344.

Most of the money I allegedly owed them was due to a mix-up between my younger sister's Social Security number and mine.

In addition, there were three other errors -- two of them made by the IRS and the third made by me.

I've learned one lesson from the ordeal: Whenever you transfer money from one bank to another -- even if you believe that the money is being transferred to a branch of the original bank -- make sure you give the banks your forwarding address. That was my error and the reason I owe them \$10 now.

I had thought the interest was included in the statement I got from the first bank and included in my 1978 tax return. It was a minuscule amount though, and actually, the IRS has figured I only owe them \$9. The extra buck was charged for interest.

Although the documentation took days to compile, the result made the fight well worth it. I'm glad I did it. There's nothing like beating the federal bureaucracy.

It's just swell.

## Child's play

by Chas Child

Complaints about high taxes and our over-reaching government have been a dime-a-dozen in the recent political campaign dominated by Tisch and Ronald Reagan.

Much of this anti-government bias is justified. But have you noticed that the complainers back their beliefs with such things as "Those damn politicians," and "We'll show them who's boss." These are hardly sophisticated examinations of the problem of big government. It seems that symbols and vague feelings of government waste produce more citizen ire than solid examples of mismanagement. The alleged use of state money to help fight the Tisch amendment, for example, raised more hackles than other far more expensive government boondoggles.

Well, I'm not immune from such anti-bureaucratic feelings. And I'd like to add another example to the list, another small but important symbol of irritating governmental flim-flam.

The three elected administrators in Canton and Plymouth townships are eligible for pensions after working only 20 months. This means, for example, that when Canton Treasurer Jim Donahue leaves office this month, he'll be able to collect when he retires more than \$2,000 of pension money. Sixty-seven per cent of this will be contributed

from township funds, while the rest is totalled from his paychecks.

A pension fund this liberal defeats the purpose of pensions in general. They are supposed to help workers prepare for retirement and reward them for staying with the employer, to reduce turnover and increase efficiency.

This is a rip-off, plain and simple. A two-year elected official shouldn't be able to walk off with this kind of pension money.

After this election, the administrators in the townships will all have four-year terms. So presumably they will put in four years before they collect. But with the 20-month eligibility period, might they be encouraged not even to fill out their terms? They could quit half-way through and still collect a nice bundle of tax money.

It's these sort of things that tick off taxpayers, for good reason. Add up these injustices and you have fertile soil for the Tisch Amendment, no matter the necessary and valuable services government in general provides.

Politicians in Washington (Abscam, Watergate, etc.) and elsewhere can make only so many withdrawals from the citizens' bank of goodwill. When the fund is gone, we end up with things like Tisch, a cure far worse than the disease it hopes to remedy.

## You've got a good theater, Charlie Brown

Members of the Plymouth Theater Guild will present "You're a Good Man, Charlie Brown" on Nov. 7, 8, 14 and 15 at Central Middle School.

Inspired by the Charles M. Schulz comic strip "Peanuts," the musical was written by Clark Gesner, and represents an average day in the life of Charlie Brown.

Mark Brzezinski plays Charlie Brown. His other stage credits include "A Christmas Carol," "Godspell" and "The Good Doctor." Brzezinski also spent this summer working in repertory theater with the Rosier Players Tent Show.

Lucy is portrayed by Nancy Sievert of Northville. Along with her experience off-stage with sound, make-up and crew, Sievert's stage credits include parts in "Junkyard" and "My Fair Lady." A beauty consultant, she was graduated from Central Michigan University with a bachelor's degree in education.

Jim Crawford plays Snoopy. He has been a member of Community Theater since 1972, when he appeared in "The Fantasticks" for the Taylor Community Theater. He has also appeared in "Cabaret," "The Odd Couple" and the PTG production of "Godspell."

The role of Linus will be portrayed by Rod Morey of Canton, who has appeared in three plays for the PTG. Currently studying cosmetology, he has also worked in a puppet show and has helped the guild backstage with crew and make-up.

Schroeder will be played by David Idle of Canton. He has worked for the PTG in almost every aspect of theater from set con-

struction to direction. He has also served on the PTG Board for two years, and has designed many posters and program covers.

Karen Groves of Northville will portray Patty. She made her debut with the PTG in "Love Rides the Rails" and last performed in "Godspell." She is also a member of the Canton Singers and a former member of the Schoolcraft Community Choir.

The show is under the direction of Patricia Bray of Northville, who is the current PTG president. Experienced in all aspects of theater, she has a long association with the guild. Producer of the show is Joe Marsh of Northville, now vice-president of the guild and a member of the board for two years. Although he has worked extensively on lighting and scenery in past productions, this is his first stint as producer.

Assistant director and stage manager of the production is Kirsten Modney, currently a student at Madonna College. She has acted in several plays, including "Look Homeward, Angel" for which she won an award. She has also performed in plays for the hearing-impaired.

Thirteen musical numbers are accompanied by pianist Margaret Racer. Leona Glossinger is choreographer of the show and scenery was designed by Dolan Sievert. Lighting is handled by Martin Keasal; sound is under the direction of Richard Brown; props are handled by Ed Neumaier and costumes and make-up are done by Jan Sigmon.

Curtain goes up for the show at 8 p.m. Tickets cost \$4 for adults and \$3 for senior citizens and students under 18, and are available at the door or by calling 261-2875.

Many things have been said about mother and daughter relationships -- most of them true. Whenever the kid and I go someplace together, people always look at us and say something stupid like, "You'd never be able to disown her, she looks just like you." Then we look at each other and growl. She has no desire to look like me, and if she opens her mouth one more time, she may be disowned (or at least grounded for a day).

It's no great wonder that people think we look alike, after all we both have red hair and fight over the same make up and curling iron. Now that she's growing up and appearance is ultra important, we spend more time "debating" the issues of my make up and my jewelry.

Everyone from time to time knows that feeling of panic when you wake up realizing that you've overslept. As I dashed into the shower, I was thankful the kid had spent the night with a friend and I didn't have to dodge around her.

As I stood there with my hair dripping wet, I couldn't believe the kid had taken our one and only hair blower with her. By the time I discovered my mascara was missing, I went screaming through the house, from her room to the bathroom and back to my room. How could she do such a thing? When I realized she had also taken my comb, I was ready for instant child abuse.

When the morning starts off so well you know it's going to be an uphill battle all day. As I grabbed my keys and was running out the door, a button popped off my vest. I was amazed to discover the kid's latest sewing project -- how to scramble everything in the sewing box. A month ago we had a whole box of safety pins, now we have none. I know I just bought a package of needles, and there should be some green thread in there someplace.

It's a great feeling knowing you're a modern woman dressed for success as you dash into work five minutes late, wet hair drooping in your unmade-up eyes and holding your vest together while clutching the button and thread in one hand and your husband's comb in the other.

# LOAN APPROVED

If the thought of buying a house in today's market makes you feel uncomfortable, why not make more of your present home with a F.H.A. Title I Home Improvement Loan at COMMUNITY Federal Credit Union.

You don't have to wish for a larger house when you can enlarge or improve your present one. Build an exercise room with a sauna in the basement. Open up the attic with a skylight.

Maybe you need a fireplace to make your living room more liveable. Or a heat pump to improve efficiency.

For quick service bring your contractor's estimate with you when you apply for the loan. Maximum F.H.A. Title I loan is \$7,500.

# Canton OKs rec center

After approving a zoning text amendment on theater seating capacities, Canton trustees gave site plan approval last Tuesday for a multi-use recreational center to be located at Ford and Haggerty roads.

Plans for the center had been repeatedly stalled due to the township's former seating capacity ordinance, which did not include multi-screen theaters.

After examination by the township Planning Commission, the new regulation was recommended, seating capacities of 750 seats for single-screen theaters, an average

of 400 seats for two-screen theaters, an average of 350 seats for three-screen theaters and an average of 325 seats for theaters of four screens or more. The new regulation also specifies a minimum capacity of 250 seats per screen in a multi-screen theater.

After approving the new regulation, trustees granted site plan approval for the recreational center. Ned Apigian, architect of the project, said construction "will hopefully begin in 1981." The center incorporates a bowling alley, racquetball courts and day care center in addition to a multi-screen theater.

## Make your holiday presents

Do you want to give your friends and relatives a special Christmas gift?

The Plymouth Arts Council is sponsoring an adult Christmas workshop series. Workshops are held from 9 a.m. to noon, Wednesdays at the Arts Council Office on 332 S. Main.

The series includes the following crafts: assisi mini-bell pull in silks, Nov. 12, taught by Beverly Booker; crewel embroidered Christmas ornament, Nov. 19, taught by Teri John; reindeer sock, Nov. 26, taught by John; Christmas stencil on fabric, Dec. 3, taught by Marilyn Koth, and a raffia doll, Dec. 10, taught by John.

Cost is \$5 per workshop or \$21 for the entire series. For more information, call 455-5260.

## Will Canton OK new park?

BY MARY DEGRANDE

Even though plans for construction of a park are yet incomplete, several Canton residents objected to the idea at last Tuesday night's Board of Trustees meeting. A 40-acre parcel bordering Ann Arbor and Napier roads has been proposed for the park's location.

The park would be used for winter recreation such as tobogganing, sledding, and snowmobiling, according to Mike Gouin, director of Canton's Parks and Recreation Department.

Residents of the nearby Pilgrim Hills subdivision, however, complained the park would attract youngsters and create disturbances in their neighborhoods.

Recently, the Department of Natural Resources approved a federal grant to provide Canton with about half the funds needed for the park. Canton's Recreation Advisory Committee recommended the site for the park.

"It's the only place where we could put toboggan and sled runs in the community."

Nadia Marks, a member of Canton Northwest Homeowners' Association disagrees with the park's location. "This area doesn't need a park."

She said her neighbors are concerned about potential snowmobile noise and other problems that a park could bring to the area. Other residents stated their objections, citing the need to further develop existing parks.

Terry Carroll, Canton's grants coordinator, explained plans for establishment of a park are still incomplete.

## Come to Plymouth

The warmth that once was Christmas, is still alive in Plymouth.

Cheery, friendly folks abound in the shopping throngs in this quaint town each yuletide season. Strolling carolers and many Christmas activities are just part of what attracts shoppers to the days of yesteryear in Plymouth.

Christmas starts this month here at a Yule tree lighting ceremony and cordial hour in the village square Friday night, Nov. 28, when Santa Claus arrives. An old-fashioned "Christmas Walk" follows on Sunday, Nov. 30 in the Old Village section of town.

This month is a special time for Plymouthites as they prepare to celebrate the holidays. You're welcome to stop by and sample the charm of passerby wishing you a "Merry Christmas" as you wend from shop to shop.

## Young readers welcome

"Books Alive!" is the theme of the 1980 National Children's Book Week. In celebration, the Canton Public Library will be having a variety of children's programs that will guarantee to keep things alive and jumping at the library.

On Tuesday, Nov. 18, there will be a "Puppet Show Playhouse" for ages five and up beginning at 7 p.m. The puppet show will be performed by Janet and Linda Herman, better known as the "Puppet Twins."

On Wednesday, Nov. 19 at 4 p.m. there will be "A Pocketfull of Stories" featuring stories, songs, and poetry from well-known children's books. This storyhour is recommended for ages six to nine.

Thursday, Nov. 20 will be preschool night at the library. Children, ages three to five, are invited to attend the "Bedtime Storyhour" in their pajamas at 7 p.m.

On Saturday, Nov. 22 at 2:30 p.m. there will be "Book Magic," a magic show featuring magician Steve Weikal for ages five and up.

Registration for all the Book Week programs begins on Monday, Nov. 10 at 10 a.m. either in person or by phone. It is suggested, however, that registration be done in person. For any further information concerning the library programs, contact Children's Services Librarian, Clara Bohrer, at 397-0999.

## Beauty session coming

On Thursday Nov. 13 at 7 p.m., the Young Adult Services Division of the Canton Public Library will be hosting "A Beautiful New You." This evening session of makeup and nail care tips will feature Linda McCarty, beauty consultant for Jafra and Kit Flora a manicurist at Natural You.

Girls 12 and up may attend (mothers are also welcome). Registration is required and will begin on Thursday, Nov. 6 at 10 a.m. For more information you may contact Rebecca Havenstein at the Canton Public Library, 397-0999.

# Canton Public Library was years in planning

After years of planning, the Canton Public Library has finally opened its doors. Located on the entire third floor of Township Hall, 1150 Canton Center Rd., the library has a full range of books, magazines, and programs.

All Canton residents may use the library. In fact, other libraries charge Canton's government when Cantonites use other libraries. So use of the Canton library actually saves money.

The library keeps the following hours: Monday through Thursday, 10 a.m. to 9 p.m.; Friday and Saturday, 9 a.m. to 5 p.m.; Sunday, closed.

Official dedication of the library will be held Sunday, Nov. 9, from 1 p.m. to 5 p.m. The public is welcome to tour the facilities, meet the staff and members of the Canton Library Board. At 2 p.m. the library will be dedicated by the chairman of the library board.

Besides the book collection, which the library staff plans to double by 1982, the library has magazines, business services, microfilm, newspapers, puppets, pamphlets, and paperbacks, and bestsellers. In 1981, education toys, film-strips cassettes, and records will be added.

If the Canton library doesn't have the book you want, it will be ordered from another library in the Wayne-Oakland Library Federation. Canton library users have access to 60 other libraries in the federation, as well as the books in the state library, several university libraries, and the Detroit Public Library.

A number of children's programs are also regularly scheduled at the library. These include a preschool storyhour, school-age story hours, movies, and more. Contact the library staff for complete information.

The library is funded by a one-mill tax levy, approved by Canton voters last year. It is also supported by gifts, state aid to libraries, fines, and interest income.

A six-member library board directs overall policy of the library. The original board was appointed by the Canton Board of Trustees, but a new board was elected by voters in yesterday's election. The independent board has following members: Mary S. Feltz, Douglas J. Ritter, John O. Schwartz III, Katherine A. Baldrice, James Gillig, and Norma Jean West.

In addition, the Friends of the Canton Public Library, aids the library's operation. The Friends' activities will include fund-raising events, increasing public awareness of the library and volunteer assistance.

For further information on the Friends, contact Lynn, at 981-0008.

The library's phone number is 397-0999.

THE CANTON LIBRARY BOARD directs the operation of the library. Elected yesterday to the board were from left, James Gillig, Katherine Baldrice, Douglas Ritter, Mary S. Feltz and John Schwartz. Not pictured is Norma Jean West. (Crier photo by Rick Smith)

## Rocks lose season finale to undefeated Harrison

BY KEN VOYLES

After taking a 7-0 lead early in the game, Salem's football squad let Farmington Harrison score 38 straight points giving Salem its fifth loss of the season Saturday.

The season finale dropped the Rocks overall record to 4-5, the school's worse effort since 1975 when the Rocks were also 4-5.

"I think I can't complain about our effort against Harrison," said Salem Coach Tom Moshimer. "They (Harrison) came after us and we repeatedly had trouble stopping them on the critical third down situations."

The Rocks opened the game with a 65-yard scoring drive that was capped when halfback Brian Lewandowski went into the endzone from three yards. Lewandowski kicked the extra point and Salem took its only lead in the afternoon tussle.

Early in the second quarter, Harrison tied the game, then late in the first half a long pass set up another Harrison touchdown. That put them in front for good.

Harrison added yet another touchdown early in the third quarter and Salem was in trouble.

"After they got us 21-7 we just fell apart," said Moshimer. "We started a drive of our own before that touchdown, but when we passed to our receiver on a third down play he was knocked down in what looked like pass interference from our side. The referee didn't see it that way and we were stopped."

Harrison added two more touchdowns before the Rocks got on the scoreboard

again. Salem finally added another touchdown late in the game after an extended drive when halfback Dave Slavin plunged into the endzone from three yards.

Quarterback Jeff Hubert converted the two-point conversion with a keeper around left end and Salem had its 15 points.

"After we were stopped from almost tying the game, the game was pretty much all Harrison," Moshimer said.

The Rocks gained 196 yards total offense with 132 of that on the ground. Quarterback Joe Garcia rushed eight times for 37 yards, while Hubert had 22 yards in nine rushes and Ron Brewer had 22 yards in two rushes.

Harrison totalled 305 yards with 151 on the ground and 154 through the air.

"It was just one of those years when it's hard to get the job done. We need to find some things up front since we graduated the whole group," said Moshimer.

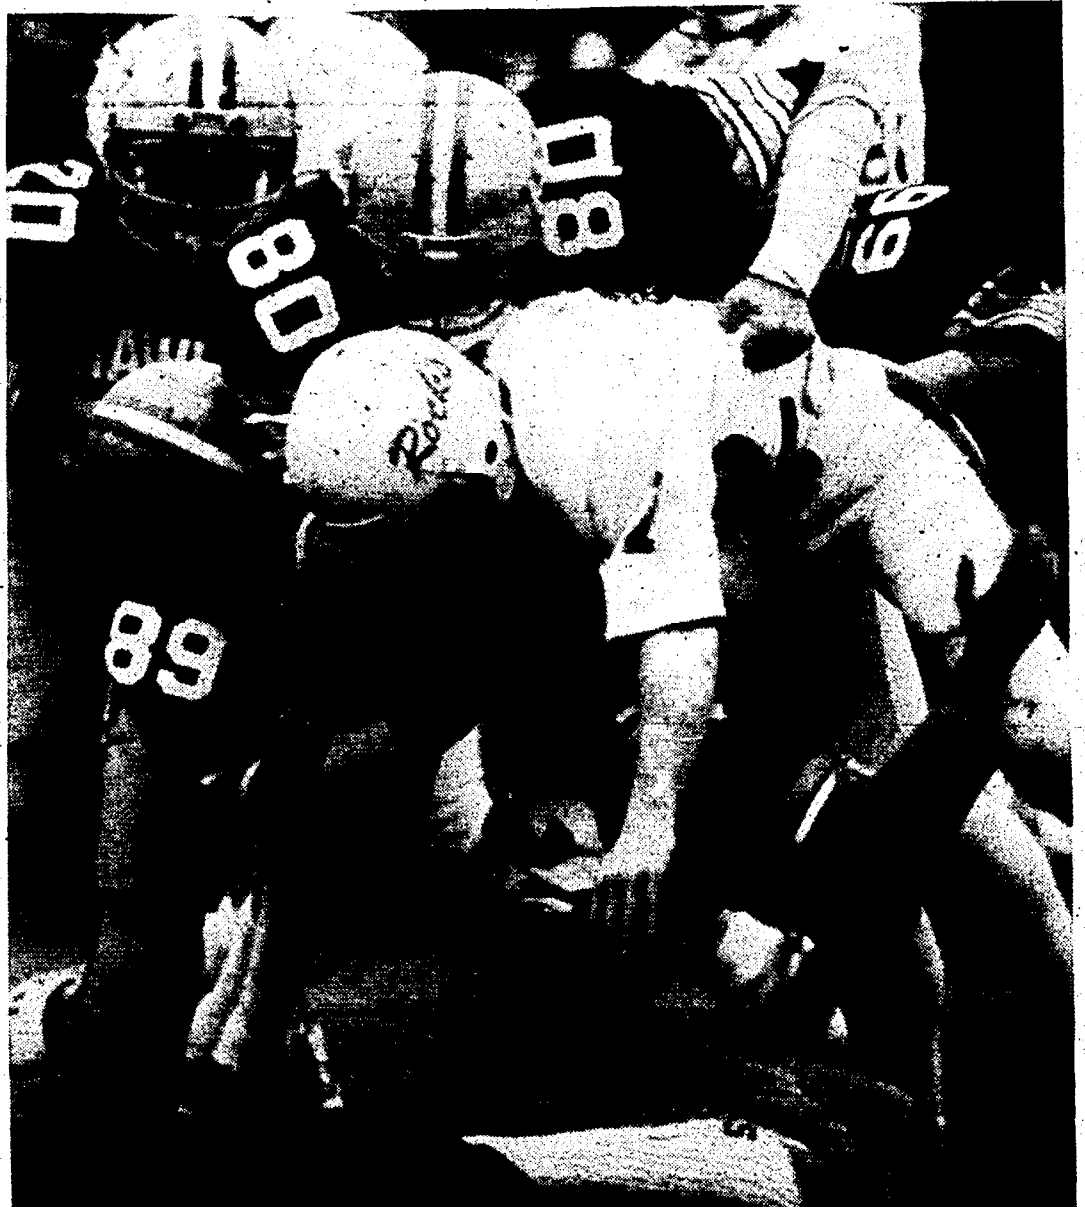

### Canton harriers 23rd

Canton's cross country squad completed the 1980 season with a 23rd place at the state finals for Class A harriers.

The competition, held at Flint's IMA Golf Course (5000 meters) involving 24 teams.

Steve West was Canton's top finish with 65th and a time of 16:33.

Mike Talagawas next for the Chiefs in 78th position, 16:43. Scott Hand was 98th, 16:51, Dan Inloes was 125th and Jack Pacente was 130th.

## Amazing! Chiefs loss overtime fight

BY JAY KEENAN

A last effort, one-inch goal line plunge by Canton quarterback Bill Childs in quadruple overtime was thwarted by the Belleville defense as the Canton football team suffered a heartbreaking 42-35 loss Friday night.

This final gridiron battle of the 1980 season gave the Chiefs a 1-8 record. In the Western Six League Canton ended up in the cellar with an 0-5 mark.

Even though the Chiefs let a 14-0 fourth quarter lead slip away, Canton Coach Richard Barr mentioned that his team put forth an outstanding effort throughout the entire game.

"The players didn't give up; I'm proud of them," said Barr. "We lost but you can't feel it's a loss. Everybody played one heck of a game and we gave it everything we had. Both teams did."

The two teams fought to a scoreless first half as neither side was able to capitalize on a threat.

Canton came close to scoring towards the end of the first half when senior tri-captains Chris Koch picked-off a Sampson pass at the Chief 32 and fought his way up to the Belleville 35-yard line. The drive, however, ended when junior kicker Dennis O'Flynn missed a 27-yard field goal try with 22 seconds remaining in the half.

Canton finally erased the scoreless deadlock on a 64-yard scoring drive following the opening second half kickoff.

On the first play from scrimmage, junior quarterback Chris Susock ran the ball to the Tiger 44, and junior halfback Dave Simms followed with a 31-yard run to the Belleville 13-yard mark to add spark to the drive.

Three plays later, Susock barreled into the endzone from one-yard out for the touchdown. O'Flynn extra point attempt was good and

10:08 remaining in the third quarter.

Towards the final minutes of the third period, senior defensive tackle Dan Jurek recovered a Tiger fumble at the Canton 36, setting the stage for the Chiefs next scoring opportunity.

After the first four plays of the drive, with Canton at the Belleville 49, Susock darted a quick pass to senior tight end Craig Kearns who scampered to the Tiger 23-yard line.

Several plays later as the fourth quarter got underway, Susock lunged over the goal line from four inches out for the touchdown on a fourth-down situation. The extra point try by O'Flynn sailed through the uprights, and the Chiefs led 14-0 with 9:57 left in the game.

After Belleville returned the ensuing kickoff to their own 57, Sampson began to find open receivers and the Tigers passed their way downfield for a touchdown. Canton's lead was cut to 14-7 with 7:10 remaining in the game.

Several minutes later, with 2:42 showing on the clock, the Tigers executed another score on a 65-yard drive, as Sampson connected on two out-of-four consecutive pass plays, moving the ball to the Chief 43-yard mark.

On a first-and-10 situation, Sampson then tossed a screen to Sam Villa, who unloaded a pass to Rod Meister in the endzone for the touchdown. The extra point was successful, and the score was tied at 14 all with 1:47 remaining in the game en route to an overtime.

In overtime, Canton won the toss and elected to take the first shot at scoring on the four-down opportunity from the opposing team's 10-yard mark.

# Sample sprints to 55th

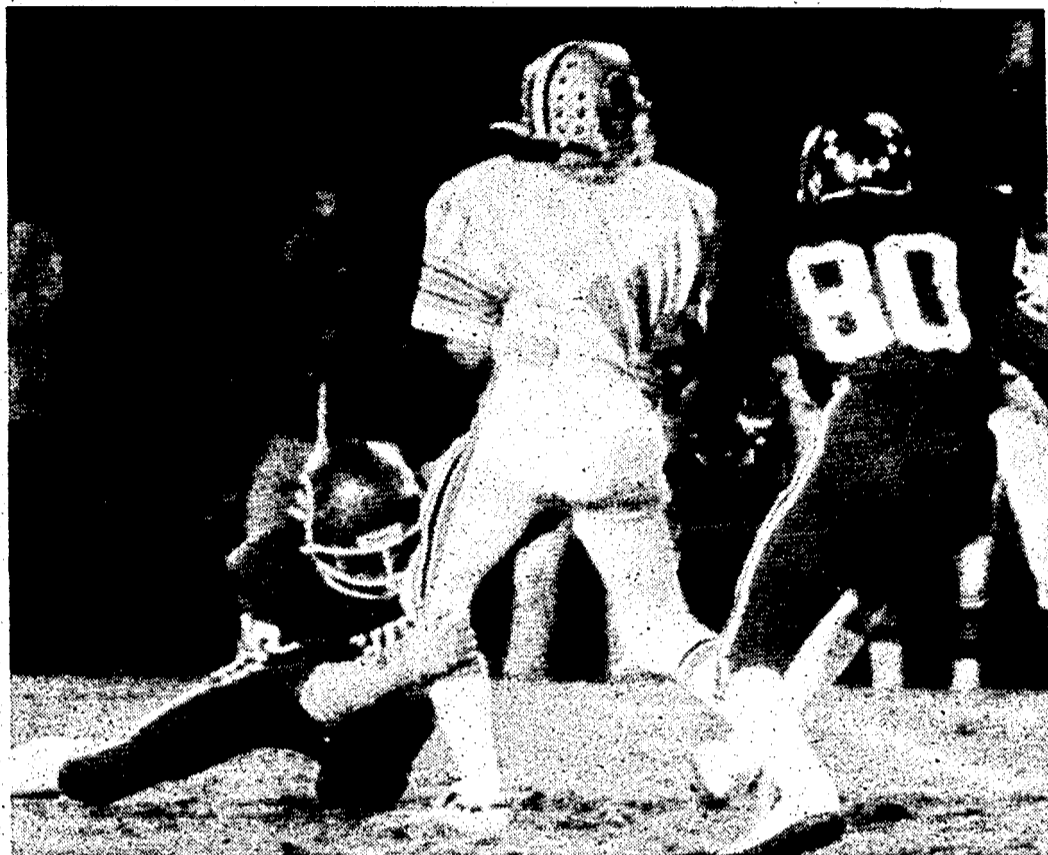

Ruth Sample, Salem's lone cross country representative at the state Class A finals, finished the girls' course with a time of 20:38, good for 55th-place, last weekend.

Some 85 girls competed at the Flint IMA Golf Course in nasty weather. Salem Coach Scott Dunson called it a nice course in fine shape even with the weather.

Sample had run her best time of the season at the Schoolcraft Invitational, clocking 19:18.

"After that Ruth was rather sick for almost a month and she really wasn't able to get back into top form as she had been at Schoolcraft," said Dunson.

Sample is a junior and will return for the Rocks next fall.

CANTON GRIDDERS Chris Koch (left) and Ken Jayroe (80) teamed up to throw the Belleville for a loss during the two team's non-league clash. Canton led early, but lost in quadruple overtime. (Crier photo by Robert Cameron)

## Chiefs let early lead slip

Cont. from pg. 24

when Simms took a fourth-down pitch into the endzone for a touchdown from four yards out. Canton pulled ahead 21-14.

Belleville then struck back on their series to tie the game 21-21.

The Tigers heralded the first chance in double overtime, and scored on a four-yard run by Steve Donaldson along with the extra point to take a 28-21 lead. The Chiefs retied the score, 28-28 on their next turn when sophomore halfback Chuck Davis rolled over the goal line from the one-yard mark.

Canton kept themselves alive in triple overtime when Childs scored on a one-yard fourth down run, and O'Flynn's extra point lifted the Chiefs to a 35-28 lead. The Tigers however, wouldn't give in as Steve Cook made a touchdown from the three-yard line.

In the fourth attempt, Belleville's Cook dashed into the endzone on the first play from scrimmage for the touchdown, followed by the extra point. Canton received an offensive break on their four-play series when a

Tiger pass interference penalty gave the Chiefs an automatic first down at the four-yard line. Canton, however, couldn't penetrate, as the Belleville defense kept Childs from going into the endzone on a fourth-down sneak from the one-inch line to end the game.

Koch was the defensive standout for the Chiefs with a total of 43 tackle points as he had five unassisted tackles, 14 first hits, and nine assists. Senior Rob Reed also had a strong evening collecting 24 tackle points, with two unassisted, seven first hits, and six assists.

On offense, Simms paced Canton's running game with 12 carries for 75 yards. Susock also did well taking 11 carries for 52 yards.

In pass receiving, junior split-end Jamie Chilcoff had three receptions for 37 yards and Gearns had two for 37 yards.

"Next season we're just going to refine what we've been doing," said Barr. "We will win more than we lose next year."

## Salem cagers win 2 games

The Salem girls' basketball squad picked up two more victories last week with a Suburban Eight League win and a non-league victory.

The Rocks upped their overall record to 14-1 with the win. Salem is 8-1 in the Suburban Eight and still has one more conference tussle before another showdown with league-leading Livonia Bentley.

Against Belleville Thursday, the Rocks scored 13 points in the first quarter and went on to win 49-30.

Salem tallied 13 in the first period then added 12 in the second quarter as Belleville scored four points and 12, respectively.

The Rocks then added 10 points and 14 points in the third and fourth quarters, while the Tigers had six and eight points.

Cheryl Sobkow scored 17 points to pace Salem, while Jan Mackenzie and Eileen Moore had 10 points each.

"We really had a good game, Belleville gave us a tougher game when we met them earlier in the year," said Salem Coach Bob Blohm. "We were consistent and balanced and got a lot of people involved in the game."

"I thought our guards played very well defensively," continued the coach.

Earlier in the week, Salem dumped Garden City East 50-38 behind a big third quarter effort.

The Rocks scored nine points in the first quarter and 12 in the second, while East had eight and six in the first half.

Salem put together 20 points in the third quarter and four more in the fourth while the Panthers scored 12 points in each of the third and fourth quarters.

"We had a big third quarter offensively but we gave up too many points in the second half," said Blohm. "We were consistent but because we gave up points we really didn't put the game away until the last four or five minutes of the game," Blohm said.

Mackenzie had 12 points, Sobkow had 11, Moore had 10 and Jacque Merrifield had nine for the Rocks main offensive guns.

Salem will face Dearborn Edsel Ford tomorrow in a league clash at home. Varsity game time is 7:30 p.m.

"Edsel Ford is potentially explosive and if we're not ready to play we better watch it," said Blohm.

## Wolverines win 1980 soccer cup

Plymouth 3, or the Wolverines, won the 1980 Plymouth Soccer Cup last Sunday with a 3-1 victory over the Firebirds (Plymouth 7) in the finals at Central Middle School.

The Wolverines reached the finals with a 4-1 victory over the Dragons (Plymouth 1) in the semi-finals. The Firebirds reached the finals with a triumph over the Strikers (Plymouth 6), winning 2-1.

The tournament was held among teams from the Western Suburban Soccer League's under 12 boys divisions.

First round games included the Cougars (Plymouth 11) winning 2-1 over the Spartans (Plymouth 5); the Wolverines winning 5-1 over the Force (Plymouth 10), and the Dragons winning 4-1 over the Express (Plymouth 9).

Second-round tussles included the Wolverines winning 5-0 over the Cougars, the Dragons winning 7-0 over the Raiders (Plymouth 2), the Firebirds winning 5-0 over the Blue Cougars (Plymouth 8), and the Strikers winning 2-1 over the Tornado (Plymouth 4).

## Lions, Steelers finish season

The Plymouth-Canton Lions of the Western Suburban Junior Football League finished their season last Sunday with a game against the Ypsilanti Braves.

Only the freshmen Lions came out victorious with a 25-18 win. The junior varsity Lions lost 13-0 and the varsity Lions fell 13-7.

The freshmen complete their season with a 7-1 record, while the junior varsity are 1-6-1 and the varsity at 3-2-3.

The Plymouth-Canton Steelers of the Western Suburban Junior Football League finished their season last weekend with an effort against the Westland Comets.

The freshmen Steelers won 33-31 and the junior varsity Steelers won 19-7, but the varsity suffered a 27-0 defeat.

The freshmen finish the season with a 7-1 record, while the junior varsity finish at 2-6 and the varsity at 0-8.

## Late rally wins for Chief cagers

BY JAY KEENAN

In danger of losing its first Western Six game after 39 consecutive league victories, the Canton girls' basketball team put on a late fourth quarter rally to storm past Walled Lake Western, 62-52.

The Chiefs now have a 7-0 league record and a 14-2 overall showing.

Canton stepped out in front with a 16-10 lead after the first quarter, but fell behind by one point at halftime, 27-26.

The Warriors upped their margin to 46-38 at the end of the third quarter and carried the lead midway into the final stanza. Then the Chiefs' offense began to overpower Walled Lake.

With 4:53 remaining in the game and the score tied at 50-50, Canton guard Colleen Crissey sank two free throws to put the Chiefs out in front 52-50. Crissey added another basket to give Canton a four-point lead, and from then on, the Chiefs stayed on top to coast to their 40th Western Six victory.

"I didn't like the first three quarters that much," said Canton Coach Mike McCauley. "I was getting worried about it. Our rebounding was weak until the fourth quarter.

"In the third quarter, when we were down

by 10 points, I promised the girls that if we pull out a victory, they would have no practice on Friday.

"It got them fired up and they went out and played great basketball, and shot 80 per cent. They can't stand practicing."

Pearl Cunningham, who set a school record in individual scoring last week with 26 points against Northville, had another fine night by pacing the Chiefs with 12 points. Crissey and Jean Timlin followed with 10 points each.

From the foul line, Canton was 12 of 18, and posted its best showing in freethrows in the fourth quarter when they connected on eight of 10 shots.

Earlier in the week, the Chiefs defeated Allen Park by trouncing them, 72-34.

The Chiefs led 19-6 after the first quarter and 39-15 at the intermission. Canton then outscored the Jaguars 33-19 in the second half to roll to the victory.

Reggie Ruggiero led the attack with 18 points followed by Cunningham with 13 points. Crissey and Joni Sommerville were next, both scoring 10 points.

The Chiefs will travel to Livonia Churchill tomorrow night for another league match. Game time will be 7:30 p.m. for varsity.

## Canton's football freshman finish season with 4-3 mark

"We were pretty happy with our effort this year," said Canton freshmen football Coach Bob Richardson about his team's final 4-3 record this fall.

Richardson and Coach John Gravlin guided the squad to a winning season and a future useful source of material for Canton's continuing effort to field a winning varsity squad.

"I would say we have an excellent group of prospects for Canton," said Richardson.

The Chiefs opened their season with Salem and lost 20-12. The squad then defeated Redford Union 20-8 and Westland Stevenson 7-0, on a last second score.

Against the two Belleville squads, Canton split. They fell to North 26-0 but rallied to swamp South 19-0.

Salem again knocked off the Chiefs 20-0, but the Chiefs finished the year with a 24-12 victory over Redford Pierce.

Tri-captains for the team were Brian Gallahan, a fullback, Jody Spitz, a quarterback and defensive back, and Eric Wines,

a tackle.

Spitz and Mark Anderson shared the quarterback spot with Spitz still doing most of the work at No. 1 quarterback.

Other strong backs for the Chiefs were Rodney Williams, Mike Anderson, Kevin Anderson, Jim Burczyk and Jeff Olson.

According to Richardson, Mike Anderson and Burczyk were the squad's running threats.

Ends included Jim Caskey, Steve Blandford and Scott Morace. Lineman included Kevin Barstow, Doug Chilcoff, at center, Larry Janiga, Randy Lower and Tim Toll at guards and Alex Young, Paul Flecher and Wines at tackles.

As for defense: "We prided ourselves on our defense, as our toughest people were defense. We were better defensively than an offense."

Among those on defense were Ken Jacobs, Jim Hudgins, Caskey, Spitz, Gallahan, Burczyk, Olson, Blandford, and Glenn Forgio.

# Rock tankers dump league foe Trenton

Salem girls' swimmers gained a Suburban Eight League victory over Trenton last week and fell to Livonia Stevenson in non-league action.

The Rocks dumped Trenton 117-51 and scored nine firsts in the process.

Terri Eudy led the way with a first place in the 50-yard freestyle with a time of 25.8 seconds. Her effort was a team record for Salem and was good enough to qualify for state competition. Eudy also won the 100-yard butterfly event with a time of 1:09.4.

Kelly Brandt also scored two firsts for the Rocks with a win in the 200-yard freestyle, 2:16.1, and a win in the 500-yard freestyle, 6:04.6.

Nancy Lazarus was first in the 100-yard freestyle with a time of 1:03.2, while Linda Wochna won the 100-yard backstroke, 1:09, and Corinne Cabadas were second in the medley relay with an effort of 2:07.5.

In that backstroke race, Salem went one, two, three with Debbie Darlington second, 1:12.5, and BJ Bing third, 1:16.3.

Ellen Wall was second in the 500-yard freestyle, 6:30.2, and third in the 200-yard freestyle, 2:21.1.

Sally Weimer was second in the individual medley for Salem with a time of 2:37.3, while Bing was third, 2:37.4. Corinne Cabadas was second in the 50-yard freestyle, 27.4 seconds, and Patti Larson was second in the diving competition with 203.5 points.

Julie Cabadas was second in the 100-yard freestyle with a time of 1:04.1 and Kim Nelson was third in the breast stroke, 1:20.5.

Salem also won both relay events. In the medley relay, the foursome of Wochna, Corinne Cabadas, Bing and Eudy clocked 2:04.3 to win, while Darlington, Karen Kohler, Kathy Prochazaka and Lazarus were second, 2:10.3.

In the freestyle relay, Lazarus, Julie Cabadas, Weimer and Wochna teamed for

first with an effort of 4:15.7. Julie Kenny, Kim Leesch, Lisa Trahey and Betty Bröyshil teamed for third place with a time of 4:31.9.

Earlier in the week, the Rocks fell to power-

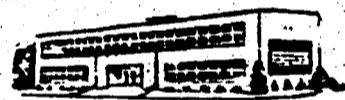

house Stevenson, 112½ to 58½.

"We really didn't swim that badly. Stevenson is very good and we had a good effort," said Salem Coach Chuck Olson.

THIS IS SALEM'S Corinne Cabadas during her school record breaking race in the 100-yard breast stroke. Cabadas clocked 1:15.5 to break Terri Eudy's school mark in the event. (Crier photo by Jay Keenan)

MARY REARDON trucks through the water during a freestyle race for the Chiefs against Western Six League opponent Farmington Harrison. (Crier photo by Jay Keenan)

## Chief swim team wins, now 5-4

The Canton girls' swim team knocked off Farmington Harrison, 94-77, Thursday night to raise its Western Six League record to 3-2 and 5-4 overall.

"I thought it was a strong victory for us," said Canton Coach Mark Griffith. "Four or five of the girls had their best times."

"We've been progressing at an above normal rate and have been doing tremendous."

Top performances for the Chiefs were first-place finishes by Bronwyn Fitzgerald in the 100-yard breast stroke, 121.8; Missey McMurray in the 200-yard individual medley, Mary Reardon in the 500-yard freestyle, 6:11.1; Kim Massey in the 100-yard freestyle, 1:03.5; and Chris Wennerberg in diving with 199.6 points.

The medley relay team of Fitzgerald, Kris Burns, Kathy Stern, and Janet Powell also notched first place with an effort of 2:13.0.

Dickinson had a fine effort in the 50-yard freestyle for second place, 2:08.3, and McMurray had a second in the 100-yard butterfly, 1:08.7.

The 400-yard relay squad consisting of Dickinson, Powell, Stern, and Reardon, also had a strong showing with a second place, 4:18.1.

Canton also received third places in the same event from Lisa Potter, Jenny Anderson, McMurray, and Massey, 4:35.6.

The Chiefs received help with other third-place timings from Ellie Wagner in diving, 180.6 points; Burns in the 100-yard back stroke, 1:16.2; Powell in the 100-yard freestyle, 1:04.7; Stern in the 100-yard butterfly, 1:12.8; and Karen Mullen in the 100-yard breast stroke 1:26.7.

Canton's next meet will be against Livonia Churchill in its final duel-match of the regular season. Meet time will be 7 p.m. at the Churchill pool.

## Rock freshmen finish 7-0

It was a perfect season for the Salem High freshmen football squad as the team, coached by Ken Kaneko and Tom Garrett, compiled a 7-0 record.

The freshmen's effort will no doubt put cheer into the heart of Salem varsity Coach Tom Moshimer. His future plans could probably include some players from the team.

One of those could be freshmen quarterback Marc Tindell, who scored 14 touchdowns for the team during 1980.

"For a freshman Marc learned how to read and use the wishbone offense very well," said Kaneko. "He could be the Salem quarterback of the future."

All in all, the Rocks scored 194 points in their seven wins and held their opponents to 38 points.

The Rocks started the season with a 28-12 win over Canton's freshmen group. They then knocked off Pierce, 27-0, Belleville South, 28-0, and Westland Stevenson, 28-0.

Redford Union finally scored on the team in its contest, but the Rocks still proved to be strong winners, 44-6.

Salem's next victim was Canton by a score of 24-16. To wrap up the season, the team defeated Belleville North, 22-12.

"We had a lot of talent on this team. The line wasn't big but we were fast and strong in every department," said Kaneko. "We

scored most of our touchdowns on 40, 50- or 60-yard runs or passes. We were not a marching type of team.

"We had a strong group of backs besides Tindell and we always got our second and third units onto the field and gave them a chance to play," continued the coach.

Among those backs, Kenny Harmon scored six touchdowns for Salem, Scott Jurek scored five touchdowns and Jeff Arnold crossed the goal line five times.

On the offensive line, guards John Stanton and Dave Barlow made few mistakes in their blocking assignment, according to Kaneko.

Tackle Richard Himes had a slow beginning for the freshman, said Kaneko, but learned very quickly and started every game.

End Rick Berberet contributed to the success of the Rocks passing efforts with several fine catches during the year, while ends Nick Zorney and Jim Gilson were consistent in their blocking strength.

Also defensively George Condash, though only five foot four inches, was a solid tackler. "Very fast and strong," said Kaneko.

Co-captain Sundee Beasie didn't see too much action but, according to Kaneko, he was always there when something had to be done and had a good football attitude.

"The entire team had just a strong season," said Kaneko.

## Punt, pass kick results

The first annual Canton Punt, Pass and Kick competition was held last weekend at Griffin Park and some 50 contestants competed in three different age groups.

Craig Borowski was first in the eight-nine year-old competition with a total of 192 feet for combined punt, pass and kick effort. Greg Darby was second with a 190 total and Brian Coleman was third at 163 feet.

Chad Curtis totalled 221 feet to win the 10-11 year-old division, while Tony Boucher was second with a 219 total. Diana Knickerbocker was third at 214 feet.

Laura Darby won the 12-13 year old division with 167 feet for the three events. Steve Jenyk was second at 163 feet.

The top three finishes in each age received trophies for their efforts. The event was sponsored by the Canton Parks and Recreation Department.
